Restoration 1 Business Opportunity Hayes, 2018-04-19 If you're interested in owning a business in the \$60 billion restoration industry, this book introduces you to Restoration 1, a franchise business that Entrepreneur magazine ranked (in 2017 alone) on the Franchise 500 list, the Fastest-Growing Franchises list, the Top Franchises Under \$100K list, and the Top Franchises For Veterans list. Restoration 1 provided the chapter that tells their story of how franchisees get the chance to be heroes every time they go to work because when customers call, they are experiencing an emergency, and Restoration 1 franchisees save the day. How many franchisees can say that? Restoration 1 franchisees reap the rewards of national vendor relationships, access to the best suppliers and services, a professional online presence, the design of professionally branded trucks and uniforms, a strong peer network, an experienced support team at corporate headquarters, and an industry with built-in demand. And, most of all, the Restoration 1 network epitomizes how dirty jobs pay well. Restoration 1 Business Opportunity, as featured in 12 Amazing Franchise Opportunities, not only includes information about the franchise, but also numerous chapters to help you decide if franchising makes sense for you, and if it does, how to investigate buying a franchise business. You'll appreciate the chapters: 17 Steps to Successfully Buying a Franchise, Is Franchising For You?, and Funding Your Franchise Acquisition: Where Do You Get the Money? In addition, you'll find franchise terms and resources as well as how to work with a franchise broker. Restoration 1 Business Opportunity was compiled by Dr. John P. Hayes who has been writing about franchising since 1979 and is the Titus Chair for Franchise Leadership at Palm Beach Atlantic University. Dr. Ben Litalien, CFE, contributed the Foreword.

Successful business owners have few options for dramatically expanding their brand, taking it to the regional, national, or even international arena. This book describes how readers, through franchising, can use other people's money and leverage their success for rapid growth; Covers the entire process of franchising. Most books on franchising focus on educating the franchisee, but this book is designed to fully educate the franchiser. The author walks readers through each stage of the franchising process: from determining if they have a franchisable concept, to assembling a professional team without wasting money, to adjusting the business model along the way for optimum growth, to growing as a leader to assume new challenges; Written by an experienced, nationally lauded franchiser. Unlike many authors of books on franchising, Shelly Sun has been through the process, growing her business from \$1 million to \$100 million in five years. She's been named entrepreneur of the year by the International Franchise Association and is being featured on a network prime-time show about compelling companies. The book offers practical advice like that in *Franchising for Dummies*, with a focus on business growth for the franchiser, as in *Franchising and Licensing* by Andrew Sherman.
