

Только Сегодня

Nikolaus S. Trubetzkoy

Только сегодня Нелл Хадсон, 2023-08-15 Канун Нового года. Умопомрачительная вечеринка должна запомниться всем. Любой ценой. Для Джони и ее друзей эта ночь обещает стать кульминацией их беззаботной молодости, однако с наступлением рассвета им всем придется столкнуться с чем-то более страшным, чем похмелье и порванные колготки. Но они не позволят трагедии омрачить их молодость и заглушить жажду любви, веселья и вечного праздника. Они будут изо всех сил стараться удержать золотое время, когда впереди вся жизнь и нечего терять, пока наконец не столкнутся с неизбежной правдой: веселье в любом случае однажды закончится. Вопрос лишь в том – как? «Только сегодня» – архетипическая история взросления и потери невинности в декорациях современного Лондона. Для поклонников Салли Руни и Стивена Чбоски.

Расколотое небо. Завтра нет, есть только сегодня и сейчас Вячеслав Зенков, 2018-01-31 Шахтёр Лёха, попадает в круговорот событий, которые круто меняют его жизнь. Разборки с бандитами, долги, воровство, любовь, всё это умещается в одну неделю его жизни.

Resignification of Borders: Eurasianism and the Russian World Nina Friess, Konstantin Kaminskij, 2019-08-23 Eurasianism has proved to be an unexpectedly diverse and highly self-reflexive concept. By transforming the way we describe the Eurasian landmass, it also resignifies our field of studies and its disciplinary boundaries. In this process, Eurasianism itself is subject to a constant resignification. The present volume builds on this notion while pursuing an innovative approach to Eurasianism. The authors advance the well-established positions that view Eurasianism as a historical intellectual movement or as an ideology of Russian neo-Imperialism, and proceed to unpack an innovative vision of Eurasianism as a process of renegotiating cultural values and identity narratives—in and beyond Russia. This procedural approach provides deeper insight into the operability of the identity narratives and shifting semantics of Eurasianism in its relation to the Russian World.
