Logo Design Love David Airey, 2009-12-20 There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In *Logo Design Love*, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer. Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last

Pilgrim at Tinker Creek Annie Dillard, 2009-10-13 Winner of the Pulitzer Prize "The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel." — Eudora Welty, New York Times Book Review *Pilgrim at Tinker Creek* is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of beauty tangled in a rapture with violence. Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

Theory U C. Otto Scharmer, 2009-01-01 Shows how leaders can access the deepest source of inspiration and vision • Includes dozens of tested exercises, practices, and real-world examples We live in a time of massive institutional failure, one that requires a new consciousness and a new collective leadership capacity. In this groundbreaking book, Otto Scharmer invites us to see the world in new ways and in so doing discover a revolutionary approach to leadership. What we pay attention to and how we pay attention is key to what we create. What prevents us from attending to situations more effectively is that we aren't fully aware of and in touch with the inner place from which attention and intention originate. This is what Scharmer calls our blind spot. By moving through Scharmer's U process, we consciously access the blind spot and learn to connect to our authentic Self—the deepest source of knowledge and inspiration—in the realm of "presencing," a term coined by Scharmer that combines the concepts of presence and sensing. Based on ten years of research and action learning and interviews with over 150 practitioners and thought leaders, *Theory U* offers a rich diversity of compelling stories and examples and includes dozens of exercises and practices that allow leaders, and entire organizations, to shift awareness, connect with the best future possibility, and gain the ability to realize it.

Death and Eternal Life John Hick, 1994-01-01 In this cross-cultural, interdisciplinary study, John Hick draws upon major world religions, as well as biology, psychology, parapsychology, anthropology, and philosophy, to explore the mystery of death. He argues that scientific and philosophical objections to the idea of survival after death can be challenged, and he claims that human inadequacy in facing suffering supports the basic religious argument for immortality.

BMW i Andreas Braun,2018 Electromobility is the key topic when it comes to our mobility in the future. The BMW Group is Germany's main pioneer in the field, so what does its vision look like? This volume presents for the first time an in-depth portrait of BMW i's workshop of ideas and describes the concern's multi-faceted concept for sustainable and visionary mobility and even autonomous driving. Superb close-ups and design drawings introduce all models from the BMW i3 and the BMW i8 to the BMW i Vision Dynamics.--Back cover

Popular Science ,2000-12 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Absolutely Beautiful Things Anna Spiro,2014 'I believe in the concept of the more you layer the better. I'm a maximalist, not a minimalist.' In *Absolutely Beautiful Things*, designer Anna Spiro shares secrets from her life in decorating, gives practical details on how to work with pattern and colour, and provides a room-by-room guide to furniture choice. With Anna's help, you'll find beauty in unexpected places, see your old belongings in a new light, and have the confidence to put together a layered and very individual home using elements you love.

Dear Justyce Nic Stone,2022-01-04 The stunning sequel to the #1 New York Times bestseller *Dear Martin*. Incarcerated teen Quan writes letters to Justyce about his experiences in the American juvenile justice system. Perfect for fans of Jason Reynolds and Angie Thomas. In the highly anticipated sequel to her New York Times bestseller, Nic Stone delivers an unflinching look into the flawed practices and silenced voices in the American juvenile justice system. Vernell LaQuan Banks and Justyce McAllister grew up a block apart in the Southwest Atlanta neighborhood of Wynwood Heights. Years later, though, Justyce walks the illustrious halls of Yale University . . . and Quan sits behind bars at the Fulton Regional Youth Detention Center. Through a series of flashbacks, vignettes, and letters to Justyce--the protagonist of *Dear Martin*--Quan's story takes form. Troubles at home and misunderstandings at school give rise to police encounters and tough decisions. But then there's a dead cop and a weapon with Quan's prints on it. What leads a bright kid down a road to a murder charge? Not even Quan is sure. A powerful, raw, must-read told through the lens of a Black boy ensnared by our broken criminal justice system. -Kirkus, Starred Review

The Art of Gears 5 The Coalition Studio,2019-09-10 Over 200 pages of gorgeous art that delves into the characters, settings, and equipment of *Gears 5*--all collected in a full-color digital tome! Unearth the origins of the Swarm and journey across the war-torn and diverse landscapes of Sera while exploring art from the first *Gears* game to be headed by Kait Diaz. This bold new chapter in the *Gears of War* series is examined in fastidious detail, chronicling the development of the action-packed game with art that spans from early concepts to polished renders. Dark Horse Books and The Coalition proudly join to present *The Art of Gears 5*, diving into the sunken ruins of the ancient Locust horde, and peering at in-depth collections of art from the enthralling world, captivating characters, and distinctive weapons of *Gears 5*!

Advanced and Performance Driving Reg Local,2015-04-02 Reg Local is an ex-police driving instructor. With a number of years operational experience as a traffic officer and several years teaching police drivers at standard and advanced level, including pursuit tactics and VIP protection driving, he has a wealth of experience to share with the reader. In this book, Reg explores not only the practical skills required by a good driver, but also the mental aspects of driving in a wide range of scenarios. As well as exploring overtaking, cornering, acceleration and braking sense, Reg has included chapters on emergency response driving, motorway driving, dealing with the mistakes of others and how to check your own abilities in a realistic way. The book is useful for drivers at any stage in their driving career, from the newly qualified driver to the experienced emergency services driver and everyone in between. The book can be read on its own, or as part of a course of advanced instruction. It complements other driving manuals, especially the police driving manual - Roadcraft.

Subpar Parks Amber Share,2021-07-13 ****A New York Times Bestseller!**** Based on the wildly popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

Take Your Turn, Teddy Haley Newlin,2021-03 No one knows your darkness like your own Shadow. Nothing has been normal for Teddy, not since discovering the harsh identity of the monster he had been living with his whole life-his own father. Teddy and his mother leave that behind to start over in a small Indiana township. But as Teddy begins to learn of humanity's monsters, he unveils an otherworldly evil he calls The Shadow. The Shadow tests Teddy's vulnerability and growing sense of isolation, poisoning his mind and conjuring a vile killer-in-the-making. A year later, Officer Leonard Strode is called in to offer consultation on a case similar to the most brutal and scarring of those he's worked on before. One is the case of Jackie Warren, the other, Theodore Teddy Blackwood - two missing children. As he and two other officers follow the trail of clues, Strode is haunted by the ghosts of his own past and is horrified to find them wreaking havoc on his present. When both Teddy and Strode finally meet face-to-face, they must confront their inner darkness as well or else be consumed by it.

The BMW 2002 Jacqueline Jouret,2019-08-12 A development history of the BMW 2002, from the first sketches in 1960 to the final cars of 1976, with an emphasis on the engineers, designers and executives who created it.

Bestest Dad Ever Summersdale,2012-05 'My father had a profound influence on me: he was a lunatic' Spike Milligan You know your dad is simply the best, so make his day with this book of witty, ribtickling quotations for the Bestest Dad Ever.

Storytelling on Steroids John Weich,2014-01-28 John Weich pinpoints the iconic 'moments' that helped transform storytelling from a fringe communication movement into a pop culture phenomenon.

North American Rockwell T-2 Buckeye Steve Ginter,1987-01-01 The photos in this edition are black and white. First published in 1987, the T-2 Buckeye book covers the development of this all-purpose jet trainer from the Navy's solicitation to industry in 1956 through its operations and squadron usage with the US Navy, Marines, Venezuela and Greece. It was originally built as a single engine jet, the T2J-1/T-2A, but had inadequate power. A second engine was added and it became the over-powered T-2B. It was a tremendously over-designed and robust aircraft, perfect for students and virtually impervious to excess Gs. Late in life it was used as a spin trainer for fleet Tomcat pilots. 137 photos and 33 illustrations.

Your Mobile Expectations Olafur Eliasson,2008 As part of its BMW H2R research project, Studio Olafur Eliasson presents extensive visual material; excerpts from two seminars held in 2006/07; and conversations between designers and theorists. Finally, the 'climate car' consists of a car with a surface of layers of ice which has to be at -6 degrees Celsius.

Run Like Duck Mark Atkinson,2018-11-15 Self-proclaimed 'fat git' Mark still doesn't know why he suddenly said yes when his mate asked him to

go for a run. Three years later, Mark is completing ultramarathons. Follow him as he makes every running mistake possible and guides you from couch through ouch to success! Book jacket.

Jelly Mongers Sam Bompas, Harry Parr, 2011 Bompas and Parr are purveyors of wildly creative gelatin delights and present some of their finest recipes here. These treats are known as gelatin in the U.S., but are commonly called jelly elsewhere.

Designing Here Now Allan Chochinov, 2014-09-16 An ambitious global compendium of the most thoughtful and innovative design objects invented or produced in the past five years, compiled by experts at Core 77 It is difficult to keep pace with the most relevant design innovations, but Core 77 has been presenting the design world's best work since 1995. Considered by some to be one of the very first online magazines, Core 77 works with many of the leading design agencies and design-led companies, such as Apple, Nike, Philips, DuPont, Braun, and many others. For the past several years, it has hosted a unique set of design awards, juried by the world's design experts, which has attracted a dazzling spectrum of international practices. From consumer products to speculative ventures, from transportation to visual communication, from design writing to food design, the entrants and winners of the Core77 Design Awards capture the spirit and preoccupations of the design industry, and the best work chosen by panels of jury members that include design luminaries from the U.S., Europe, India, and China. Designing Here/Now includes over 500 objects at the leading edge of all fields of design, presented in topical categories and selected by the world's most influential critics, curators, and educators.
