*The Book of Proverbs, Chapters 15-31* Bruce K. Waltke, 2005-03-15 Over twenty-five years in the making, this much-anticipated commentary promises to be the standard study of Proverbs for years to come. Written by eminent Old Testament scholar Bruce Waltke, this two-volume commentary is unquestionably the most comprehensive work on Proverbs available. Grounded in the new literary criticism that has so strengthened biblical interpretation of late, Waltke's commentary on Proverbs demonstrates the profound, ongoing relevance of this Old Testament book for Christian faith and life. A thorough introduction addresses such issues as text and versions, structure, authorship, and theology. The detailed commentary itself explains and elucidates Proverbs as theological literature. Waltke's highly readable style -- evident even in his original translation of the Hebrew text -- makes his scholarly work accessible to teachers, pastors, Bible students, and general readers alike.

**Communication Yearbook 31** Christina S. Beck, 2009-03-04 Communication Yearbook 31 continues the tradition of publishing rich, state-of-the-discipline literature reviews. This volume offers insightful descriptions of research as well as reflections on the implications of those findings for other areas of the discipline. Editor Christina S. Beck presents a diverse, international selection of articles that highlight empirical and theoretical intersections in the communication discipline. Chapters in this volume include reviews of literature on silence in dispute, communicating about cancer, interpersonal conflict, trauma, identity, work relationships,

communication and community, and media content diversity. This volume will be valuable to scholars across the communication discipline. Communication Yearbook 31 will be particularly beneficial to scholars in the areas of interpersonal, health, organizational, family, and intercultural communication; language and social interaction, and media studies.

**Give Unto Others** Donna Leon,2023-03-14 \*\*An Instant New York Times Bestseller\*\* Brunetti is forced to confront the price of loyalty, to his past and in his work, as a seemingly innocent request leads him into troubling waters What role can or should loyalty play in the life of a police inspector? It's a question Commissario Guido Brunetti must face and ultimately answer in Give unto Others, Donna Leon's splendid thirty-first installment of her acclaimed Venetian crime series. Brunetti is approached for a favor by Elisabetta Foscari, a woman he knows casually, but her mother was good to Brunetti's mother, so he feels obliged to at least look into the matter privately, and not as official police business. Foscari's son-in-law, Enrico Enzo, has alarmed his wife (her daughter) by confessing their family might be in danger because of something he's involved with. Since Enzo is an accountant, Brunetti logically suspects the cause of danger is related to the finances of a client. Yet his clients seem benign: an optician, a restaurateur, a charity established by his father-in-law. However, when his friend's daughter's place of work is vandalized, Brunetti asks his own favors--that his colleagues Claudia Griffoni, Lorenzo Vianello, and Signorina Elettra Zorzi assist his private investigation, which soon enough turns official as they uncover the dark and Janus-faced nature of a venerable Italian institution. Exploring the wobbly line between the criminal and non-criminal, revealing previously untold elements of Brunetti's past,

Give unto Others shows that the price of reciprocity can be steep.
