Tuning the Human Biofield Eileen Day McKusick, 2021-09-07 • Provides a precise map of the energetic biofield that surrounds the body, showing where specific emotions, memories, traumas, and pain are stored • Details how to locate stored trauma in the biofield with a tuning fork and clear it • Winner of the 2015 Nautilus Silver Award When Eileen McKusick began offering sound therapy in her massage practice she soon discovered she could use tuning forks to locate and hear disturbances in the energy field, or biofield, that surrounded each of her clients. Passing the tuning forks through these areas in the biofield not only corrected the distorted vibrational sounds she was hearing but also imparted consistent, predictable, and sometimes immediate relief from pain, anxiety, insomnia, migraines, depression, fibromyalgia, digestive disorders, and a host of other complaints. Now, more than 20 years later, McKusick has fully developed her sound healing method, which she calls Biofield Tuning, and created a map of the biofield, revealing the precise locations where specific emotions, memories, ailments, and traumas are stored. In this book, McKusick explains the basics of Biofield Tuning practice and provides illustrations of her Biofield Anatomy Map. She details how to use tuning forks to find and clear pain and trauma stored in the biofield and reveals how the traditional principles and locations of the chakras correspond directly with her biofield discoveries. Exploring the science behind Biofield Tuning, she examines scientific research on the nature of sound and energy and explains how experiences of trauma produce "pathological oscillations" in the biofield, causing a breakdown of order, structure, and function in the body. Offering a revolutionary perspective on mind, energy, memory, and trauma, McKusick's guide to Biofield Tuning provides new avenues of healing for energy workers, massage therapists, sound healers, and those looking to overcome chronic illness and release the traumas of their past.

The Secret Code of Success Noah St. John, 2009-10-06 Americans spend more than \$11 billion a year on self-help products—everything from books to diet pills to career coaches to seminars. So why—with all this time, money, and energy being spent—are so few people living the life they really want? Why are millions of smart, talented, motivated people still going through life with one foot on the brake? Here's the real Secret: You don't need any more how-to-succeed information to reach your full potential. The problem isn't lack of motivation or lack of information. The real problem is that most people focus on the how-to aspects of success taught by traditional self-help programs, without coming to terms with what productivity expert Noah St. John calls your head trash—the

subconscious, emotional roadblocks that prevent people from acting on their real hopes, dreams, and ambitions. In this groundbreaking book, based on work with thousands of clients around the world, Noah St. John has created a remarkable, step-by-step approach that helps you achieve long-term happiness, success, and wealth. In *The Secret Code of Success*, you will learn how to: Eliminate the causes of self-sabotage and fear of success Allow yourself to make more money Remove stress while dramatically increasing personal productivity Improve relationships with coworkers, family, and friends Experience enhanced feelings of happiness, connection, and love *The Secret Code of Success* shows that, when it comes to success, the conscious mind is exactly the wrong place to start. It's only when we first conquer the self-sabotage of our subconscious (which accounts for 90 percent of our behavior) that we can truly begin to enjoy a life filled with success. This insight is at the core of *The Secret Code of Success* and leads to Noah's revolutionary 7-step method for eliminating these psychological obstacles. True financial freedom and personal success is possible at last! *The Secret Code of Success* shows you how to get your foot off the brake and start living the life you deserve.

Returning to Oneness Leslie Temple-Thurston, Brad Laughlin, 2020-11-02 There is a river of light, pure intelligence and love within each of us. When the river flows in its fullness, unimpeded from head to toe, we feel successful, happy, fulfilled and awake to our true nature as eternal, timeless beings. Unfortunately, often the river is merely a trickle. *Returning to Oneness* reveals the limitations that restrict the flow of light in the body and mind and shows us how to awaken more permanently to our full potential by using a series of simple keys, which are based in the ancient teachings of non-duality. Presented here in a clear, easy, user-friendly form, the Seven Keys (now Eight) offer a path out of our confusion and angst. Never before have the teachings of love, wisdom and unity consciousness been so greatly needed as they are now, as tools for navigating these extraordinary times of rapid, accelerating change. As revealed in this much-anticipated third edition, Earth and humanity are opening to new levels of spiritual power and awareness. We are experiencing a complex re-working of our old energy system into a dramatically new one that allows the physical body to tap fully into its vast multidimensionality. This radical overhaul of the body's subtle-physical anatomy heralds the emergence of both a completely new, integrated human being and a whole new planetary energy system. By activating and developing our direct connection to Source, we can not only survive but thrive amidst the challenges of today, including the assaults of our increasingly stressful, chaotic and toxic environment. This book contains many practical exercises, prayers and meditations to help us reach new, ascended states of consciousness—and live healthy, productive and fulfilling lives.
