Standards-based lessons in each unit develop the competencies included in CASAS, BEST Plus, EFF, SCANS, Model Standards, and other major curriculum frameworks and assessment systems. Teamwork, critical thinking, and community tasks promote cooperative learning, problem-solving, and civics connections. Diverse reading and writing activities include realia, narrative readings, and journal-writing to develop skills for daily life, self-expression, and academic advancement. Two Plus Two Equals Six Bobby Larson, 2000-07
Because of their success conducting a multi-state raid on a large narcotics empire, Arnie and Tom

are granted a three-month vacation. The first relief from the rigid and stressful life they have known for at least the last eight years. Journey with them in Tom's large motor home as they head south to Dreamland, a fabulous fishing and camping lake. You will feel the boys start to shed the stresses and pressures of their jobs and begin to live again. Crusty Old Cap Anderson shows these "city slickers" how to jug fish. Arnie meets Dorsey and Tom meets Celsy. They are widowed sisters. The girls' circle of friends open their arms to the insurance investigators from up north. Naturally, Arnie and his buddy fall in love with Dorsey and Celsy. It has been a glorious summer for them, but sadly the vacation comes to an end. The fellows are faced with a dilemma that can have only one solution. They must leave and go back to the danger and stress of their sworn commitment. You will want to read each word to learn why this book is titled Two Plus Two Equals Six. You will be surprised by the turn of events that make a happy ending.

Java 2 Primer Plus Steven Haines, Stephen Potts, 2002 Organized in an instructional style with review questions and projects, this book is based upon the new Java 1.4 platform. Haines uses the most recent examples and information from the technology industry to provide students with sound Java programming skills.
