The Complicated Heart Sarah Mae,2019-09-17 How do you forgive when the wound is still open? People often ask Sarah, How did you forgive your alcoholic mother?" How do you forgive someone who carelessly brushed aside your pain, who caused such destruction, and who doesn't show remorse? How do you know when to stay and when to go? In *The Complicated Heart*, you will travel through Sarah's story with her, from age 14 and beyond, as she wrestles with these very questions. Prepare yourself: she holds nothing back. If you've struggled with a difficult relationship, if you've felt torn-up and crazy and confused because of it, if you just want to know how to move forward and be okay, this story is for you. Dysfunction does not have to be your destiny or your identity. Victory is on the table. What's more: you'll not only travel with Sarah, you'll travel with her mom as well as you read her mom's journal entries and letters. What goes on in the mind of the person who hurt you the most? In this story, you'll get a rare peek into that mind and heart. In these pages you'll be reminded that light always finds a way in, even in the deepest darkness, and redemption and joy are possible in the midst of trauma and unmet needs. If you want to learn how to forgive when your wound is still open, heal when circumstances don't change, and become a generational bondage-breaker, *The Complicated Heart* is for you. And if not for you, for someone you know. Pass it along.

Twenty Years Later Charlie Donlea,2021-12-28 "Excellent...Donlea tells a propulsive tale." – The New York Times The New York Times Best Thrillers This Season | E! NewsRecommended Books | Overdrive Biggest Books of the Month Fans of Verity by Colleen Hoover won't want to miss this thrilling new suspense novel from the #1 internationally bestselling author of *The Girl Who Was Taken!* Hiding her own dark past in plain sight, a TV reporter is determined to uncover the truth behind a gruesome murder decades after the investigation was abandoned. But TWENTY YEARS LATER, to understand the present, you need to listen to the past... Avery Mason, host of American Events, knows the subjects that grab a TV audience's attention. Her latest story—a murder mystery laced with kinky sex, tragedy, and betrayal—is guaranteed to be ratings gold. New DNA technology has allowed the New York medical examiner's office to make its first successful identification of a 9/11 victim in years. The twist: the victim, Victoria Ford, had been accused of the gruesome murder of her married lover. In a chilling last phone call to her sister, Victoria begged her to prove her innocence. Emma Kind has waited twenty years to put her sister to rest, but closure won't be complete until she can clear Victoria's name. Alone she's had no luck, but she's convinced that Avery's connections and fame will help. Avery, hoping to negotiate a more lucrative network contract, goes into investigative overdrive. Victoria had been having an affair with a successful novelist, found hanging from the balcony of his Catskills mansion. The rope, the bedroom, and the entire crime scene was covered in Victoria's DNA. But the twisted puzzle of Victoria's private life is just the beginning. And what Avery doesn't realize is that there are other players in the game who are interested in Avery's own secret past—one she has kept hidden from both the network executives and her television audience. A secret she thought was dead and buried . . . Accused of a brutal murder, Victoria Ford made a final chilling call from the North Tower on the morning of 9/11. Twenty years ago, no one listened. Today, you will. "Breathtaking pacing and clever plot twists." —Publishers Weekly "An entertaining thriller...surprises lurking around every corner." —Kirkus Reviews "A superb storyteller." —Robert Dugoni, New York Times bestselling author

The 6:20 Man David Baldacci,2022-07-12 A cryptic murder pulls a former soldier turned financial analyst deep into the corruption and menace that prowl beneath the opulent world of finance, in this #1 New York Times bestselling thriller from David Baldacci. Every day without fail, Travis Devine puts on a cheap suit, grabs his faux-leather briefcase, and boards the 6:20 commuter train to Manhattan, where he works as an entry-level analyst at the city's most prestigious investment firm. In the mornings, he gazes out the train window at the lavish homes of the uberwealthy, dreaming about joining their ranks. In the evenings, he listens to the fiscal news on his phone, already preparing for the next grueling day in the cutthroat realm of finance. Then one morning Devine's tedious routine is shattered by an anonymous email: She is dead. Sara Ewes, Devine's coworker and former girlfriend, has been found hanging in a storage room of his office building—presumably a suicide, at least for now—prompting the NYPD to come calling on him. If that wasn't enough, before the day is out, Devine receives another ominous visit, a confrontation that threatens to dredge up grim secrets from his past in the army unless he participates in a clandestine investigation into his firm. This treacherous role will take him from the impossibly glittering lives he once saw only through a train window, to the darkest corners of the country's economic halls of power . . . where something rotten lurks. And apart from this high-stakes conspiracy, there's a killer out there with their own agenda, and Devine is the bull's-eye.

The Day You Begin Jacqueline Woodson,2018-08-28 A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or

where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres!*)

Beeswing Richard Thompson,2022-03-29 Music legend Richard Thompson, who established the genre of British folk rock, re-creates the spirit of the 1960s as he reflects on his early years performing with the greats in an era of change and creativity.

Sunny Skies, Shady Characters James Dooley,2015-08-31 For thirty years starting in the mid-1970s, the byline of Jim Dooley appeared on riveting investigative stories of organized crime and political corruption that headlined the front page of Honolulu’s morning daily. In *Sunny Skies, Shady Characters*, James Dooley revisits highlights of his career as a hard-hitting investigative reporter for the Honolulu Advertiser and, in later years, for KITV television and the online Hawaii Reporter. His lively backstories on how he chased these high-profile scandals make fascinating reading, while providing an insider’s look at the business of journalism and the craft of investigative reporting. Dooley’s first assignment as an investigative journalist involved the city housing project of Kukui Plaza, which introduced him to the “pay to play” method of awarding government contracts to obliging consultants. In later stories, he scrutinized bloody struggles over illicit gambling revenue, the murder of a city prosecutor’s son, local syndicate ties to the Teamsters Union, and the dealings of Bishop Estate. His groundbreaking coverage of the forays by yakuza into Hawaii and the continental United States were the first of its kind in American journalism. As Dooley pursued stories from the underside of island society, names of respected public figures and those of violent criminals filled his notebook: entertainer Don Ho, U.S. Senator Daniel Inouye, Governors George Ariyoshi and Ben Cayetano, Mayor Frank Fasi, and notorious felons Henry Huihui, Nappy Pulawa, and Ronnie Ching. Woven throughout is the name of Big Island rancher Larry Mehau—was he the “godfather of organized crime” in Hawaii as alleged by the FBI, or simply an ex-cop who befriended power brokers in the course of doing business for his security guard firm? The book includes a timeline of Mehau’s activities to allow readers to judge for themselves.
