Chasing My Cure David Fajgenbaum, 2019-09-10 LOS ANGELES TIMES AND PUBLISHERS WEEKLY BESTSELLER • The powerful memoir of a young doctor and former college athlete diagnosed with a rare disease who spearheaded the search for a cure—and became a champion for a new approach to medical research. “A wonderful and moving chronicle of a doctor’s relentless pursuit, this book serves both patients and physicians in demystifying the science that lies behind medicine.”—Siddhartha Mukherjee, New York Times bestselling author of *The Emperor of All Maladies* and *The Gene* David Fajgenbaum, a former Georgetown quarterback, was nicknamed the Beast in medical school, where he was also known for his unmatched mental stamina. But things changed dramatically when he began suffering from inexplicable fatigue. In a matter of weeks, his organs were failing and he was read his last rites. Doctors were baffled by his condition, which they had yet to even diagnose. Floating in and out of consciousness, Fajgenbaum prayed for a second chance, the equivalent of a dramatic play to second the game into overtime. Miraculously, Fajgenbaum survived—only to endure repeated near-death relapses from what would eventually be identified as a form of Castleman disease, an extremely deadly and rare condition that acts like a cross between cancer and an autoimmune disorder. When he relapsed while on the only drug in development and realized that the medical community was unlikely to make progress in time to save his life, Fajgenbaum turned his desperate hope for a cure into concrete action: Between hospitalizations he studied his own charts and tested his own blood samples, looking for clues that could unlock a new treatment. With the help of family, friends, and mentors, he also reached out to other Castleman disease patients and physicians, and eventually came up with an ambitious plan to crowdsource the most promising research questions and recruit world-class researchers to tackle them. Instead of waiting for the scientific stars to align, he would attempt to align them himself. More than five years later and now married to his college sweetheart, Fajgenbaum has seen his hard work pay off: A treatment he identified has induced a tentative remission and his novel approach to collaborative scientific inquiry has become a blueprint for advancing rare disease research. His incredible story demonstrates the potency of hope, and what can happen when the forces of determination, love, family, faith, and serendipity collide. Praise for *Chasing My Cure* “A page-turning chronicle of living, nearly dying, and discovering what it really means to be invincible in hope.”—Angela Duckworth, #1 New York Times bestselling author of *Grit* “[A] remarkable memoir . . . Fajgenbaum writes lucidly and movingly . . . Fajgenbaum’s stirring account of his illness will inspire readers.”—Publishers Weekly

I Can Read So I Can Lead Asil Greer, 2020-07-05 *I Can Read So I Can Lead* follows our protagonist Asil Greer on his super powered adventure to help Brielle find her confidence to read. Throughout the story Brielle is met by bullies who attempt degrade her due to her lack of self confidence when it comes to reading. The Unanswered Letter Faris Cassell, 2020-09-01 In 1939, as the Nazis closed in, Alfred Berger mailed a desperate letter to an American stranger who happened to share his last name. He and his wife, Viennese Jews, had found escape routes for their daughters. But now their money, connections, and emotional energy were nearly exhausted. Alfred begged the American recipient of the letter, “You are surely informed about the situation of all Jews in Central Europe.... By pure chance I got your address.... My daughter and her husband will go... to America.... Help us to follow our children.... It is our last and only hope....” After languishing in a California attic for decades, Alfred’s letter ended up in the hands of Faris Cassell, a journalist who couldn’t rest until she discovered the ending of the story. Traveling across the United States as well as to Austria, the Czech Republic, Belarus, and Israel, she uncovered an extraordinary story of heart-wrenching loss and unforgettable love that endures to this day. Did the Bergers’ desperate letter find a response? Did they—and their daughters—survive? Did they leave living descendants? You will find the answers here. A story that will move any reader, *The Unanswered Letter* is a poignant reminder that love and hope never die.

The Doctor, the Hitman, and the Motorcycle Gang Annie McCormick, 2020-03-17 A prominent New Jersey doctor and members of a notorious outlaw motorcycle gang The Pagans transform the doctor's office into a drug ring pumping thousands of highly addictive opioid pain pills onto the streets in exchange for cash. Everything was going smoothly until one person discovered their plan: the doctor's wife. When she threatened to divorce him, the doctor's unholy alliance with his partners in crime turned deadly and the doctor hired a hitman to kill her. *The Doctor, The Hitman and The Motorcycle Gang* is the true story of the murder of April Kauffman, a beloved and vivacious local radio personality and veterans' advocate who was found shot to death in her suburban New Jersey home in May of 2012. In the months leading up to her death, she had uncovered a tangled web of deceit surrounding her husband. She feared he was trying to kill her and that he may harm her family. Nearly six years later, authorities charged her husband, Dr. James Kauffman, with her murder. Just this week, a jury convicted a former leader of the Pagans Motorcycle Club with helping to carry out the murder. McCormick includes never before seen or heard details from the investigation through her years of covering the case and she documents the relentless search for justice by April's family, friends, and her daughter--

Will the One-Winged Eagle James Curran, 2017-10-29

Kim Jong Un and the Bomb Ankit Panda, 2020-07-15 In September 2017, North Korea shocked the world by exploding the most powerful nuclear device tested anywhere in 25 years. Months earlier, it had conducted the first test flight of a missile capable of ranging much of the United States. By the end of that year, Kim Jong Un, the

reclusive state's ruler, declared that his nuclear deterrent was complete. Today, North Korea's nuclear weapons stockpile and ballistic missile arsenal continues to grow, presenting one of the most serious challenges to international security to date. Internal regime propaganda has called North Korea's nuclear forces the country's treasured sword, underscoring the cherished place of these weapons in national strategy. Fiercely committed to self-reliance, Kim remains determined to avoid unilateral disarmament. Kim Jong Un and the Bomb tells the story of how North Korea—once derided in the 1970s as a fourth-rate pipsqueak of a country by President Richard Nixon—came to credibly threaten the American homeland by November 2017. Ankit Panda explores the contours of North Korea's nuclear capabilities, the developmental history of its weapons programs, and the prospects for disarming or constraining Kim's arsenal. With no signs that North Korea's total disarmament is imminent over the next years or even decade, Panda explores the consequences of a nuclear-armed North Korea for the United States, South Korea, and the world.

Red, White, and Black Robert L. Woodson, Sr., 2021-05-11 In the rush to redefine the place of black Americans in contemporary society, many radical activists and academics have mounted a campaign to destroy traditional American history and replace it with a politicized version that few would recognize. According to the new radical orthodoxy, the United States was founded as a racist nation—and everything that has happened throughout our history must be viewed through the lens of the systemic oppression of black people. Rejecting this false narrative, a collection of the most prominent and respected black scholars and thinkers has come together to correct the record and tell the true story of black Americans in all its complexity, diversity of experience, and poignancy. Collectively, they paint a vivid picture of black people living the grand American experience, however bumpy the road may be along the way. But rather than a people apart, blacks are woven into the united whole that makes this nation unique in history. Featuring Essays by: John Sibley Butler Jason D. Hill Coleman Cruz Hughes John McWhorter Clarence Page Wilfred Reilly Shelby Steele Carol M. Swain Dean Nelson Charles Love Rev. Corey Brook Stephen L. Harris Harold A. Black Stephanie Deutsch Yaya J. Fanusie Ian Rowe John Wood, Jr. Joshua Mitchell Robert Cherry Rev. DeForest Black Soaries, Jr.

Yoga Pant Nation Laurie Gelman, 2021-07-13 A Good Morning America Buzz Pick From the author of *Class Mom* and *You've Been Volunteered* comes a new book on one mom's challenges through parenting and life, keeping her on her toes and perpetually in yoga pants. Jen Dixon of Overland Park, Kansas—fearless mother of a fifth-grade boy and two thirty-something daughters—is used to juggling a lot, from her mission to become a spin instructor, to stepping in as the most acerbic class mom ever (again), to taking care of her two-year-old granddaughter. But when the PTA president throws her a mandate to raise \$10,000 for the fifth-grade class, even unflappable Jen is going to need more than her regular spin class to get her through this final year at William Taft Elementary School. In the midst of new complications—organizing the class overnight to Topeka, an unexpected spin class fan in the form of her husband's crazy ex-wife, and trying to navigate her parents' sudden descent into apparent delusions—Jen hardly has the patience to listen to yet another half-baked idea (come on, ladies, another wrapping paper sale?) from WeFUKCT (We Fundraise Until Kingdom Come Team), her fundraising committee. But if anyone can get elementary parents to pull off the impossible, it's Jen Dixon. With her always irreverent and laugh-out-loud humor—boldly holding forth on those things you're thinking, but would never dare say out loud—Laurie Gelman shines a light on the indignities and hilarities of modern parenting.

In Praise of Veg Alice Zaslavsky, 2022-07-05 Alice Zaslavsky is a force of nature! —Nigella Lawson The only book you'll ever need on vegetables, with a kaleidoscope of 150+ colorful, innovative recipes for meals of all kinds. Food writer Alice Zaslavsky has written the definitive guide for everyone—from vegan to carnivore—who is ready to open their kitchen to a world of vegetable possibilities. More than 450 pages detail how to handle any vegetable you might pick up at the farmers' market or store—including a rainbow of more than 150 recipes that put vegetables at the center of the plate. Uniquely organized by color, this book is filled with countless flavor combinations, rule-of-thumb methods to buy, store, and cook vegetables, recipe shortcuts and tips, and wisdom from more than 50 of the world's top chefs. *In Praise of Veg* will help beginners and avid cooks alike turn daily vegetables into easy and delicious meals. This is veg, but not as you know it . . . yet!

Sissy Jacob Tobia, 2019-03-05 THE NATIONAL BESTSELLER Transformative . . . If Tobia aspires to the ranks of comic memoirists like David Sedaris and Mindy Kaling, Sissy succeeds. --The New York Times Book Review A heart-wrenching, eye-opening, and giggle-inducing memoir about what it's like to grow up not sure if you're (a) a boy, (b) a girl, (c) something in between, or (d) all of the above. A beautiful book . . . honest and funny.--Trevor Noah, The Daily Show Sensational.--Tyler Oakley Jacob Tobia is a force. --Good Morning America A trans Nora Ephron . . . both honest and didactic. --OUT Magazine A rallying cry for anyone who's ever felt like they don't belong. --Woman's Day As a young child in North Carolina, Jacob Tobia wasn't the wrong gender, they just had too much of the stuff. Barbies? Yes. Playing with bugs? Absolutely. Getting muddy? Please. Princess dresses? You betcha. Jacob wanted it all, but because they were a boy, they were told they could only have the masculine half. Acting feminine labelled them a sissy and brought social isolation. It took Jacob years to discover that being a sissy isn't something to be ashamed of. It's a source of pride. Following Jacob through bullying and beauty contests, from Duke University to the United Nations to the podiums of the Methodist church—not to mention the parlors of the White House—this unforgettable memoir contains multitudes. A deeply personal story of trauma and healing, a powerful reflection on gender and self-acceptance, and a hilarious guidebook for wearing tacky clip-on earrings in today's world, Sissy guarantees you'll never think about gender—both other people's and your own—the same way again.

How to Be Less Stupid About Race Crystal M. Fleming, 2018-09-18 A unique and irreverent take on everything that's wrong with our “national conversation about race”—and what to do about it *How to Be Less Stupid About Race* is your essential guide to breaking through the half-truths and ridiculous misconceptions that have thoroughly corrupted the way race is represented in the classroom, pop culture, media, and politics. Centuries after our nation was founded on genocide, settler colonialism, and slavery, many Americans are kinda-sorta-maybe waking up to the reality that our racial politics are (still) garbage. But in the midst of this reckoning, widespread denial and misunderstandings about race persist, even as white supremacy and racial injustice are more visible than ever before. Combining no-holds-barred social critique, humorous personal anecdotes, and analysis of the latest interdisciplinary scholarship on systemic racism, sociologist Crystal M. Fleming provides a fresh, accessible, and irreverent take on everything that's wrong with our “national conversation about race.” Drawing upon critical race theory, as well as her own experiences as a queer black millennial college professor and researcher, Fleming unveils how systemic racism exposes us all to racial ignorance—and provides a road map for transforming our knowledge into concrete social change. Searing, sobering, and urgently needed, *How to Be Less Stupid About Race* is a truth bomb for your racist relative, friend, or boss, and a call to action for everyone who wants to challenge white supremacy and intersectional oppression. If you like Issa Rae, Justin Simien, Angela Davis, and Morgan Jerkins, then this deeply relevant, bold, and incisive book is for you.

Kelly Tough Erin Kelly, Jill Kelly, 2015-05-01 Do not let the title *Kelly Tough* fool you. This is not a “be all you can be, no pain-no gain” story. Toughness is overrated. And being *Kelly Tough*, well, you are about to find out what that really means and why it just might matter to you. *Kelly Tough* is a story of love and hope: a love between a father and a daughter—Buffalo Bill's former quarterback, Jim Kelly, and his oldest daughter Erin. Erin shares a deeply personal account of the love a family can have for each other during the darkest times, and a greater love that a heavenly Father has for you. Whatever circumstance or heartbreak you find yourself overwhelmed by right now, it is not the end of the story. In fact, it just might be one of the greatest chapters as you, like the Kelly's, find strength in weakness, hope in the midst of heartache, and joy in spite of suffering.

90 Seconds to a Life You Love Joan I. Rosenberg,2019-02-12 Learn how to manage your most difficult feelings and build the emotional strength you need to create the life of your dreams. Sadness, shame, helplessness, anger, embarrassment, disappointment, frustration, and vulnerability. In 30 years as a practicing psychologist, Dr. Joan Rosenberg has found that what most often blocks people from success and feeling capable in life is the inability to experience, move through, and handle these 8 unpleasant feelings. Knowing how to deal with intense, overwhelming, or uncomfortable feelings is essential to building confidence, emotional strength, and resilience. Yet when we distract or disconnect from these feelings, we move away from confidence, health, and our desired pursuits, ultimately undermining our ability to fully realize our ambitions. Neuroscientists suggest that the biological lifespan of a feeling, often known first through bodily sensations, lasts approximately 90 seconds. Dr. Rosenberg teaches readers to be aware, consciously lean into, and balance these unpleasant emotions by riding one or more 90-second waves of the bodily sensations. By staying present to these 8 feelings, we cultivate the confidence that we can handle life's challenges and the deep sense we can pursue whatever we want. Combining more than three decades of clinical experience with aspects of clinical psychology, mindfulness, and neuroscience research, 90 Seconds to a Life You Love is a strategic and practical guide on building core emotional strength, reducing anxiety, and developing the confidence you need to create a life of your design -- a life you love.

Roxy and Maliboo Hillary Sussman,2021-05-24 In this super cute and playful read-aloud picture book, Roxy is a lovable dog who has lost a leg because she was sick, and is now faced with accepting this difficult new change. She sleeps on the couch and dreams of going to the dog park to play. When she is healed, she finally gets to go. Once there, she sees a dog sitting all alone, looking sad. His name is Maliboo and he is different too. Roxy goes over and tells him about her own experiences and insecurities, which helps Maliboo to overcome his fears. He and Roxy go and play with the other dogs, who accept them just fine despite their unique features. The lesson they both learn is that it's okay to be different. Roxy's story is meant to give children the confidence to be themselves and not let any differences dictate their self-worth.

On Camera and Off Lisa Thomas-Laury,2017 On Camera and Off is a memoir by Lisa Thomas-Laury, a television news anchor on Philadelphia's Channel 6. The book covers her rise in TV journalism and her long struggle to beat the severe challenge of POEMS syndrome, a hard-to-diagnose nerve disorder that can be crippling and ultimately life-threatening

Code Red E.J. Dionne, Jr.,2020-02-04 An exquisitely timed book ... Code Red is a worthwhile exploration of the shared goals (and shared enemies) that unite moderates and progressives. But more than that, it is a sharp reminder that the common ground on which Dionne built his career has been badly eroded, with little prospect that it will soon be restored." -The New York Times Book Review New York Times bestselling author and Washington Post columnist E. J. Dionne, Jr. sounds the alarm in Code Red, calling for an alliance between progressives and moderates to seize the moment and restore hope to America's future for the 2020 presidential election. Will progressives and moderates feud while America burns? Or will these natural allies take advantage of the greatest opportunity since the New Deal Era to strengthen American democracy, foster social justice, and turn back the threats of the Trump Era? The United States stands at a crossroads. Broad and principled opposition to Donald Trump's presidency has drawn millions of previously disengaged citizens to the public square and to the ballot boxes. This inspired and growing activism for social and political change hasn't been seen since the days of Franklin Roosevelt's New Deal policies and the Progressive and Civil Rights movements. But if progressives and moderates are unable-and unwilling-to overcome their differences, they could not only enable Trump to prevail again but also squander an occasion for launching a new era of reform. In Code Red, award-winning journalist E. J. Dionne, Jr., calls for a shared commitment to decency and a politics focused on freedom, fairness, and the future, encouraging progressives and moderates to explore common ground and expand the unity that brought about Democrat victories in the 2018 elections. He offers a unifying model for furthering progress with a Politics of Remedy, Dignity, and More: one that solves problems, resolve disputes, and moves forward; that sits at the heart of the demands for justice by both long-marginalized and recently-displaced groups; and that posits a positive future for Americans with more covered by health insurance, more with decent wages, more with good schools, more security from gun violence, more action to roll back climate change. Breaking through the partisan noise and cutting against conventional wisdom to provide a realistic look at political possibilities, Dionne offers a strategy for progressives and moderates to think more clearly and accept the responsibilities that history now imposes on them. Because at this point in our national story, change can't wait.

Amanda Wakes Up Alisyn Camerota,2018-06-12 "Amanda Gallo is my kind of girl: funny, self-aware, and unable to resist a makeover. . . . I loved this novel." -Lauren Weisberger, author of The Devil Wears Prada and When Life Gives You Lululemons "Entertaining." -People When Amanda Gallo, fresh from the backwater of local TV, lands the anchor job of her dreams at FAIR News, she thinks she's finally made it: a six-figure salary, wardrobe allowance, plenty of on-air face time, and a chance to realize her dreams, not to mention buy herself lunch. Instead, she finds her journalistic ideals shredded as she struggles to keep up with the issues in a ratings-crazed madhouse: battling for hair and makeup time; coping with her sexist (but scathingly handsome) coanchor, Rob; and showing Benji Diggs, her media maestro boss, that she's got what it takes. As the news heats up in a hotly contested election season and a wildcard candidate, former Hollywood actor Victor Fluke, appears on the scene, Amanda's pressure-cooker job gets hotter while her personal life unravels. Walking a knife's edge between ambition and survival, and about to break the biggest story of her career, Amanda must decide what she's willing to give up to get ahead-and what she needs to hold onto to save herself.
