At Home in the World Joyce Maynard, 2010-04-01 New York Times bestselling author of *Labor Day* With a New Preface When it was first published in 1998, *At Home in the World* set off a furor in the literary world and beyond. Joyce Maynard's memoir broke a silence concerning her relationship—at age eighteen—with J.D. Salinger, the famously reclusive author of *The Catcher in the Rye*, then age fifty-three, who had read a story she wrote for *The New York Times* in her freshman year of college and sent her a letter that changed her life. Reviewers called her book shameless and powerful and its author was simultaneously reviled and cheered. With what some have viewed as shocking honesty, Maynard explores her coming of age in an alcoholic family, her mother's dream to mold her into a writer, her self-imposed exile from the world of her peers when she left Yale to live with Salinger, and her

struggle to reclaim her sense of self in the crushing aftermath of his dismissal of her not long after her nineteenth birthday. A quarter of a century later—having become a writer, survived the end of her marriage and the deaths of her parents, and with an eighteen-year-old daughter of her own—Maynard pays a visit to the man who broke her heart. The story she tells—of the girl she was and the woman she became—is at once devastating, inspiring, and triumphant.

The Best of Us Joyce Maynard, 2018-09-11 The San Francisco Chronicle's Best of the Year List Indie Next Pick For Reading Groups From New York Times bestselling author Joyce Maynard, a memoir about discovering strength in the midst of great loss--heart wrenching, inspiring, full of joy and tears and life. (Anne Lamott) In 2011, when she was in her late fifties, beloved author and journalist Joyce Maynard met the first true partner she had ever known. Jim wore a rakish hat over a good head of hair; he asked real questions and gave real answers; he loved to see Joyce shine, both in and out of the spotlight; and he didn't mind the mess she made in the kitchen. He was not the husband Joyce imagined, but he quickly became the partner she had always dreamed of. Before they met, both had believed they were done with marriage, and even after they married, Joyce resolved that no one could alter her course of determined independence. Then, just after their one-year wedding anniversary, her new husband was diagnosed with pancreatic cancer. During the nineteen months that followed, as they battled his illness together, she discovered for the first time what it really meant to be a couple--to be a true partner and to have one. This is their story. Charting the course through their whirlwind romance, a marriage cut short by tragedy, and Joyce's return to singleness on new terms, *The Best of Us* is a heart-wrenching, ultimately life-affirming reflection on coming to understand true love through the experience of great loss.

Get Up and Live Chuck Keels, Hannah Keels, 2021-09-16 If you had told Chuck and Hannah a few years ago that they would find true love after getting diagnosed with Stage 4 cancer, and that their journey together would impact so many peoples' lives all over the world, they would have both laughed. *Get Up and Live* is the play-by-play narrative of how two Stage 4 cancer thrivers connected in divine circumstances, battled through a roller-coaster ride of cancer treatments, surgeries, and pain, and learned to face each wave head-on, together. The past five years of Hannah's life have challenged her both mentally and physically. Despite experiencing major loss and several spinal fractures requiring major surgery, her dynamic spirit and big smile light up the room. For most of his life, Chuck felt spiritually lost, having experienced a church upbringing that missed the most important aspect of Christianity: a personal relationship with Jesus. He struggled for years until he experienced a Stage 4 end-of-life cancer diagnosis. Jesus showed up and touched him, and redirected Chuck's passion and purpose in life, blessing him with Hannah as his partner and wife. As co-founders of Living Hope Cancer Foundation (www.GetUpandLive.org), Chuck and Hannah work to fill a niche that is missing in the cancer field: the healing power of a positive mindset. Their individual books, *Hi...I'm Chuck* and *Faith Like Skin*, were written before they met and have inspired so many people, with and without cancer. *Get Up and Live* is the sequel of sorts, telling of their miraculous meeting, and how Chuck and Hannah's faith has given them strength in their unbelievable journey.

Whether through a short or long miracle, their purpose in this beautiful life is to get closer to Jesus and show everyone how to get up and live despite life's challenges.

Of Blood and Bone Nora Roberts,2018-12-04 Nora Roberts, the #1 New York Times bestselling author of the epic Year One returns with *Of Blood and Bone*, a new tale of terror and magick in a brand new world. They look like an everyday family living an ordinary life. But beyond the edges of this peaceful farm, unimaginable forces of light and dark have been unleashed. Fallon Swift, approaching her thirteenth birthday, barely knows the world that existed before—the city where her parents lived, now in ruins and reclaimed by nature since the Doom sickened and killed billions. Traveling anywhere is a danger, as vicious gangs of Raiders and fanatics called Purity Warriors search for their next victim. Those like Fallon, in possession of gifts, are hunted—and the time is coming when her true nature, her identity as The One, can no longer be hidden. In a mysterious shelter in the forest, her training is about to begin under the guidance of Mallick, whose skills have been honed over centuries. She will learn the old ways of healing; study and spar; encounter faeries and elves and shifters; and find powers within herself she never imagined. And when the time is right, she will take up the sword, and fight. For until she grows into the woman she was born to be, the world outside will never be whole again.

Letting God Be Enough Erica Wiggenhorn,2021-09-07 Everyone thinks you've got it together. But inside, you're asking, "Am I enough?" No matter how good we look to others, the nagging voice of self-doubt is hard to shake. We ask questions like: If people really knew me would they still accept me? Will I be rejected when I can't perform? Can I pull this off? What if I end up alone? Am I missing out on what life should be because I can't shake this fear? If you find yourself having thoughts like these, Erica Wiggenhorn wants to lead you to freedom. Drawing from the story of Moses—the greatest self-doubter in the Bible—Erica shows how self-doubt is tied closely to self-reliance. It's only when you cast yourself on God that you find the true source of strength. Are you enough? The answer is no . . . but your God certainly is. Step out in His power instead of your own and watch your confidence blossom because you're in the hands of I AM.

The Curse of Cain J. Mark Powell,L.D. Meagher,2006-04-04 On April 14, 1865 John Wilkes Booth assassinated President Abraham Lincoln at Ford's Theater, or so the history books tell us ... but what if there was a second gunman who actually pulled the trigger? *The Curse of Cain* Like *The Day of the Jackal*, *The Eagle has Landed*, and *The Key to Rebecca*, *The Curse of Cain* is the cat and mouse story of a ruthless professional assassin hired to kill the Union President and the Confederate agent dispatched by Jefferson Davis to thwart his plan. Like Forsyth's *Jackal*, Follett's *Needle*, and Higgins's *Devlin*, the assassin-Basil Tarleton-is a charming agent of death. Jack Tanner-a Confederate era Jack Ryan, is willing to forego matters of the heart in order to carry out his mission and save the life of the President of an opposing nation. Set in the closing weeks of the Civil War and against the backdrop of the notorious Lincoln conspiracy (and subsequent cover-up) as well as the actual Confederate intelligence network that existed in Washington, D.C. at the time, Powell and Meagher tell a heart-stopping tale of suspense and intrigue. This dangerous mission follows assassin and pursuer, as they close in on their targets

in enemy territory where exposure means certain death. The Curse of Cain races to the page-turning climax on that fateful night at Ford's Theater. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Blue Hole Back Home Joy Jordan-Lake,2010 In a time when America was well beyond the Civil Rights era, Shelby Lenoir Maynard discovered, in a simple gesture of extending friendship to the new girl in town, just how deep ignorance--and hatred--can burn.
