*Statewide Transportation Improvement Program 2012-2015* Iowa. Department of Transportation,2011 Iowa's Statewide Transportation Improvement Program (STIP) has been developed in conformance with the guidelines prescribed by 23 USC and 49 USC. The STIP is generated to provide the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) a listing of all projects that are candidates for federal aid from the FHWA and FTA for four federal fiscal years (FFY). Preceding the listings of federal-aid candidates are general comments concerning Iowa's public participation process for selection of federal-aid projects and the basis for funding the proposed projects. Documents evidencing the Iowa Department of Transportation's (Iowa DOT) authority to act concerning matters related to transportation, federal-aid expenditures and approvals of Metropolitan Planning Organizations' (MPOs) Transportation Improvements Programs (TIPs) have been provided in past STIP's and can be provided again upon request.

**Cash Not Care** Mo Stewart,2016-09-14 Mo Stewart is a former healthcare professional, a disabled female veteran and an independent researcher. This book is the culmination of six years of

self-funded research and the evidence exposes the influence of corporate America, since 1992, with the future welfare reforms of the UK. The impact of the enforced austerity measures of the UK government is identified, as they negatively affect the welfare and the survival of the chronically sick and disabled population in receipt of welfare benefits when unfit to work. The research has informed welfare reform debates in the House of Lords and the House of Commons since 2011 and contributed to the evidence used by the United Nations to investigate the UK government for breaches of the Human Rights of sick and disabled people. Endorsed by the disabled community and by academics, the research has identified the adoption of lethal social policies, copied from American social security policies, and linked to the death of thousands of the most vulnerable of all, as the UK welfare state is systematically demolished as all planned over thirty years ago by a previous Conservative government.
