**101 Drama Games for Children** Paul Rooyackers,1998 Drama games are not staged plays but a dynamic form in which children explore their minds and the world around them. They can use their play-acting in sensory games, pantomimes, story games with puppets, in creating masks and costumes, and much more. Drama games allow children to get more in touch with themselves and what they want to be, and are a delightful way to discover the freedom, creativity, and expression of acting- and living. The SmartFunActivity series encourage imagination, social interaction, and self-expression in children. To make the books easy to use, games are marked according to appropriate age levels, length of play time, and group size, using helpful icons. Most games are non-competitive and none require special skills or training. The series is widely used in homes, schools, daycare centers, clubs, and summer camp.

Languishing in self-imposed exile, Hardie has become a glorified house sitter. His latest gig comes replete with an illegally squatting B-movie actress who rants about hit men who specialize in making deaths look like accidents. Unfortunately, it's the real deal. Hardie finds himself squared off against a small army of the most lethal men in the world: The Accident People. It's nothing personal-the girl just happens to be the next name on their list. For Hardie, though, it's intensely personal. He's not about to let more innocent people die. Not on his watch.
