**Cooking with The Step by Step Chef** Lawrence Stanley Richardson, 2019-10-12 Over 10 million viewers have learned to cook delicious meals watching my Step By Step Chef video series on YouTube. Cooking with the Step by Step Chef features 114 fantastic recipes featured in the video series, including many very popular omelets prepared using an easy to follow, nearly fool-proof method. The writing is as clear and concise as the videos. When used together, you, the beginner cooks in your life -- even experienced cooks looking for something new to make -- will very quickly be able to prepare popular dishes from American, Asian, Italian, Mexican, Thai and other cuisines. I created the Step By Step Chef cooking videos, my website StepByStepChef.com, and this book with one objective in mind: To show people just like you how to cook delicious meals in a detailed, step-by-step manner. To some, this approach might seem too explicit and slow. But, in an age when few are being taught how to cook from parents and grandparents, I believe it's important to show eager new cooks the entire process as if they're standing in the kitchen by my side. Through my videos, website and this book, I hope to pass on to you the knowledge I gained in over four decades of cooking in my own kitchens. I also hope it sparks the desire in you to explore cooking as a fun artform that will allow you to express yourself through food, spices and cooking techniques. Follow my recipes and videos and you'll be showing the love to your family and friends at the dinner table in no time! C'mon, let's cook!

**Cook Once, Eat All Week** Cassy Joy Garcia, 2019-04-23 **Cook Once, Eat All Week** is a revolutionary way to get a delicious, healthy, and affordable dinner on the table FAST. Author Cassy Joy Garcia will walk you through this tried-and-true method and show you how batch-cooking a few basic components can give you an entire week's worth of dinners with minimal time and effort. Have you ever tried a meal prep plan before and gotten so excited about having your cooking for the week done ahead of time, only to find yourself totally exhausted after a full day in the kitchen, shocked by your grocery bill, and tired of the same leftovers by Tuesday? Cassy Joy Garcia had been there, too. As a mom, business owner, and Nutrition Consultant, she needed to get a healthy, affordable, and tasty dinner on the table fast every night, and she knew there had to be a better way to do it. She finally cracked the code when she discovered that by batch-cooking a protein, starch, and vegetable each week she could easily assemble three fresh, diverse meals in minimal time. After years of her readers asking her for better meal prep strategies and easy recipes, she released 4 weeks of recipes on her blog, Fed and Fit. Since then, tens of thousands of people have made and raved about the series and begged for more! In this book you'll find 26 weeks of affordable, healthy, delicious meals that your family will love eating, and a chapter full of bonus 20-minute meals. Optional Instant Pot and slow cooker instructions are included to get you even more time back in your week. With a Real Food foundation, the weeks in this book aim to support dietary approaches that range from: gluten-free, dairy-free, Paleo, low carb, egg-free, kid-friendly and more. Three simple ingredients like shredded pork, potatoes, and cabbage are turned into these three easy to assemble meals: Honey Mustard Pork Sheet Pan Dinner Enchiladas Verde Casserole Sloppy Joe Stuffed Potatoes This book is a must-have for anyone looking for a REAL solution to help them eat healthfully while also saving time and money and loving what they are eating.

**Cook For Your Life** Ann Ogden Gaffney, 2015-09-29 2016 James Beard Award nominee and 2016 Books For A Better Life Award winner A beautiful, unique cookbook with delicious recipes for all stages of cancer treatment and recovery, from a two-time cancer survivor and founder of the Cook for Your Life nutrition-based cooking programs. Cook for Your Life is a one-of-a-kind cookbook for those whose lives are touched by cancer, organized by the patient's needs. Self-taught home cook and two-time cancer survivor Ann Ogden Gaffney discovered during her months of treatment for breast cancer that she was able to find powerful relief for her symptoms through cooking. Realizing that other patients and families could benefit from the skills and techniques she'd learned, she began to offer advice, recipes, and free classes to fellow patients. A former fashion consultant, Gaffney realized after her treatment that her heart was no longer in seasonal colors and hemline trends. Instead, she wanted to help people with cancer and their families cook and care for themselves. In 2007, the nonprofit organization Cook for Your Life was born. Its programs have received funding from the National Institutes of Health (NIH) and have been embraced by organizations such as Columbia University's Mailman School of Public Health, Mount Sinai Health System, Atlantic Health System Cancer Care, the American Cancer Society's Hope Lodge in New York City, and more. Cook for Your Life has touched hundreds of thousands of lives. Now Gaffney delivers her very first highly anticipated cookbook, based on Cook for Your Life's classes. So many cancer cookbooks are too complicated to follow for someone going through the treatment, or too clinical and uninspired to encourage anyone with compromised taste buds to enjoy. This is the first cookbook to organize the recipes into categories according to the way patients feel and their needs in the moment—for example, "Simple" recipes when the patient is fatigued, "Safe" recipes when a patient's immune system is compromised, and "Spicy" recipes when a patient is feeling better and needs to wake up her taste buds. With its warmth, authority, beautiful design, and smartly conceived format, Cook for Your Life empowers patients and families to cook their way back to health.
