The Great Book of 1980s Trivia Bill O'Neill, 2018-04-16 Take a fantastical journey through the 1980s, as we uncover every riveting storyline that dominated the decadent decade. Revisit, or explore for the first time, the big stories and the forgotten facts of ten fast-paced years that would reshape the world, and lay the foundation for the way we live today. Discover the events that gripped the world through hijackings, bombings, and hostage standoffs, during a decade dominated by international terrorism. Read the stories of serial killers on the run, and military battles that transformed continents. Follow Madonna and Michael Jackson as they took their awe-inspiring acts to the top of the charts, surrounded by a new MTV culture. Take a joyride through a new age of cinema dominated by Steven Spielberg and George Lucas, and their endearing heroes. Go to battle with Arnold Schwarzenegger and Sylvester Stallone, and find out how Meryl Streep mesmerized audiences with six Oscar-nominated performances. You will also find the answers to the following questions:- Why did President Reagan's would-be assassin put a bullet in his chest, and what affair discredited Reagan's administration?- What prompted First Lady Nancy Reagan to ask America to Just Say No.- What catastrophic event sidelined the U.S. Space program?- What toys and video games made every child's wish list?- Why did Time magazine stray from their annual Person of the Year to award the Machine of the Year, and how did Bill Gates and Steve Jobs become international icons?- How did Oprah and Geraldo Rivera build a daytime talk show empire?- What made Bill Cosby a national icon and America's dad, long before the sex scandal that would completely derail him?

The Routledge Companion to History and the Moving Image Marnie Hughes-Warrington, Kim Nelson, Mia E.M. E. M. Treacey, 2023-11-07 The Routledge Companion to History and the Moving Image takes an interdisciplinary approach to understanding history in moving images. It engages this popular and dynamic field that has evolved rapidly from film and television to digital streaming into the age of user-created content. The volume addresses moving image history through a theoretical lens; modes and genres;

representation, race, and identity; and evolving forms and formats. It brings together a range of scholars from across the globe who specialize in film and media studies, cultural studies, history, philosophy of history, and education. Together, the chapters provide a necessary contemporary analysis that covers new developments and questions that arise from the shift to digital screen culture. The book examines technological and ethical concerns stemming from today's media landscape, but it also considers the artificial construction of the boundaries between professional expertise and amateur production. Each contributor's unique approach highlights the necessity of engaging with moving images for the academic discipline of history. The collection, written for a global audience, offers accessible discussions of historiography and a compelling resource for advanced undergraduates and postgraduates in history, film and media studies, and communications.
