Passport to the Best of Cape Town, South Africa Carrie Hampton, 2004
Passport to the best of Cape Town, South Africa is relevant not just to the first time traveller to this city, but the second and third time visitor too, serving travellers from around the world as well as fellow South Africans.

Guyana Kirk Smock, 2008 South America's often overlooked English-speaking country lies far off the well-trodden tourist path. Guyana is the ideal destination for the discerning visitor seeking adventure. Within its vast interior, the Guiana Shield (one of the four pristine tropical rainforests left in the world) converges with the Amazon Basin, creating a unique geography composed of coastal waters, mangroves, marshes, savannas, mountains and tropical rainforests. Bordered by Venezuela, Brazil, Suriname and the Atlantic Ocean, the lively locals - a melting pot of East Indian and African descendants, peppered with Chinese, Europeans and Amerindians - create a culture decidedly more Caribbean than Latin.

2020 Collector Car Price Guide Old Cars Report Price Guide
Editors, 2019-07-02 Car values fluctuate wildly, never more so than in our current economic environment. Pricing information is a must for collectors, restorers, buyers, sellers, insurance agents and a myriad of others who rely on reliable authoritative data. With well over 300,000 listings for domestic cars and light trucks, and various import vehicles manufactured between 1901 and 2012, this is the most thorough price guide on the market. This invaluable reference is for the serious car collector as well as anyone who wants to know the value of a collector car they are looking to buy or sell. Prices in this must-have reference reflect the latest values, in up to six grades of condition, from the esteemed Old Cars Price Guide database. New information for the most recent model year will also be added to our new Old Car Report database.

Planning for Power Advertising Anand Halve, 2005-11-05 This book is a sound and comprehensive introduction to advertising planning and branding. Intended for students of and beginners in advertising and marketing, it discusses key issues and market realities, many of which are ignored and neglected in developing markets. The structure of this book follows a stepwise process, which starts from the beginning of the advertising planning process to the end product, which is the creative brief. Each chapter discusses a conceptual principle, which is illustrated by relevant examples. Some key issues discussed in this book are: - planning for communication in a context; - Segmentation: studying and understanding the dimensions, demographics, and psychographics of the target group; - Differentiators and Motivators: discovering what can change the consumers' mind; managing a brand over time, looking at the entire life-cycle of a brand. Each chapter ends with an 'Action Point', which helps the reader to apply the principles discussed through an exercise.

Namibia Chris McIntyre, 2019-08-05 This new thoroughly updated edition of Bradt's Namibia remains the essential guide for a successful visit to this vast country - more than twice the size of Germany but with less than 3% of the population. Written by expert author and long-standing tour specialist Chris McIntyre, this sixth edition incorporates all the most recent changes, including unrivalled coverage of places to stay and eat, from small, personal guesthouses to classy hotels and upmarket game lodges, and detailed information for self-drivers (including personally researched and checked GPS coordinates) as well as for fly-in and guided safaris. There's also in-depth coverage of wildlife and where to see it, including a new full-colour wildlife field guide section, covering mammals, reptiles and amphibians, marine life and birds. Two background chapters covering everything from history and politics to people, ethnic groups and culture are complemented by two chapters on planning, preparation, health and safety and two on the practicalities of getting around and camping and walking in the bush (including canoeing). Helping you to discover Namibia in detail, 13 chapters offer a regional breakdown, from the capital, Windhoek to the Southern Kalahari, Namib desert, Swakopmund, Skeleton Coast, Etosha National Park, and the Kavango and Zambezi regions in the extreme northeast, including excursions into neighbouring Botswana. With sweeping landscapes and empty roads, Namibia has long captured the imaginations of travellers and photographers. Its immense emptiness offers majestic sand dunes, seemingly endless gravel plains, vast tracts of farmland and rugged mountains hiding galleries of ancient Bushman rock art. Add to this the wildlife and the unexpected beauty of the rivers that define the country's northern and

southern boundaries, and it's easy to see why Namibia attracts lovers of the great outdoors.
