Finn no doubt saved Dave's life, but the race was on to try and save Finn's. Dave Wardell's heartfelt memoir charts an incredible journey of friendship and loyalty. It is a celebration of the bond between one man and his dog, from when Dave collected Finn from his kennels at just nine months old, all the way through to Finn's recent and hard-earned retirement. The book charts the career of a highly trained, highly decorated dog. In his time on the job Finn tracked offenders of all kinds; found missing children; tackled armed offenders; saved lives. The Island of Sea Women Lisa See, 2019-03-05 THE NEW YORK TIMES BESTSELLER "A mesmerizing new historical novel" (O, The Oprah Magazine) from Lisa See, the bestselling author of *The Tea Girl of Hummingbird Lane*, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective, led by Young-sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also

danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. The Island of Sea Women takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother's position leading the divers in their village. Little do the two friends know that forces outside their control will push their friendship to the breaking point. "This vivid...thoughtful and empathetic" novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. "A wonderful ode to a truly singular group of women" (Publishers Weekly), The Island of Sea Women is a "beautiful story...about the endurance of friendship when it's pushed to its limits, and you...will love it" (Cosmopolitan).

The Unlikely Thru-Hiker Derick Lugo, 2019 Derick Lugo had never been hiking. He didn't even know if he liked being outside all that much. He certainly couldn't imagine going more than a day without manicuring his goatee. But with a job overseas cut short and no immediate plans, this fixture of the greater New York comedy circuit began to think about what he might do with months of free time and no commitments. He had heard of the Appalachian Trail and knew of its potential for danger and adventure, but he had never seriously considered attempting to hike all 2,192 miles of it. Then again, what could go wrong for a young black man from the city trekking solo through the East Coast backwoods? *The Unlikely Thru-Hiker* is the story of how an unknowing ambassador of one of the AT's least common demographics, unfamiliar with both the outdoors and thru-hiking culture, sets off with an extremely overweight pack and a willfully can-do attitude to conquer the infamous trail. What follows are eye-opening lessons on preparation, humility, race relations, and nature's wild unpredictability. But this isn't a hard-nosed memoir of discouragement or intolerance. What sets Lugo apart from the typical walk in the woods is his refusal to let any challenge squash his inner Pollyanna. Through it all, he perseveres with humor, tenacity, and an unshakeable commitment to grooming--earning him the trail name Mr. Fabulous--that sees him from Springer Mountain in Georgia to Katahdin in Maine.

No Book but the World Leah Hager Cohen, 2015-04-07 A lush, gripping,

psychologically complex novel that asks: How much do siblings owe one another? At the edge of a woods, on the grounds of a defunct “free school,” Ava and her brother, Fred, share a dreamy and seemingly idyllic childhood—a world defined largely by their imaginations, a celebration of curiosity and the natural environment, and each other’s presence. Their parents, progressive educators, believe passionately that children develop best without formal instruction or societal constraint. Everyone is aware of Fred’s oddness—the word “autism” is whispered—but his parents’ fierce disapproval of labels keeps him free of clinical evaluation, diagnosis, or intervention, and constantly at Ava’s side. Decades later, Fred is arrested for a shocking crime, and Ava is frantic to piece together the story of what actually happened. A boy is dead. Fred is held in a county jail. But could he really have done what he’s accused of? By now their parents are long gone, and the siblings have fallen out of touch, which causes Ava considerable guilt. Who is left to reach Fred? To explain him and his innocence to the world? Convinced that she alone can ensure he is regarded with sympathy, Ava tells their enthralling story. A writer of enormous craft, Leah Hager Cohen brings her trademark intelligence and storytelling to a psychologically gripping, richly ambiguous novel that suggests we may ultimately understand one another best not with facts alone, but through our imaginations.

A Village Lost and Found Elena Vidal Brian May, Elena Vidal, 2009-10-22 An Annotated Tour of the 1850s series of Stereo Photographs Scenes in our Village by T.R. Williams This book is the perfect antidote to the stress of life in the 21st Century. It portrays the idyll of life in an 1850s village, far from the sound of the train's whistle. The identity of the village was lost to the world for 150 years, and only by a miracle does this magical set of stereoscopic views survive, brought together for the very first time by Brian May and his co-author, photohistorian Elena Vidal. Their research is amazingly in-depth, but the book

is utterly readable, and the pictures leap into glorious 3-D, viewed in the new focussing stereoscope which May has designed and produced, to bring the stereos to life, and then fold neatly into the slip-case of the book. The book gives an extraordinary insight into everyday village life at the time - with a woman at her spinning wheel, the blacksmith outside his smithy, three men at the grind stone sharpening a tool, the villagers in the fields, bringing in the harvest as well as often taking time to enjoy a good gossip. In every case the original verse which accompanied the view is reproduced. In addition, May and Vidal have researched and annotated all the views, revealing another layer of meaning, by exploring the history of these real characters, this idyllic village and its links with the present day. The result is a powerfully atmospheric and touching set of photographs. A Village Lost and Found brings master pioneering stereographer T. R. Williams's passionate life-work Scenes in Our Village to a new audience - in glorious 3-D, as never before. For an Electronic Press Kit for A Village Lost and Found [click here](#)
