3-6-9 Manifestation Journal ,2021-11-04 You are going to begin the process by thinking of one manifestation that

lasts for 17 seconds. This is usually around 2 sentences long when writing on pen and paper. Why 17 seconds? Project 369 follows the 17 Second Rule of Abraham Hicks. If you are not familiar with this rule, you must read about this rule and learn. You need to apply the 17-second rule while writing this affirmation, and it should take you at least 17 seconds to write down. So what could your manifestation be? It all depends on what you'd like to attract into your life. Many people have used this technique to help them with love, new jobs, house moves, or additional income. The Universe doesn't put any limitation on what you'd like to manifest, as long as it is safe for you, others, and the planet.
