*Mortgage Power - An Asset in the Making* Lloyd Streisand, 2013-09 In *Mortgage Power - An Asset in the Making*, I show you how to convert your mortgage-often your biggest liability-into what can become your biggest asset, and why you must do it for your financial future. I not only present the underlying theory behind the premise of modifying a mortgage to create wealth, but I also give you real-world examples, with numbers that add up to prove the astounding benefits. I show you how to manage and modify your mortgage, and in so doing how to create tremendous wealth and prosperity from something as basic as a mortgage. By making simple changes to your mortgage, you can ultimately create an asset that will provide you benefits long into your retirement-benefits that would otherwise be unavailable to you. *Mortgage Power* reveals how to buy a home with a limited down payment, how to build your mortgage team, how to navigate the mortgage process, why you should own and not rent, and why you should avoid a 30-year fixed rate mortgage like the plague.
