**Investigator's Manual** James T. Born,2018-10-22 The world of law and investigations are truly a wonderful marriage. The author felt that over fifty years ago, as he walked up the steps of the Los Angeles Police Academy, when he first entered into a career in law enforcement. Jim, as he prefers to be called, enjoyed this new world and endeavored to learn everything he could about it. During his career, Jim attended 88 investigative training programs and completed 38 law enforcement related correspondence courses. In his spare time, he managed to obtain his Associates in Arts Degree in Police Science and his Bachelors of Science Degree in Criminal Justice Administration. Today, he is a District Court Certified Forensic and Fingerprint Expert; and has held a California State Private Investigators License for over 40 years. Jim has taught Crime Scene Technology to law enforcement officers throughout the United States. In his giveback to those who want to enter into the field of law enforcement, or private investigation, he wrote his Manual. Come with him into this new world, and give back to your community through knowledge and practice of what you learn within the covers of this book.
