Million Dollar Weekend Noah Kagan, 2024-01-30 AN INSTANT NEW YORK TIMES BESTSELLER The founder and CEO of AppSumo.com, Noah Kagan, knows how to launch a seven-figure business in a single weekend—and he's done it seven times. *Million Dollar Weekend* will show you how. Now is the best time in history for entrepreneurship. More than ever, the world needs new businesses and it's cheaper than ever to create them. And, let's be frank: most day jobs suck. People spend too much time doing too much work for too little money—and they know it. They want out. But, if the barriers to starting a business are getting lower and lower, why is it SO HARD TO DO for SO MANY PEOPLE? Why are there so many wantrepreneurs playing at business on social media and so few entrepreneurs actually running them? Ask yourself: Do you want to work for yourself, or start a side-hustle, but it all feels too risky and unpredictable? Have you spent time or money on things like websites and logos, but still have no customers? Are you brainstorming endlessly and waiting for the perfect idea to strike? All those Frequent Excuses are solvable. The plan is simple—so simple it can be completed in a single weekend, but so powerful that Kagan has used it to build seven businesses now worth more than \$1 million: Find your Creator's Courage to overcome your fear and have fun! Use the Million Dollar Weekend Process to get customers EXCITED to give you money. Automate your business so it can grow while you sleep. By Monday, you'll have a market-tested, scalable business idea and you'll be a entrepreneur on the path to seven figures. *Million Dollar Weekend* is the path to creating your dream life and attaining financial freedom. LFG.

The Guyde Howie Reith, 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the law of attraction. You won't be reading anecdotes telling you about my successes or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet

potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and ghosting. You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Behold the Dawn K. M. Weiland,2009-08 Acclaim for *Behold the Dawn* Enough action to satisfy the adventure lover; enough impossible awakening love to satisfy the romantic; enough research to satisfy the historian, enough intrigue, betrayal and murder to satisfy the mystery lover, and enough mercy and forgiveness to satisfy the Christ-follower.-Jeannie Campbell, *The Character Therapist* I consider literary-induced insomnia, inspiring writing, and mild fictional character obsession the marks of a great story. K.M. Weiland's thrilling historical fiction novel, *Behold the Dawn*, provides all of the above.-Kerry Johnson Meticulously researched and so beautifully written, it reads like poetry.-S.L. Coelho About the Book The vengeance of a monk. The love of a countess. The secrets of a knight. Marcus Annan, a knight famed for his prowess in the deadly tourney competitions, thought he could keep the bloody secrets of his past buried forever. But when a mysterious crippled monk demands Annan help him wreak vengeance on a corrupt bishop, Annan is forced to leave the tourneys and join the Third Crusade in the Holy Land. Wounded in battle and hunted on every side, he agrees to marry-in name only-the traumatized widow of an old friend, in order to protect her from the obsessive pursuit of a mutual enemy. Together, they escape an infidel prison camp and flee the Holy Land. But, try as he might, he cannot elude the past-or his growing feelings for the Lady Mairead. Amidst the pain and grief of a war he doesn't even believe in, he is forced at last to face long-hidden secrets and sins and to bare his soul to the mercy of a God he thought he had abandoned years ago. More Praise for *Behold the Dawn* ...there is a beauty in the way her theme emerges naturally and powerfully from within the story. Really, the story has much of the gut-wrenching drama and emotional roller-coaster ride of a Shakespearean play.-William Polm Marcus Annan is a compelling, tragic character, struggling against dark knights, darker men of the cloth, and darkest still, his own inner demons.-Joseph M. Fraser I found myself returning to several passages even before completing the book-not to remind myself of events, but to savor them. One of the few historical novels ... so beautifully written.-B. Howard

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival

Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Sausage Making Ryan Farr, Jessica Battilana, 2014-05-13 From the author of *Whole Beast Butchery*, “practical and delicious ways to use the most under-appreciated parts of the animal” (David Chang, chef/owner of Momofuku). With the rise of the handcrafted food movement, food lovers are going crazy for the all-natural, uniquely flavored, handmade sausages they’re finding in butcher cases everywhere. At San Francisco’s 4505 Meats, butcher Ryan Farr takes the craft of sausage making to a whole new level with his fiery chorizo, maple-bacon breakfast links, smoky bratwurst, creamy boudin blanc, and best-ever all-natural hot dogs. *Sausage Making* is Farr’s master course for all skill levels, featuring an overview of tools and ingredients, step-by-step sausage-making instructions, more than 175 full-color technique photos, and fifty recipes for his favorite classic and contemporary links. This comprehensive, all-in-one manual welcomes a new generation of meat lovers and DIY enthusiasts to one of the most satisfying and tasty culinary crafts. “It’s great to see some coarse, English-style sausage being championed so ably over the pond. For too long sausages have been made cheaply and without care—here’s a book to set that right.” —Tim Wilson, owner of The Ginger Pig, London, UK “You hold in your hands the La Technique of sausage-making. Loaded with beautiful photo-process and unparalleled information, this is the new gold standard for books on the subject.” —John Currence, chef/owner, City Grocery Restaurant Group “Farr, chef and owner of 4505 Meats in San Francisco, and Battilana use precise instructions and step-by-step photographs to teach readers how to make sausages, condiments, buns, and classical French preparations . . . Recommended for seasoned home cooks who’d like to advance their technique and expand their repertoire.” —Library Journal
