

1215

D Kirk

1215 Danny Danziger,John Gillingham,2004 Danziger sweeps readers back eight centuries in an absorbing portrait of life at a time that saw the Crusades, Richard the Lionheart and the legendary Robin Hood all make their marks in history. At the center of this period is the document that has become the capstone of modern freedom: The Magna Carta.

The Magna Charta Sureties, 1215 Frederick Lewis Weis,William Ryland Beall,1999 At the signing of the Magna Charta, twenty-five men, representing the barons, signed as sureties of the baronial performance, in effect pledging the barons to fulfill their obligations to the Crown in accordance with the terms of the Great Charter. Of these twenty-five sureties only seventeen have identified descendants. Each of the seventeen is represented in the celebrated Magna Charta Sureties, which traces their connections--line by line and generation by generation--to approximately 160 American colonists. Eight years have passed since the publication of the last edition of this work, however, and in the interval a great many additions, corrections, and revisions have accumulated. Brought to a very high standard by the unremitting efforts of its editor, Walter Lee Sheppard, Jr., this fifth edition incorporates new lines, corrects errors in existing lines, adds recently discovered material, and supplies references where they had previously been omitted. The result is a reliable and authoritative collection of interlocking pedigrees which carry the ancestry of some 160 American colonists back to the thirteenth century. With the possible exception of Weis's Ancestral Roots (also published by Genealogical Publishing Co.), this is probably the very best work ever written on the pre-colonial ancestry of American colonists.

Colonial American History Stories - 1215 - 1664 Paul R. Wonning, Colonial American History Stories - 1215 - 1664 contains almost 300 history stories presented in a timeline that begins in 1215 with the signing of the Magna Carta to the printing of the first Bible in Colonial America in 1664. The historical events include both famous ones as well as many forgotten stories that the mists time have obscured.

1215 and All That Ed West,2017-10-10 1215 is one of the most famous dates in English history, and with good reason, since it marks the signing of the Magna Carta by King John and the English barons, which altered the entire course of English and world history. John Lackland was born to King Henry II and Eleanor, Duchess of Aquitaine in December, 1166; he was the youngest of five sons. However, he unexpectedly became the favored heir to his father after a failed rebellion by his older brothers in 1173. He became king in 1199, though his reign was tumultuous and short. After a brief peace with Phillip II of France, war broke out again in 1202 and King John lost most of his holdings on the continent. This, coupled with unpopular fiscal policies and treatment of nobles back home, led to conflict upon his return from battle. Buffeted from all sides, King John was pushed in 1215 to sign along with his barons the Magna Carta, a precursor to constitutional governance. But both sides failed to uphold the agreements terms and conflict quickly resumed, leading to John's untimely death a year later to dysentery. Pitched at newcomers to the subject, 1215 and All That will explain how King John's rule and, in particular, his signing of the Magna Carta changed England—and the English—forever, introducing readers to the early days of medieval England. It is the third book in the acclaimed A Very, Very Short History of England series, which captures the major moments of English history with humor and bite.

U-1215 Eric Marcelo,2023-04-17 It is 1944 and Germany is losing the Battle of the Atlantic. The Allied convoys are getting through and, soon, the Allies will be able to mount an assault on Occupied Europe. U-1215 is a new and secret German submarine, so secret that even Hitler doesn't know it exists. She is fast, silent, and deadly...and nuclear powered.

Colonial American History Stories Paul R. Wonning,2017-06-23 Colonial American History Stories - 1215 - 1664 contains almost 300 history stories presented in a timeline that begins in 1215 with the signing of the Magna Carta to the printing of the first Bible in Colonial America in 1664. The historical events include both famous ones as well as many forgotten stories that the mists time have obscured. These reader friendly stories include: June 15, 1215 - King John I signs Magna Carta at Runnymede England October 19, 1469 - Ferdinand and Isabella Marry, Uniting Aragon and Castile August 3, 1492 - Christopher Columbus Sets Sail On His First Voyage July 22, 1587 - Lost Colony Established June 14, 1623 - First Breach-Of-Promise Lawsuit In Colonies August 29, 1619 ? - First Blacks Land at Jamestown Virginia

YD/T 1215-2006 Translated English of Chinese Standard. (YDT 1215-2006, YD/T1215-2006, YDT1215-2006) <https://www.chinesestandard.net>,2014-05-11 The specification defines the test methods on services, functions, performance, electromagnetic compatibility and environmental adaptability and others of 900/1800MHz TDMA Digital Cellular Mobile Telecommunication Network General Packet Radio Service (GPRS) Equipment: Mobile Stations (MS). The specification applies to the test of 900/1800MHz TDMA Digital Cellular Mobile Telecommunication Network General Packet Radio Service (GPRS) Equipment: Mobile Stations (MS). The contents except for GPRS related ones are not applicable to GSM mobile station that does not support GPRS.

Religion and Devotion in Europe, C.1215- C.1515 Robert Norman Swanson,1995-06-29 Underlying the discussion are basic questions about the format of medieval religious experience, ranging from the nature of authority to the relationship between priests and laity, and how far it is actually possible to talk of a monolithic catholicism.

God's Crucible: Islam and the Making of Europe, 570-1215 David Levering Lewis,2009-01-12 From the two-time Pulitzer Prize-winning author, God's Crucible brings to life "a furiously complex age" (New York Times Book Review). Resonating as profoundly today as when it was first published to widespread critical acclaim a decade ago, God's Crucible is a bold portrait of Islamic Spain and the birth of modern Europe from one of our greatest historians. David Levering Lewis's narrative, filled with accounts of some of the most epic battles in world history, reveals how cosmopolitan, Muslim al-Andalus flourished—a beacon of cooperation and tolerance—while proto-Europe floundered in opposition to Islam, making virtues out of hereditary aristocracy, religious intolerance, perpetual war, and slavery. This masterful history begins with the fall of the Persian and Roman empires, followed by the rise of the prophet Muhammad and five centuries of engagement between the Muslim imperium and an emerging Europe. Essential and urgent, God's Crucible underscores the importance of these early, world-altering events whose influence remains as current as today's headlines.

The Daily News Almanac and Political Register for ... ,1925

Magna Carta, 1215-1915 Nicholas Murray Butler,1915

Years That Changed History Dorsey Armstrong,2019-04-17

The Magna Charta Sureties, 1215 Frederick Lewis Weis,1991 Given by Eugene Edge III.

From Norman Conquest to Magna Carta Christopher Daniell,2013-10-08 Using a combination of original sources and sharp analysis, this book is sheds new light on a crucial period in England's development. From Norman Conquest to Magna Carta is a wide-ranging history of England from 1066 to 1215 ideal for students and researchers throughout the field of medieval history. Starting with the build-up to the Battle of Hastings and ending with the Magna Carta, Christopher Daniell traces the profound change England underwent over the period, from religion and the life of the court through to arts and architecture. Central discussion topics include: how the Papacy became powerful enough to proclaim Crusades and to challenge kings how new monastic orders revitalized Christianity in England and spread European learning throughout the country how new Norman conquerors built cathedrals, monasteries and castles, which changed the English

landscape forever how by 1215 the king's administration had become more sophisticated and centralized how the acceptance of the Magna Carta by King John in 1215 would revolutionize the world in centuries to come. This volume will make essential reading for all students and researchers of medieval history.

Magna Carta Sureties 1215 Frederick Lewis Weiss,2008-04-01 The Magna Charta (or Carta) is the cornerstone of Anglo-Saxon law, since it is the earliest agree. between sovereign & subject on the rights of both parties -- what each can do, & the limitation of powers. And, the Great Charter set up watchdogs for both sides: 25 men representing the barons, & the friends of the king, who were named in the Charter. The most useful book about the Charter is a 19th-cent. work by Richard Thomson, An Historical Essay on the Magna Carta of King John, pub. in London in 1828. It includes extensive bio. notes on the Sureties, & on those individuals mentioned in the Charter, or connected with it. There are two tables that supply lineage info., one on the Sureties, the other on those persons who appear as friends of the king.

Magna Carta Nicholas Vincent,2015 Eight hundred years ago King John of England was forced to seal a document of historic importance. As the first charter to grant individual liberties under the rule of law, protecting the people against tyranny, Magna Carta is the most influential and far-reaching legal text the world has ever known. Magna Carta was serially reinterpreted by later generations, becoming a totem in fierce political debates on the liberties of the people - it became a sacred text for English puritans of the Civil War, for the American patriots of the War of Independence, and for all those in the English-speaking world who have striven to build democratic rights and freedoms in the post-colonial age.For this book, published with the official support of the UK Magna Carta Trust and marking the eight hundredth anniversary of the charter's first issue, Professor Nicholas Vincent is joined by a range of experts on Magna Carta from across the world to reflect on the circumstances of its genesis and its enduring significance.
