Phillips' Treasury of Humorous Quotations Bob Phillips, 2004

Phillips' Treasury of Humorous Quotations is a catalog of more than 1,700 famous (and not so famous) sayings on life. This book is designed to be a ready reference for seminar and sermon preparation, and it's just plain entertaining. Inside you'll find entirely new material. Bob draws from a variety of resources throughout history that are sure to give writers, educators, ministers, and public speakers the perfect quote for their speech or paper.

Funny Words in Plautine Comedy Michael Fontaine, 2010

Plautus, Rome's earliest extant poet, was acclaimed by ancient critics above all for his mastery of language and his felicitous jokes; and yet in modern times relatively little attention has been devoted to elucidating these elements fully. In Funny Words in Plautine Comedy, Michael Fontaine reassesses some of the premises and nature of Plautus' comedies. Mixing textual and literary criticism, Fontaine argues that many of Plautus' jokes and puns were misunderstood already in antiquity, and that with them the names and identities of some familiar characters were misconceived. Central to his study are issues of Plautine language, style, psychology, coherence of characterization, and irony. By examining the comedian's tendency to make up and misuse words, Fontaine sheds new light on the close connection between Greek and Roman comedy. Considerable attention is also paid to Plautus' audience and to the visual elements in his plays. The result is a reappraisal that will challenge many received views of Plautus, positioning him as a poet writing in the Hellenistic tradition for a knowledgeable and sophisticated audience. All

quotations from Latin, Greek, and other foreign languages are translated. Extensive indices, including a pindex, facilitate ease of reference among the many jokes and plays on words discussed in the text.

900 Famous Quotes by Confucius Chukwuka Jerri, 2023-02-19

Confucius, also known as Kong Qiu or Kongzi, was a Chinese philosopher, teacher, and political figure who lived from 551 BCE to 479 BCE. He is widely considered one of the most influential thinkers in Chinese history and his ideas have had a profound impact on Chinese culture and society. Confucius is most famous for his philosophy of Confucianism, which emphasizes the importance of moral values such as filial piety, respect for authority, and the cultivation of personal virtues such as kindness, honesty, and humility. He also stressed the importance of education and the pursuit of knowledge, believing that it was the key to a successful and harmonious society. Although Confucius never wrote down his own teachings, his sayings and ideas were recorded by his disciples in a collection of texts known as the *Analects*, which have been studied and revered by generations of scholars and practitioners of Confucianism.

Reasons to Stay Alive Matt Haig, 2015-03-05 Order THE COMFORT BOOK. Available now! THE NUMBER ONE SUNDAY TIMES BESTSELLER WHAT DOES IT MEAN TO FEEL TRULY ALIVE? Aged 24, Matt Haig's world caved in. He could see no way to go on living. This is the true story of how he came through crisis, triumphed over an illness that almost destroyed him and learned to live again. A moving, funny and joyous exploration of how to live better, love better and feel more alive, *Reasons to Stay Alive* is more than a memoir. It is a book about making the most of your time on

earth. 'I wrote this book because the oldest clichés remain the truest. Time heals. The bottom of the valley never provides the clearest view. The tunnel does have light at the end of it, even if we haven't been able to see it . . . Words, just sometimes, really can set you free.'

The Obstacle Is the Way Ryan Holiday, 2014-05-01 #1 Wall Street Journal Bestseller *The Obstacle is the Way* has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

Antkind Charlie Kaufman, 2021-07-06 The bold and boundlessly

original debut novel from the Oscar®-winning screenwriter of *Being John Malkovich*, *Adaptation*, *Eternal Sunshine of the Spotless Mind*, and *Synecdoche, New York*. **LOGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** • “A dyspeptic satire that owes much to Kurt Vonnegut and Thomas Pynchon . . . propelled by Kaufman’s deep imagination, considerable writing ability and bull’s-eye wit.—The Washington Post “An astonishing creation . . . riotously funny . . . an exceptionally good [book].”—The New York Times Book Review • “Kaufman is a master of language . . . a sight to behold.”—NPR **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND MEN’S HEALTH** B. Rosenberger Rosenberg, neurotic and underappreciated film critic (failed academic, filmmaker, paramour, shoe salesman who sleeps in a sock drawer), stumbles upon a hitherto unseen film made by an enigmatic outsider—a film he’s convinced will change his career trajectory and rock the world of cinema to its core. His hands on what is possibly the greatest movie ever made—a three-month-long stop-motion masterpiece that took its reclusive auteur ninety years to complete—B. knows that it is his mission to show it to the rest of humanity. The only problem: The film is destroyed, leaving him the sole witness to its inadvertently ephemeral genius. All that’s left of this work of art is a single frame from which B. must somehow attempt to recall the film that just might be the last great hope of civilization. Thus begins a mind-boggling journey through the hilarious nightmarescape of a psyche as lushly Kafkaesque as it is atrophied by the relentless spew of Twitter. Desperate to impose order on an increasingly nonsensical existence, trapped in a self-imposed prison of aspirational victimhood and degeneratively inclusive language, B. scrambles to re-create the lost masterwork while attempting to keep pace with an ever-fracturing

culture of “likes” and arbitrary denunciations that are simultaneously his *bête noire* and his *raison d’être*. A searing indictment of the modern world, *Antkind* is a richly layered meditation on art, time, memory, identity, comedy, and the very nature of existence itself—the grain of truth at the heart of every joke.

I'm So Happy It's Happy Hour Anne Taintor, 2011-10-21 Who doesn't enjoy a well-made drink and the opportunity for a little creative misbehavior? Anne Taintor's deliciously wry artwork is the perfect complement for the dozens of fabulous drink recipes in this chic collection. From classic sips-with-a-twist to unexpected treats such as the Greta Garbo, Slinky Mink, and 3 A.M. on a School Night, these sinfully delectable cocktails add style to any high-spirited occasion. Surely it's five o'clock somewhere

About Something Real Robert Hillman, Sr., 2011-09-17 Maybe it's not supposed to be easy for you. Maybe you're one of the rare few that can handle tough times and still choose to be a loving person. Maybe it's going how it's going because you're built for it. Maybe you still have time to choose to be different... and God would rather slow it all down and frustrate you than to let it keep going the way it is and fail you. Maybe it's just your time to refine. Maybe the pieces are being put into position and maybe it's not a test at all. Maybe there is a future tailored specifically to what's best for you ahead and rushing it could ruin it. Maybe you're as different as you feel and maybe you'll stay strong long enough to teach people to feel the same about themselves. Maybe we'll call it love. Maybe this is just what your growth looks like in this season and it's okay to accept and love that person. As long as you know you're giving it your all and the very best of you, keep going! Don't stress a thing. It's going to work out because you're not going to stop putting the work in. *Signed copies

The Flying McCoys Glenn McCoy,2011-10-01 This zany strip enters the comic-collection scene with circus-like zeal. All that's missing is a parade of elephants and a clown-car escort. Gary and Glenn McCoy's delightfully absurd comic panel blends superheroes, office humor, huggable animals, and twisted relationships in a bizarre marriage of Gary Larson, the New Yorker, Conan O'Brien, and Mad Magazine. Put succinctly, the brothers McCoy present comics for a bold new world. Creating a world where greeting cards heal hospital patients, police officers pull over children driving bumper cars, babies use the patch to quell the pacifier habit, and nudists find out what constitutes a streaker in their colony, the St. Louis area natives alternate writing and drawing duties for the daily panel. The brothers each have been nominated for multiple National Cartoonists Society awards, and Glenn has won in three categories. Gary McCoy's past as a comedian (he won HBO's Stand-Up Stand-Off contest for the St. Louis area in 1995) also shines through in the strip's offbeat humor. Their impressive freelance client list reads like a who's who in cartooning: Disney, DreamWorks, and Hyperion, to name just a few.

The Big Book of Quotes M. Prefontaine,2015-10-19 The Big Book of Quotes is a collection of over 3,500 quotations from some of the greatest minds that ever existed. This is a book which you can just pick up anytime and carry on where you left off last time. It is for those who want to pep up a speech, a presentation or an email and for those who just want to jump start their brains with thought provoking or amusing quotations. The essence of the best quotes are that they express a truth or an insight in a short and often amusing way. Thoughts expressed succinctly have tremendous power. They

can inspire and motivate, they can get a message across and they can provide insight. I hope this book will prove useful, amusing and the quotes will resonate with you.

The 900 Days Harrison Evans Salisbury, 1985

WORDS FROM THE MUSIC ROOM Stuart Favill, 2014 Stuart Favill and I share the same birthday and year of birth, I'm not sure if we share the same minute, but we do both share a love of poetry and music and our influences are very similar. It's probably why I find it so easy to relate to his words, because we come from the same world at the same time. His words are clear and concise, never wandering on aimlessly, like so many people's lives. We have both also worked in areas with the most vulnerable of society and poems of his, such as 'Cutting', really reach the heart with their frank and direct observations. Stuart has a way of communicating without pretence some very powerful feelings and observations on life and can make extremely valid points. Yet he still maintains a sense of humour that manifests itself at many a lingual turn. We are aware of the social and family issues dealt with in poems like 'The Devil In The Corner', and Stuart makes clear the dangers of that little box that I am now writing on! In the 'Rite Of Passage', he shares with unashamed honesty the feelings he had when his mother passed away, and that is, I think, the root of Stuart's poetical strength, his honesty, even when it may be uncomfortable. In this collection, there is a poem which everyone should be able to relate to, if not many, a moving and entertaining view of life from Stuart Favill's eyeline. Tony Stringfellow. Tony Stringfellow is an accomplished artist, sculptor, performer, poet and author. His works include the acclaimed book, 'The Wizard's Gown' a study of the lyrics of Marc Bolan, (T.Rex) and 'Silent Solitudes', a collection of thought provoking poetry.

Hunter S. Thompson's Little Book of Selected Quotes Helios Publishing,2021-07-05 We had two bags of grass, seventy-five pellets of mescaline, five sheets of high powered blotter acid, a salt shaker half full of cocaine, and a whole galaxy of multi-colored uppers, downers, screamers, laughers... and also a quart of tequila, a quart of rum, a case of Budweiser, a pint of raw ether and two dozen amyls. Not that we needed all that for the trip, but once you get locked into a serious drug collection, the tendency is to push it as far as you can. -- Hunter S. Thompson Selected Quotes by Hunter S. Thumpson now at your fingertips Perfect for casual reading, taking ideas, inspiration Makes for a great gift choice Life should not be a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming Wow!
