The Two Minute Rule Robert Crais,2006-02-21 From the author of *The Last Detective* and *Hostage*, comes a thriller featuring a father searching for vengeance in the City of Angels. But for an ex-con fresh on parole, finding answers in the corruption of the LAPD means asking for help from the person least expecting it: the FBI officer who put him away... Every seasoned criminal knows the two minute rule: the two minutes before the cops show up at the scene of a robbery. Keeping the rule means changing your life, breaking it means a lifetime in jail. But not everyone plays by the rules... When a decisive four minutes put Max Holman in prison, he spent the next decade planning one thing: reconciliation with his estranged son. Determined to put the past behind him, Max sets out on the morning of his parole only to discover his son, a cop, was gunned down in cold blood hours earlier. When the hit is exposed as a revenge killing, Max is determined to track down the murderer—at any cost. From the author that sets the standard of gripping, edgy suspense, *The Two Minute Rule* delivers all the surprising plot twists and powerful characters that make Robert Crais one of the top crime writers today.

2 Minutes Janene Loucks, 2013-03-04 Michael was considered a 'monster' by anyone who saw him and the Lavetti brothers wanted him dead. His facial disfigurements kept him indoors but his strong will kept him alive. He decided he wanted to become a writer, that way he could be loved and respected and not be seen. One after the other his manuscripts kept getting rejected but he doesn't know why until an editor takes pity on him and tells him he doesn't write with emotion. He decides to start walking around town to figure out what emotion is. On his way home one day, he gets jumped but doesn't know by whom. He blacks out. He waked up the next day in his apartment, clothes ripped and bloody but its not his blood. On his computer is a fully typed out book detailing his life up to that day but he didn't write it. The last paragraph says 'If you wish for fame and fortune, hit send and you will be famous. You have two minutes to decide'. He does it and he becomes exactly what the book says. A couple years later a second book shows up, this time it details his life now and soon to come. Again the same last paragraph shows up but this time it says if he hits send, everything in this book will happen. He does it again then soon realized one by one the Lavetti brothers are being killed off. The last book shows up a few years later, this time detailing his future. If he hits send, the last of his tormentors will die but so will his own wife. Does he do it? Has fortune and fame gone to his head or does the love he has for his wife conquer all?

Adjective of English Grammar 2 Minute Grammar class THOMAS WOOD,2021-01-01 Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class This book was begun as a result of the author's experience in teaching some classes in English in the night preparatory department of the Carnegie Technical Schools of Pittsburg. The pupils in those classes were all adults and needed only such a course as would enable them to express themselves in clear and correct English. English Grammar, with them, was not to be preliminary to the grammar of another language, and composition was not to be studied beyond the everyday needs of the practical man. Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class Great difficulty was experienced because of the inability to secure a text that was suited to the needs of the class. A book was needed that would be simple, direct, and dignified; that would cover grammar, and the essential principles of sentence structure, choice of words, and general composition; that would deal particularly with the sources of frequent error, and would omit the non-essential points; and, finally that would contain an abundance of exercises and practical work. Best English Grammar Book Learn English Grammar in Two Week (Revised Edition) Adjective of English Grammar 2 Minute Grammar class It is with these ends in view that this book has been prepared. The parts devoted to grammar have followed a plan varying widely from that of most grammars, and an effort has been made to secure a more sensible and effective treatment. The parts devoted to composition contain brief expositions of only the essential principles of ordinary composition. Especial stress has been laid upon letter-writing since this is believed to be one of the most practical fields for actual composition work. Because such a style seemed best suited to the general scheme and purpose of the book, the method of treatment has at times been intentionally rather formal.
