Musical Robots and Interactive Multimodal Systems Jorge Solis,Kia

Ng,2011-07-25 Musical robotics is a multi- and trans-disciplinary research area involving a wide range of different domains that contribute to its development, including: computer science, multimodal interfaces and processing, artificial intelligence, electronics, robotics, mechatronics and

more. A musical robot requires many different complex systems to work together; integrating musical representation, techniques, expressions, detailed analysis and controls, for both playing and listening. The development of interactive multimodal systems provides advancements which enable enhanced human-machine interaction and novel possibilities for embodied robotic platforms. This volume is focused on this highly exciting interdisciplinary field. This book consists of 14 chapters highlighting different aspects of musical activities and interactions, discussing cutting edge research related to interactive multimodal systems and their integration with robots to further enhance musical understanding, interpretation, performance, education and enjoyment. It is dichotomized into two sections: Section I focuses on understanding elements of musical performance and expression while Section II concentrates on musical robots and automated instruments. Musical Robots and Interactive Multimodal Systems provides an introduction and foundation for researchers, students and practitioners to key achievements and current research trends on interactive multimodal systems and musical robotics.

Pentascle Pro, Book 1 Melody Bober,Gayle Kowalchyk,E. L. Lancaster, These first books in Alfred's Lesson Enhancement Series introduce students to all major and minor five finger patterns in all 12 keys. The pentascales are divided into similar groups to promote ease in learning. Book 1 includes the Group 1 Keys (C, G, F major and minor) and the Group 2 Keys (D, A, E major and minor). Book 2 includes the Group 3 Keys (D-flat, A-flat, E-flat major and minor) and the Group 4 Keys (B-flat, B, G-flat or F-sharp major and minor). In each book, technical exercises are provided in each key with an interesting teacher accompaniment. A short solo is included for each key, in addition to an optional teacher duet accompaniment. Two or three of these solos can be grouped together for variety in performance.
