

The Daily Stoic Ryan Holiday, Stephen Hanselman, 2016-10-18 The beloved classic daily devotional of Stoic meditations—the only authorized print edition in the US and complete with a ribbon marker—with more than two million copies sold! Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Black Writers of the Founding Era (LOA #366) James G. Basker, Nicole Seary, 2023-12-12 A radical new vision of the nation's founding era and a major act of historical recovery Featuring more than 120 writers, this groundbreaking anthology reveals the astonishing richness and diversity of Black experience in the turbulent decades of the American Revolution Black Writers of the Founding Era is the most comprehensive anthology ever published of Black writing from the turbulent decades surrounding the birth of the United States. An unprecedented archive of historical sources—including more than 200 poems, letters, sermons, newspaper advertisements, slave narratives, testimonies of faith and religious conversion, criminal confessions, court transcripts, travel accounts, private journals, wills, petitions for freedom, even dreams, by over 100 authors—it is a collection that reveals the surprising richness and diversity of Black experience in the new nation. Here are writers both enslaved and free, loyalist and patriot, female and male, northern and southern; soldiers, seamen, and veterans; painters, poets, accountants, orators, scientists, community organizers, preachers, restaurateurs and cooks, hairdressers, criminals, carpenters, and many more. Along with long-famous works like Phillis Wheatley's poems and Benjamin Banneker's astonishing mathematical and scientific puzzles are dozens of first-person narratives offering little-known Black perspectives on the events of the times, like the Boston Massacre and the death of George Washington. From their bold and eloquent contributions to public debates about the meanings of the revolution and the values of the new nation—writings that dramatize the many ways in which protest, activism, and community organizing have been integral to the Black American experience from the beginning—to their intimate thoughts preserved in private diaries and letters, some unseen to the present day, the words of the many writers gathered here will indelibly alter our understandings of American history. A foreword by Annette Gordon-Reed and an introduction by James G. Basker, along with introductory headnotes and explanatory notes drawing on cutting edge scholarship, illuminate these writers' works and to situate them in their historical contexts. A 16-page color photo insert presents portraits of some of the writers included and images of the original manuscripts, broadside, and books in which their words have been preserved.

Day by Day on the Damascus Road William W. McDermet III,2013-06-24 These 366 reflections contain illustrations for faith and growth, inspiration and Bible study with application. Luke’s gospel contains this sentence, “Jesus answered, ‘You shall love the Lord your God with all your heart, and ... soul, and ... Strength, and ... mind.’” These reflections build upon those aspects of Christian growth, with emphasis on the “mind” part—the part we too often neglect. “Bill McDermet offers those who travel with him on the Damascus Road the bounty of a faithful ministry. Here are probing questions, thoughtful insights and observations, worthy and not-so-worthy examples, words of assurance, and calls to action shared with grace in 366 bit-sized portions.” –D. Newell Williams, President of Brite Divinity School, Texas Christian University “In this heartfelt work, McDermet provides a brief engaging reflection for every day of the year, which points the reader toward God. In sharing personal experiences as well as stories of biblical characters, the writer invites the reader to feel God’s presence and see a loving God’s guidance each day.” –Westbow Press

Counting the Days Leslie Rutkin,2012-05 Counting the Days is a cop story and a love story that took place in the era when corruption in the NYC police department was rampant, and the Knapp Commission was dominating headlines. Matthew Smith, a decorated cop, had been handed \$3000 after a drug bust - his share of the take. To accept the money would compromise his principles; not to take it would put his career in jeopardy. Either way he'd be in trouble. While on his honeymoon, Matthew was indicted on charges of grand larceny and went to prison for 366 days after refusing to turn state's evidence against corrupt cops in the anti-crime unit. Counting the Days, written by Matthew's wife, Leslie, based on more than 650 letters, cards and notes written by them while he was away, is the story of love and survival during a good cop's incarceration. A former prince of the street is trapped in the system he once championed, dealing with his own demons as well as befriending the kinds of men he had once locked up. It is a story of integrity, honor, commitment and true friendships - and most of all an enduring love. It is the story of Matthew's new role, that of ex-felon, never truly free no matter how far he travels from his time in prison.

The Fourth Hand John Irving,2010-07-16 “Imagine a young man on his way to a less-than-thirty second event – the loss of his left hand, long before he reached middle age.” The Fourth Hand asks an interesting question: “How can anyone identify a dream of the future?” The answer: “Destiny is not imaginable, except in dreams or to those in love.” While reporting a story from India, a New York television journalist has his left hand eaten by a lion; millions of TV viewers witness the accident. In Boston, a renowned hand surgeon awaits the opportunity to perform the nation’s first hand transplant; meanwhile, in the distracting aftermath of an acrimonious divorce, the surgeon is seduced by his housekeeper. A married woman in Wisconsin wants to give the one-handed reporter her husband’s left hand—that is, after her husband dies. But the husband is alive, relatively young, and healthy. This is how John Irving’s tenth novel begins; it seems, at first, to be a comedy, perhaps a satire, almost certainly a sexual farce. Yet, in the end, The Fourth Hand is as realistic and emotionally moving as any of Mr. Irving’s previous novels—including The World According to Garp, A Prayer for Owen Meany, and A Widow for One Year—or his Oscar-winning screenplay of The Cider House Rules. The Fourth Hand is characteristic of John Irving’s seamless storytelling and further explores some of the author’s recurring themes—loss, grief, love as redemption. But this novel also breaks new ground; it offers a penetrating look at the power of second chances and the will to change.
