Alphabet Handwriting Practice Workbook for Kids Fun Press,2021-04-11 Handwriting Practice Workbook to Trace Letters (Uppercase A-Z, Lowercase a-z) & Numbers (1-20). Handwriting tracing and the identification of numbers and letters are foundational skills that form the basis of your child's academic future. This letter tracing work book enables your child to learn the basics of handwriting with a structured and fun approach to letters and numbers. As your child's confidence and skill increase through practice, so does the complexity and difficulty to further hone his skill. This Handwriting workbook helps kids of all ages to start learning letters of the alphabet and to improve their handwriting Handwriting has its place even in the midst of technology. A case study published in the US National Library of Medicine National Institute of Health states that letter tracing and handwriting has significant benefits over typing on electronic devices. The study tested the effect on brain engagement with traditional handwriting and typing on a tablet. The conclusion was that tracing and handwriting activates and engages both the left side of the brain which is responsible for language and logic and the motor cortex. Stimulation of these parts of the brain can provide benefits for the development of your child's brain and scholastic performance in the future. Buy this book packed with a heuristic activity to teach writing to prepare your little hero for school success!
