If You Can't Take A Joke... Gordon Gray,2014-08-28 From a 'baby salesman' in the UK marine market, to global success in the naval defence industry, Gordon Gray invites the reader to join him overseas as he recounts the trials and tribulations he faced as a naval salesman. This book describes many of the events and experiences that a salesman, operating in the international naval defence market, will come across in the course of daily life. Amusing incidents, successes and failures all contribute to the lessons Gordon learns as he is exposed to life in the global market. He picks up tips and tricks along the way and becomes accustomed to culture shock. Keen to learn the ropes from the start, Gordon is sent as far as Hong Kong, Malaysia, Thailand, South Korea and the Middle East. Business in the Middle East is very different from that in the Far East and whilst successes are achieved, they are rarely without immense patience and determination, rather than being due to the gift of the gab. From an initial dislike of India on his first visit in 1985, Gordon grows to love the country and develops a deep admiration for its industries and its people. As Gordon reflects on his nomadic life as a naval salesman, he concludes that a career in sales is often misunderstood and is by no means an experience that is suited to all. *If You Can't Take A Joke* is a captivating travel memoir that offers the reader an insight into the life of a salesman. This humourous adventure with a relaxed writing style will be enjoyed by readers of travel writing and individuals working in sales in any capacity.

Absolute Best Adult Party Jokes Team Golfwell, 2018-08-26 If you like adult jokes, you'll love this book. Great for Parties! "I'd buy joke books and try doing them at school; I always had jokes. That would be my go-to thing at parties: I'd be able to get through them if I just told enough jokes. Otherwise, I wouldn't end up talking to anybody." - Drew Carey Review from Alexander V. Ph.D. "I really enjoyed this book and I'm giving it high five. Of course, not all jokes in there gave me the jolt but there were many others which after reading still made me grin and giggle to myself like a doped Halloween pumpkin for quite a while. I have the suspicion some people around though I must have gone loony from too much work. So, the five stars are meant for those jokes. The jokes cover a broad range of topics and the reader will find a good one for just about any situation and conversation which will appeal for just about everyone. If you manage to memorize a few that would make it a handy addition to your arsenal of ice-breakers and conversation-rekindlers in case the situation seems completely frozen and awkward." Excerpt: An international flight

from Asia to the US was carrying 198 passengers but the crew, unfortunately, discovered an hour into the flight there were only 40 meals on the plane. After trying to figure out what to do, the Flight Crew came up with a solution. They advised the passengers, “We apologize to you and we are still trying to figure out how this occurred, but we have only 40 dinners on board, and we need to feed all 198 of you on this flight.” A loud muttering and moaning started amongst the passengers. The chief flight attendant continued to try and quiet everyone down, “Anyone who is kind enough to give up their dinner so someone else could eat, will receive unlimited free alcoholic beverages during the entire duration of the flight.” A second announcement was made two hours later, “If anyone wants to change their mind, we still have 40 dinners available.” All alphabetically arranged by topic, you’ll find a large assortment of enjoyable jokes, intriguing stories, thought-provoking quotes, and lots of humor in the 320+ pages. We leave the choice of jokes or stories you want to share up to you as individual humor and tastes vary. Sit back in a comfortable chair with your favorite beverage away from all distractions and get this book and enjoy reading this hilarious book!

501 Great Jokes for Kids 8 To 88 Alta Leah Emrick,2016-06-09 This is a joke book clean enough to do your laundry. It is for young people 8 to 88. A little history, please: Jokes are written, spoken, or done with physical actions such as a Pratt fall. Some are stories, gags, pranks, play on words, quips, japes, irony, or sarcasms. Whatever their method, jokes are done for the amusement and laughter of friends, family, and onlookers. Human laughter uses the abdominal muscles and releases endorphins; natural chemicals in the brain that make people feel good. Laughter helps people to cope (called survivor humor) during difficult times in their lives. Jokes have been around since 1900 B.C. The oldest joke was about farting from ancient Sumer. The oldest joke in Britain is a 1,000-year-old double-entendre. There are stereotypes: the absent-minded professor, the eunuch, and people with hernias or bad breath, black humor, and sarcasm. Professional humor and mathematical jokes are a form of in-joke, designed to be understood only by insiders in the field. Other stereotype jokes are blonde, Jewish, Arky, Polish, and religious. Self-critical humor targets the storytellers as laughing at themselves. Expected jokes are funny in them-selves. An elephant joke is a joke that is usually told in a riddle form. The Q&A joke, sometimes a common riddle, has questions like why did the chicken cross the road. These often use a pun or a spoonerism linking two entirely separate concepts, and still some jokes require a straight man.
