Blooddrinker: Of the Line of Mer Christian Bullock,2015-11-08 One second has passed by for the Age of the Bat and all the worlds have fallen into night. A Necromancer and his Goddess rule the Age under the Coven of the Blood Fang. Yet as their blood thirsty rule begins again the whispering of Wizards are heard. The Wizards have been watching carefully for this time and this 'second'. For they have devised a plan that can break the hold that the Goddess and her Necromancer have on the world. The Celestials lay dormant till the Age of Bat has passed. Will this 'second' change the fate of the Kingdoms of Men?

Between Humans and Animals Kristin A. Crage,2009-06-15 Between Humans and Animals is a captivating account of one man’s journey into a world where laws are made, manipulated and ultimately broken. Yet former pro-basketball player turned writer/activist, Leinad Reed, is determined to bring justice in places where human cruelty has become all too accepted. Reed, a proponent for those who speak a language different from our own, begins his journey of social change through political activism in New York City’s late night jazz infused West Village. After years of city living, however, he finds himself drawn to the breathtaking mountains and easy living folk of Southern Vermont. This city turned country man inspires those around him to rethink who they are and what they believe through his philosophies, wit, intelligence and compassion. What Leinad discovers about social change is that can and will interfere with the agenda of others in more powerful places. As with any social movement, challenges will arise and there are those who will to go to great lengths to eliminate anyone that threatens their agenda, for good. Throughout his work, Leinad is called to embark on his greatest journey of all; love sustained by trust, friendship and loyalty. Reed takes on social change while the Universe demands self-change. Will Leinad Reed rise to these challenges or will he get benched? This drama/mystery/love story is a dramatic page turner filled with suspense and humor that is hard to put down. You will surely travel to a place that gently stretches your imagination from the macabre to the beautiful and all that is, Between Humans and Animals.

Django 1.0 Template Development Scott Newman,2008-12-08 This book is designed for readers who learn by doing and employs many examples and screenshots to let the reader dig in and start coding. This book isn't designed to be a reference; instead it has a practical, example-

driven approach that teaches you by following along with the examples in the chapters. When you have completed this book, you will fully understand how the template system works, how to extend it when you have specialized needs, and how to optimize the performance and usability of your content. This book is for web developers and template authors who want to fully understand and utilize the Django template system. The reader should have completed the introductory tutorials on the Django project's website and some experience with the framework will be very helpful. Basic knowledge of Python and HTML is assumed.

Tiffany Glass Coloring Book Jessica Palmer,2017-09-19 An elegant new coloring book inspired by and celebrating the spectacular designs of Tiffany lamps at the New-York Historical Society. A new addition to the wildly successful coloring-book genre, the leaded, kaleidoscopic designs of the beloved 132 Tiffany Studios lamps and three windows in the Neustadt Collection at the New-York Historical Society lend themselves perfectly to the format of a coloring book. The new drawings by renowned British illustrator Jessica Palmer, sixty-five single-page and full-spread illustrations in all, are inspired by the magical natural world of Tiffany, depicting dragonflies dancing among peonies, wisteria vines drooping over ponds, and entwining tulip and poppy blossoms. At least one dragonfly—arguably the best known of all Tiffany motifs—is found in every drawing, sometimes tucked away in a corner, sometimes the centerpiece. These intricate drawings beg to be filled in with a riot of color and are sure to provide a meditative calming of the spirit that coloring-book aficionados seek.

The Slang Dictionary: Etymological, Historical, and Anecdotal John Camden Hotten,1874

The Slang Dictionary: Etymological, Historical and Andecdotal John Camden Hotten,2016-09-06 All ridiculous words make their first entry into a language by familiar phrases; I dare not answer for these that they will not in time be looked upon as a part of our tongue.—SPECTATOR. Rabble-charming words, which carry so much wild fire wrapt up in them.—SOUTH. Slang derivations are generally indirect, turning upon metaphor and fanciful allusions, and other than direct etymological connexion. Such allusions and fancies are essentially temporary or local; they rapidly pass out of the public mind: the word remains, while the key to its origin is lost. Many of these [slang] words and phrases are but serving their apprenticeship, and will eventually become the active strength of our language.—H. T. BUCKLE.
