Sex about You Need to Know David Jesten, George Jef, 2019-03-08 Most people will be familiar with the 69 position. The move involves giving and receiving oral sex at the same time. But while this is a commonly used bedroom technique, the reverse 69 is less well known. The technique flips the move upside down, meaning that the bloke goes on top. This allows them to set the pace of the tryst, which can be as rigorous or sensual as they please. On popular forum Girls Ask Guys, many ladies have revealed why they prefer the position. Some claim it's more comfortable, while others say it makes it easier for them to pleasure their partners. One commenter explained: I like it better (than 69). In my opinion it makes it a lot easier because of the angle and the way your neck is positioned. Another agreed: I actually prefer it that way too. While the move seems to be popular with submissive women, it's not for everyone. For those who like to take more control in the bedroom, Queening may be for you. To carry it out, the woman must ask their man to lie down on their back. They should then straddle their partner's face, allowing them access to oral stimulation. In order to elevate face-sitting to Queening, the submissive should use their hands to stimulate other areas of the body.

The Kama Sutra of Vatsyayana Mallanaga Vatsyayana, 2021-04-15 The Kama Sutra of Vatsyayana by Vatsyayana The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature

written by Vātsyāyana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. Kāma which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and sūtra literally means a thread or line that holds things together, and more metaphorically refers to an aphorism or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, the Kama Sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life, and other aspects pertaining to pleasure-oriented faculties of human life. The Kama Sutra does reveal that Vatsyayana lived the life of a religious student, likely in Benares, and spent his time engaged in the contemplation of the highest Deity. Scholars believe that the tone Vatsyayana takes towards youth in the Kama Sutra suggests that he likely spent many years studying religion before beginning his life's work compiling the wisdom of the sages. Indeed, Vatsyayana was less of a groundbreaking philosopher and apparently more of a diligent academician. Besides transcribing the Kama Sutra more than 300 years after the Shastras had already been passed down, he also transcribed the Nyaya Sutras, an ancient Indian text of philosophy that was composed by the buddha Gotama in the 2nd century B.C. Whereas the Kama Sutra tackles kama (or sensual pleasures), the Nyaya Sutra delineates paths for achieving moksha, or spiritual liberation from the cycle of birth and death.

Sex Positions for Christians C. H. Thompson,2018-06-22 I am not sure about you, but I

am sure that the gift of sexuality given to a husband and wife by God is not meant to become stale or settle into a rut. It is too profound of a blessing to be left unattended or to be discarded as if it does not matter. The honeymoon is not meant to be an end of passion, but a springboard of romance for the lifetime of a marriage. I decided to write this challenging book to encourage Christians to honor the marriage bed and also to provide a nudity free resource to further the intimacy of husbands and wives in search of different sexual positions to try without having to expose themselves to the nudity of secular resources. This is not a man's book and it is not a woman's book. It takes two to tango and a husband and wife will have to come to agreement to benefit from this book. Creativity must be embraced, submission to each other, and love must be kindled once again. The book begins with devotionals on love from a Biblical perspective that can help a couple be closer to God and also to one another. The type of love discussed with questions after each day sets the mood for intimacy that will last. This is the same book as Becoming One Flesh Volume 1 by the same author as he desired to make a black and white version that was cheaper.
