GUI Design Shan ben tu shu,2015 As technology has rapidly advanced, so too has the way we use and interact with it. Gone are the days of flat black backgrounds dotted with blocky green text; now, users expect a massive range of colors, layouts, and fonts to be used to entertain and assist them in their daily lives. GUI Design assembles the best of recent graphic user interface for a collection that provides practical encouragement for those new to the world as well as inspiration for experienced designers. The book gathers Twitters Vine video creation app for Windows phones, the vulgar-yetamusing Authentic Weather app, an application designed to help tourists follow the physical and ideological path of the Iron Curtain, and more to showcase programs that balance information flow with user experiences and highlight the creativity, inspiration, and expressive techniques used in their design. The projects within demonstrate the increasingly significant role of user interfaces in both design and our everyday lives in the modern world.

Lectures on the Book of Acts H. Ironside, 2016-04-13 THE book of Acts is the story of early-day Christianity. This book gives us a great many principles that should guide us in Christian effort at the

present time. One is reminded of the Lord's word to Moses when He commanded him to build the tabernacle: Look that thou make them after their pattern which was showed thee in the mount (Exod. 25:40). God has given us in the book of Acts a pattern of Christian testimony, missionary effort, world evangelism and building of Christian churches—a pattern which we would do well to follow. Certainly we can be assured of this: the closer we come to ordering all things according to this holy pattern, the greater blessing will attend our efforts.

Mornings with Tozer A. W. Tozer, 2015-04-17 Let the morning bring me word of your unfailing love, for I have put my trust in you. Many of these 365 devotional readings come from sermons Tozer preached close to his death in 1963, marking them with a deep concern for spiritual intimacy and true worship. He urges you to pursue God, confess sin, pray fervently, and seek the Spirit. Let this book be a garnish in your feast of God's Word. As you welcome the morning light and all the sights and sounds of the new day, let Mornings with Tozer awaken your heart.

FUNNY EPITAPHS Arthur Wentworth Eaton,2024-01-11

If I Were God Forough Farokhzad,2008-08 Forough Farokhzad (1935-1967) is a legendary and controversial figure whose poetry has been repeatedly banned in Iran. Farokhzad was both celebrated and condemned for writing candidly about love, sex, politics, organized religion and the plight of the individual. Her death in an automobile accident at the age of thirty-two cut short a brilliant and tempestuous life, eloquently portrayed in the poems, interviews, and letters collected here. A foreword by Andre Dubus and a trio of insightful essays by translator Meetra A. Sofia provide the historical and cultural context for understanding the revolutionary nature of Farokhzad's life and work, which continues to inspire generation after generation to memorize her poetry and to regard Farokhzad as an iconic symbol of personal freedom.
