GB/T 191-2008 Translated English of Chinese Standard. (GBT 191-2008, GB/T191-2008, GBT191-2008) <https://www.chinesestandard.net>,2017-12-16 This Standard specifies the name, graphic symbol, dimension, color and application method of the pictorial marking for packaging and handling of goods.

*StuG III Brigade 191, 1940–1945* Bruno Bork,2021-12-08 An illustrated history of one brigade of German World War II armored fighting vehicles and the action they saw along the Eastern Front. Based on their experiences during the First World War, the Reichswehr decided that the infantry support gun of the future should be an armored, motorized vehicle with an effective caliber of cannon: the Sturmgeschütz III. The weapon was used in the “fire brigade role” at hotspots along the Front, where it was much feared by enemy forces. This illustrated volume tells the tale of Brigade 191, aka the “Buffalo Brigade,” who used the Sturmgeschütz III as they took part in Operation Barbarossa in the Ukraine, saw action during the fight for Greece in 1941 and were deployed to the areas of heaviest fighting in the campaign against the Soviet Union. This began with the infantry advance from Ukraine to Moscow (1941): then to Voronezh, Kursk, the Caucasus, and Kuban (1942), then the Kertsch Peninsula and the Crimea (1943-1944), before they were finally evacuated from Sevastopol into Romania by naval lighters. On the South-east Front (the retreat through the Balkans), the Brigade fought its way into Austria and was still fighting on the last day of the war to keep a corridor open. Keen to write an account recording the tactical significance of the Sturmgeschütz III, while surviving members of Brigade 191 also wished for a cohesive documentary record of the war, Bork set about gathering military records and literature, as well as interviewing as many ex-Brigade men as possible, in order to bring this detailed account into being. Praise for StuG III Brigade 191, 1940–1945 “Author Bruno Bork not only offers a tactical unit history, but also another German “blood and guts” ground-level views of Hitler’s retreats and defeats on the Eastern Front. This is also a truly riveting read.” —ARGunners.com “Upon finishing this book the reader will doubtlessly better realize what a useful and versatile armored fighting vehicle the Sturmgeschütz III really was to the German armed forces.” —Globe at War “As a unit history, the scenarios come a poppin on page after page.” —Historical Miniatures Gaming Society “Highly recommended for beginner to advanced builders and historians interested in the StuG actions on the Eastern Front.” —AMPS

*Breakthroughs (The Great War, Book Three)* Harry Turtledove,2006-07-25 “Anyone who loves history will love what Harry Turtledove can do with it.”—Larry Bond, New York Times bestselling author of Day of Wrath Is it the war to end all wars—or war without end? What began as a conflict in Europe, when Germany unleashed a lightning assault on its enemies, soon spreads to North America, as a long-simmering hatred between two independent nations explodes in bloody combat. Twice in fifty years the Confederate States of America had humiliated their northern neighbor. Now revenge may at last be at hand. “Turtledove has proved he can divert his readers to astonishing places. He’s developed a cult following over the years; and if you’ve already been there, done that will real-history novelists Patrick O’Brian, Dorothy Dunnett, or George MacDonald Fraser, for your Next Big Enthusiasm you might want to try Turtledove. I know I’d follow his imagination almost anywhere.”—San Jose Mercury News

**Hack's 191** Bill Chastain,2012-01-24 Hack Wilson’s record 191 RBIs in 1930 may well stand the test of time, and so may the record of his hard-drinking lifestyle. In Hack’s 191, Bill Chastain recreates the most productive offensive season in baseball history while giving readers unique insight into the life of one of baseball’s most fascinating, enigmatic, and yet neglected characters. Drunk or sober, Wilson lived large in Prohibition-era Chicago, where the entertainment and nightclub industries thrived, and Al Capone, a friend of Wilson, reigned as the most publicized gangster in America. Hack finished the 1929 season batting .345 with 39 home runs and 159 RBIs, giving him his fourth consecutive 100-plus RBI season before for misplaying two fly balls in the World Series. Despite losing the Series, the Cubs entered the 1930 season favored again to win the National League pennant. After a slow start and many bad breaks, the team was in first place by the end of August, with Hack Wilson leading the way. Chronicling the ups, downs, and record-setting accomplishments of Lewis R. “Hack” Wilson, this book returns arguably the most hard-living, hard-hitting ballplayer in history to the lineup of the game’s greats.
