**Tasty Jesus** Bryan Hurlbutt, 2013-10-28 Tasty Jesus deals with key cultural, philosophical, and theological representations of Christ that find expression in the North American church. Each of these respective cameos of Christ has colored the Christological understanding of many believers in the local assembly. We live in a society deeply embedded in a mindless individualism that is more concerned with a malleable Christ that suits their present taste than the Jesus of both the Bible and historic Christian orthodoxy. This book is at once a critique, a call, and a consideration. It is a critique of particular visions of Jesus that are embraced by specific subcultures, philosophical camps, and theological perspectives. It is a call to the local church, both its attendees and leadership, intended to awaken them to the problems with these various portraits in hope of stirring them to respond appropriately. It is a consideration of the primary ideological counterpoints to each view of Jesus, and a postulation of the best manner in which to equip believers in the local assembly to respond to each distortion of Jesus and live under the lordship of the real Christ. It is time to get Jesus out from under the tyranny of our personal tastes!

*A Tasty Dish* Kelly Cain, 2022-03-08 The show must go on... Kasi Blythewood has spent most of her life in the shadow of her famous film producer father who's deliberately kept her under his thumb with tough love. Ready to make a name for herself, Kasi secretly heads to Austin for a film conference to rustle up some financing for her dream project—an indie series that showcases cuisine from around the world. When Kasi meets chef Declan Everheart, it's instant lust spiced with an intriguing business opportunity. Declan's father, a Michelin star chef, is interested in funding her film, but there is a sexy string attached—Declan must be a producer on her series. Not ideal. Kasi craves independence, and she knows business and pleasure never mix well, but she's exhausted all other options. Declan's more than just eye candy and Kasi's not blind. She immediately discovers Declan's not just a natural producer and talented chef, he also shines on camera as the host. Can Kasi convince Declan to break away from his father and build the life he wants...with her?
