Treasury. Internal Revenue Service. Library, 1873

The Great Riots of New York 1712-1873 Joel T.
Headley, 2009-01-01 One of the most popular writers
of his day-and one most unjustly forgotten-J.T.
Headley thrilled audiences with his tales of real-
life history. This 1873 work is an enthralling
collection of accounts of urban upheaval in one of
the U.S.'s most historically vital cities: New
York. Here, Headley offers us highly readable and
informative reports on: [the negro riots of
1712-1741 [the Stamp Act riot of 1765 [the
doctors' riot of 1788 [the abolition riots 1834-5
[the flour riot of 1837 [the draft riots of 1863
[and more. Anyone interested in the history of
New York City will find this a fascinating read.
American writer and journalist JOEL TYLER HEADLEY
(1813-1897) was an editor at the **New York
Tribune** and wrote extensively on historical
matters. Among his many books are **Washington and
His Generals** (1847), **Life of Cromwell** (1848),
and the bestselling **Life of Washington** (1857).

Custer and the 1873 Yellowstone Survey M. John Lubetkin, 2023-02-21 Progress on the nation's second transcontinental railroad slowed in 1873. The Northern Pacific's proposed middle--the 250 miles between present Billings and Glendive, Montana--had yet to be surveyed, and Sioux and Cheyenne Indians opposed construction through the Yellowstone Valley, the heart of their hunting grounds. A previous surveying expedition along the Yellowstone River in 1872 had resulted in the death of a prominent member of the party, the near-death of the railroad's chief engineer, the embarrassment of the U.S. Army, and a public relations and financial disaster for the Northern Pacific. Such is the backdrop for Custer and the 1873 Yellowstone Survey, the story of the expedition told through documents selected and interpreted by historian M. John Lubetkin. The U.S. Army was determined to punish the Sioux, and the Northern Pacific desperately needed to complete its engineering work and resume construction. The expedition mounted in 1873--larger than all previous surveys combined--included embedded newspaper correspondents and 1,600 infantry and cavalry, the latter led by George Armstrong Custer. Lubetkin has gathered firsthand accounts from the correspondents, diarists, and reporters who accompanied this important expedition, including that of news correspondent Samuel J. Barrows. Barrows's narrative--written in a series of dispatches to the New York Tribune--provides a comprehensive,

often humorous description of events, and his proficiency with shorthand enabled him to capture quotations and dialogue with an authenticity unmatched by other writers on the survey. The expedition marched west from the Missouri River in mid-June of 1873 and, in three months, covered nearly 1,000, often grueling miles. Encompassing the saga of transcontinental railroading, cultural conflict on the northern plains, and an array of important Indian and Anglo-American characters, Custer and the 1873 Yellowstone Survey will fascinate Custer fans and anyone interested in the history of the American West.

Reports of the Massachusetts Commissioners to the Exposition at Vienna, 1873 Massachusetts. Commission, Vienna Exposition, 1873,1875

The Great Riots of New York, 1712 to 1873 Joel Tyler Headley,2016-10-12 Excerpt from The Great Riots of New York, 1712 to 1873: Including a Full and Complete Account of the Four Days' Draft Riot of 1863 The materials for the descriptions of the Negro and Doctors' Riots were gathered from the Archives of the Historical Society; those of the immediately succeeding ones, from the press of the times. For the scenes and incidents that occurred On the stage and behind the curtain in the Astor-place Opera Riot, I am indebted to a pamphlet entitled Behind the Scenes. Jay Cooke's Gamble M. John Lubetkin, 2014-04-23
In 1869, Jay Cooke, the brilliant but idiosyncratic American banker, decided to finance the Northern Pacific, a transcontinental railroad planned from Duluth, Minnesota, to Seattle. M. John Lubetkin tells how Cooke's gamble reignited war with the Sioux, rescued George Armstrong Custer from obscurity, created Yellowstone Park, pushed frontier settlement four hundred miles westward, and triggered the Panic of 1873. Staking his reputation and wealth on the Northern Pacific, Cooke was soon whipsawed by the railroad's mismanagement, questionable contracts, and construction problems. Financier J. P. Morgan undermined him, and the Crédit Mobilier scandal ended congressional support. When railroad surveyors and army escorts ignored Sioux chief Sitting Bull's warning not to enter the Yellowstone Valley, Indian attacks—combined with alcoholic commanders—led to embarrassing setbacks on the field, in the nation's press, and among investors. Lubetkin's suspenseful narrative describes events played out from Wall Street to the Yellowstone and vividly portrays the soldiers, engineers, businessmen, politicians, and Native Americans who tried to build or block the Northern Pacific.

Memories of the Crusade Eliza Daniel Stewart, 2015-07-19 Excerpt from Memories of the Crusade: A Thrilling Account of the Great Uprising of the Women of Ohio in 1873, Against the Liquor Crime In presenting this book to the public, the

publishers desire to say: - 1st. As to its merit: It is thrillingly interesting in its matter, and deeply instructive in its lessons. Its style is easy and natural - good English, enriched by vigorous Anglo-Saxon. It contains some imperfections - the perfect book has not yet been published. But the manner and matter of this book are such as to make it worthy of a place in every public or private library. 2nd. As to the subject The Crusade: There has perhaps not occurred during the present century, if during any century since the first of the Christian era, any movement that has been more wonderful in its phenomena and its operations, and extensive in its general results, than the Woman's Temperance Crusade. It was the cradle of new views of Home and its relations to Government, and a thousand statutes have been modified, or repealed, or made new, as the result of the influences started in the Crusade. Millions of people have changed their views on the position of woman. The Woman's Christian Temperance Union has been organized, with 200,000 members and more than thirty departments of work for women. Hundreds of avenues for the employment of women have been opened, largely as the result of discussions which grew out of the Crusade. So that in stores and business establishments alone, we presume there are a million places occupied by women and girls now that were occupied by men before the Crusade. We can only hint at the results of the Crusade in this statement. To write a complete history of such a warfare in all its ramifications cannot be done. Many have attempted to write up the Crusade. About the Publisher

Justus Von Liebig, His Life and Work (1803-1873)
William Ashwell Shenstone, 1901

The Story of the Typewriter, 1873-1923 Herkimer County Historical Society, 2021-11-05 The story of the typewriter begins with early attempts to create a writing machine and examines written documents of historical significance. More than a factual account of the history of the typewriter, this book looks at the history and development of language and how communication progressed. Contains photos of early machines and reproductions of documents.

manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.

By accessing 1873 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, 1873 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-

1873 Introduction

In today's digital age, the availability of 1873 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of 1873 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of 1873 books and

improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing 1873 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that

provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for 1873 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and

educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, 1873 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at

our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of 1873 books and manuals for download and embark on your journey of knowledge?

FAQs About 1873 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research

different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks

incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. 1873 is one of the best book in our library for free trial. We provide copy of 1873 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with 1873. Where to download 1873 online for free? Are you looking for 1873 PDF? This is definitely going to save you time and cash in something you should think about.
