Steve Young

**15 Minutes** Steve Young,2006-08-01 It's not that Casey Little is always late. It's just that everything starts a little too early. But when Casey discovers a weird little time machine, he figures he'll never be late again. Unfortunately, it's not a very good time machine. It can only go back 15 minutes. And it seems to have a mind of its own. Still -- what could possibly go wrong?

**15 Minutes Including Q and A** Joey Asher,2010 Every day, business people bore listeners with presentations that ramble on, make no clear points, and fail to address the audiences' key concerns. This book lays out a plan for ridding the world of lousy presentations. Learn how to: • Create "rifle shot" presentations that hit the mark and satisfy listeners. • Answer questions in a way that inspires confidence. • Deliver messages in a style that makes you look and sound like a leader. • Overcome fear of public speaking.

**15 Minutes** L. Douglas Keeney,2011-02-01 Packed with startling revelations, this inside look at the secret side of the Cold War exposes just how close America came to total annihilation During the Cold War, a flight crew had 15 minutes to get their nuke-laden plane in the air from the moment Soviet bombers were detected--15 minutes between the earliest warning of an incoming nuclear strike and the first flash of an enemy warhead. This is the chilling true story of the incredibly risky steps our military took to protect us from that scenario, including: • Over two thousand loaded bombers that crossed American skies. They sometimes crashed and at least nine times resulted in nuclear weapons being accidentally dropped • A system that would use timers and rockets to launch missiles even after everyone was dead • Disastrous atmospheric nuclear testing including the horrific runaway bomb--that fooled scientists and put thousands of men in uniform in the center of a cloud of hot fallout • A plan to use dry lake beds to rebuild and launch a fighting force in the aftermath of nuclear war Based on formerly classified documents, military records, press accounts, interviews and over 10 years of research, 15 Minutes is one of the most important works on the atom bomb ever written.

**The Next 15 Minutes** Kim Kircher,2011-10 The high octane story of how Kim Kircher drew strength from the ski slopes during her husband's brush with death.

**My 15 Minutes** Sara Faith Alterman,2009-03-17 There's something going on in this Great Land of ours -- more and more people are famous for being famous. Now, one of the Avon Trade program's brightest young voices examines what happens to an ordinary young woman who ends up in some pretty wild circumstances. When a Hollywood heartthrob moves in next door, Julie finds herself thrust into the spotlight and becomes a bona fide celebrity for no good reason at all! But the man known as The Sexiest Man in Hollywood is living in her somewhat shoddy building so he can learn to live like the little people while preparing for a new role. When Julie is caught by the paparazzi leaving his apartment, clad only in a bathrobe, the publicity machine takes over. Suddenly, Julie is the new and normal girlfriend. So fresh! She works as a waitress... So normal! She's a whopping size 10. Amazing, Julie and, by extension, her friends, even her mom, become famous simply for being, well, famous.

**Every Fifteen Minutes** Lisa Scottoline,2015-04-14 A single father and head of a successful Philadelphia psychiatric care unit sees his life begin to crumble when a teen patient is implicated in a murder and the doctor himself is wrongly accused of sexual harassment. By the best-selling author of Keep Quiet.

**The 15 Minute Master: How to Make Everything Better 15 Minutes at a Time** Mary Fran Bontempo,2019-10-07 How do you cope when you wake up one day and learn that your son is a heroin addict? No one is immune to crisis, regardless of the details. Yet, even without challenges, everyday life can push us to the edge. I experienced both-and figured out the only way to deal with it was 15 minutes at a time. During my crisis, a system evolved, one that worked for everything, and still does, to this day. Join me-I'll teach you. We'll laugh (yes, laugh!), learn, and make life better-15 minutes at a time. Mary Fran Bontempo
