220 Fifth Street Patrick Meechan,2021-03-25 They say a house is a home, but it could also be a curse. A terrifying true story of a seemingly ordinary house in a small mid-western town, 220 Fifth Street rivals the all-time great novels of its genre. This time however, there is no Hollywood hype. The story is entirely true and will have you on the edge of your seat rethinking what you thought you knew about the spiritual realm and paranormal activity. In this second edition the continuing haunting is reinvestigated as the curse of 220 Fifth Street leaves a morbid trail of death, destruction, and horrific reoccurring events in its wake. All new information is included that makes this second edition even more terrifying than the previous version. You won't want to put it down!
