Jeremy Cahnmann, Owner of Brain Bash Trivia and Two-Time Geek Bowl Champion Graig Zethner's book is a rich gold mine of trivia tidbits in context. I began playing his weekly quizzes online, and while I was studying for the Jeopardy! Tournament of Champions, they became a regular addition to my trivia study regimen. Brief and well-spread over a representative group of trivia categories, one quiz at a time makes a good daily or weekly exercise, but his rich contextual feedback is what allows you to really learn. There are countless facts in my personal study notebook gleaned from the explanations of answers. Quite a treat having them all compiled in one easy to access place. - Anneke Garcia, Four-time Jeopardy! Champion (2019)

The one time I met Graig Zethner, I almost ran him over in a parking lot. (True story!) But he somehow survived and managed to produce this handy and voluminous trivia book! - Ken Jennings, Seventy-four-time Jeopardy! Champion (2004) This book is the real deal. It has a great mix of categories and questions for all levels of player. It's also the perfect book for an impromptu quiz game with your friends! - Jonathan Oakes, Host of Trivial Warfare Podcast and 2019 Trivia Hall of Fame Inductee Graig's weekly quizzes are entertaining, informative, and balanced every single time. I've become a devotee and try to never miss a set of questions. This book will make every aspect of your quizzing brain at least a little bit stronger. - Dustin Resch, Triviality: Bloodsport Season 1 Champion

Mr. Zethner showcases his masterful ear for brilliant trivia question writing as his weekly sets are just pure learning fun, clue-laden puzzles, well-researched packets of info and an eclectic mix of topics & cultural perspectives. It has become a bit of an exciting & satisfying weekly ritual for me to challenge myself with these questions as a barometer for my own trivia preparations and a vehicle for getting better at it as well. Highly recommended! - Jeffrey Seguritan, Trivia Tourist & Journalist

Graig's questions are one of my favorite ways to study. They're both challenging (while not impossible) and interesting - the hallmark of good trivia questions! - Wesley Wells, Team Trivia National Champion

Official Scrabble Quiz Game Book Robert Allen, 1997 This is a unique quiz game based on and licensed by Scrabble, the world's leading word game. It is a fascinating concept using classic elements of Scrabble gameplay in book form for the first time. The rules, like those of the board game, can be understood in five minutes, but the game itself will provide endless variety and fascination. Unlike the board game, The Official Scrabble Quiz Game Book can be carried anywhere and used easily. The book is laid out in a series of double-page spreads. Each left-hand page shows a Scrabble board and a list of the letters of the alphabet with their Scrabble values. Each right-hand page will have fifty questions or clues, each of which must be answered within a time limit with a single word. The players are allowed five minutes to study the questions and note down as many of the answers as possible. Each player selects a question from the list, answers it, and writes his or her answer on the page. As in the board game, the first player must start on the star square, and each subsequent answer must use one or more letters of an existing answer on the board area and must be positioned crossword style. Each player tries to find a question that (a) he can answer, and (b) will give him the highest score. Answers are provided in the back of the book. Any player may challenge another player's answer. When the official answer has been checked, the player (either challenger or challenged) who was wrong loses 10 points. Play continues until (a) all the questions have been answered, (b) no one can answer any more questions, or (c) no more words can be placed upon the board. To ensure that play continues for as long as possible, each quiz contains open questions-- questions that have more than one answer to unlock the game. The questions vary enormously -- from general knowledge and theme questions (history, sports, music, literature, etc) to tests of vocabulary (find synonyms, antonyms, definitions, etc). Like the board game
