**Are You Being Deceived? God is Really On Your Side** C. Watts, 2017-05-09 Are You Being Deceived? This is a valid question that all Christians should ask themselves at some point in their lives. The apostle Paul said this in Romans 16 Now I urge you, brethren, note those who cause divisions and offenses, contrary to the doctrine which you learned, and avoid them. For those who are such do not serve our Lord Jesus Christ, but their own belly, and by smooth words and flattering speech deceive the hearts of the simple (Rom. 16:17-18, NKJV). So I ask you why are there so many different denominations, traditions, and interpretations of who God is and how he operates in our lives? Can they all be correct? The purpose of this book is to help you think outside the religious box and interpret the scriptures without the influence of denominational lenses. By giving you seven specific areas in which many Christians are deceived, my hope is that you're at least inspired or provoked to dig deeper in the scriptures. Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth (2 Tim. 2:15, NKJV). Because if done correctly, I'm certain the conclusion will be that God's on your side!

**God Is Not on Your Side** Joshua Opperman, 2021-04-19 How is it possible for someone to grow up in the church, identify as a Christian, and yet still travel a path of separation from God? In God is Not on Your Side, author Joshua Opperman shares his testimony as someone who believed he was a follower of Jesus living a Christian life, but one day came to realize he was actually far from God. Opperman chronicles his journey of self-reflection and revelation, evaluating not only personal beliefs but external influences that have significantly impacted the American Christian church. He shares a Biblical look at money, politics, and sin and how the gospel impacts culture in power. Geared toward the approximately sixty percent of Americans who identify as Christians, God is Not on Your Side tackles difficult and controversial topics. It brings to light the many ways in which secular culture has influenced American

Christianity both individually and corporately. It calls the follower of Jesus to a renewal of faith and a life set apart from the surrounding culture that bears witness to the power of almighty God.

*Hellenica* Xenophon,2019-11-08 *Hellenica* is one of the most important primary sources for the History of the Peloponnesian War and the war's aftermath. Many consider this a very personal work, written by Xenophon in retirement on his Spartan estate, intended primarily for circulation among his friends, for people who knew the main protagonists and events, often because they had participated in them. It covers the events in Greece from 411 to 362 BC, and is considered to be the continuation of the History of the Peloponnesian War by Thucydides.

**The Complete Historical Works of Xenophon** Xenophon,2019-11-08 e-artnow presents to you this meticulously edited collection of Xenophon's historical works, formatted to the highest digital standards and adjusted for readability on all devices. Content: Anabasis Cyropaedia Hellenica Agesilaus Polity of the Lacedaemonians Polity of the Athenians Anabasis is Xenophon's most famous book. The seven-tome book of the Anabasis describes The March of the Ten Thousand and their return to Greece. Xenophon accompanied the Ten Thousand, a large army of Greek mercenaries hired by Cyrus the Younger, who intended to seize the throne of Persia from his brother, Artaxerxes II. The narration of the journey is Xenophon's best known work, and one of the great adventures in human history. *Hellenica* is one of the most important primary sources for the History of the Peloponnesian War and the war's aftermath. Many consider this a very personal work, written by Xenophon in retirement on his Spartan estate, intended primarily for circulation among his friends, for people who knew the main protagonists and events, often because they had participated in them. It covers the events in Greece from 411 to 362 BC, and is considered to be the continuation of the History of the Peloponnesian War by Thucydides. *Cyropaedia* is a biography of Cyrus the Great, the founder of Achaemenid Empire and the first Persian Empire. It is a political romance, describing the education of the ideal ruler, trained to rule as a benevolent despot over his admiring and willing subjects. Aspects of it would become a model for medieval writers of the genre known as mirrors for princes. In turn it was a strong influence upon the most well-known but atypical of these, Machiavelli's *The Prince*.

**757** David Bashara Wyche,2012-11-26 Dialo and Pancho Mercias are brothers from Portsmouth, Virginia. Their father taught them the family business drug-dealing but they've taken it further than he ever imagined. The operation started small, just in their hometown, but soon it grew to include all the seven cities of the Tidewater area of Virginia. It became almost too much for them to handle. The boys do things they don't always like. For instance, they kill people in cold blood, all in the name of money. Dialo starts getting involved with some legit businesses in the hopes of someday leaving the drug trade behind. Meanwhile, his little brother looks forward to getting Dialo out of the way and maybe one day becoming a kingpin. Just as Dialo is ready to step aside, Pancho gets in big trouble with a rival drug-dealer, and things turn nasty. Blood covers the streets, and a full-blown war is underway. Dialo may have to give up on his dreams of being an honest businessman to save his brother. Old habits die hard as they enter the brawl, and someone may end up dead.

*Jared's Journey* Steve Stowe,2011-11 A true story of a six week old baby that was literally Shaken to death, but refused to take his final breath and cross over until his Journey was completed. After Jared was airlifted to The Medical College of Virginia Hospital, he was thought to be Dead on Arrival. His brain was bleeding uncontrollably as the helicopter touched down, so the staff inserted a shunt into his skull in order to drain the excess blood from his brain and induce a coma which would be the beginning of a personal war for this child to say the least. If not for the love and undeniable passion of Jared's Nina, Kathy Stowe, the staff would have been correct in their initial analysis which was that Jared would die in the Pediatric Intensive Care Unit in a very short period of time. Well, Nina lived in a plastic chair next to the array of machinery that sustained her baby's life until the magic began to happen. This relationship was so powerful, it left the Team of Expert Doctors wondering forever, What in the hell just happened?
