Living the Dream Daniel T. Fleming, 2022-03-11 *Living the Dream* tells the history behind the establishment of Martin Luther King Jr. Day and the battle over King's legacy that continued through the decades that followed. Creating the first national holiday to honor an African American was a formidable achievement and an act of resistance against conservative and segregationist opposition. Congressional efforts to commemorate King began shortly after his assassination. The ensuing political battles slowed the progress of granting him a namesake holiday and crucially defined how his legacy would be received. Though Coretta Scott King's mission to honor her husband's commitment to nonviolence was upheld, conservative politicians sought to use the holiday to advance a whitewashed, nationalistic, and even reactionary vision of King's life and thought. This book reveals the lengths that activists had to go to elevate an African American man to the pantheon of national heroes, how conservatives took advantage of the commemoration to bend the arc of King's legacy toward something he never would have expected, and how grassroots causes, unions, and antiwar demonstrators continued to try to claim this sanctified day as their own.

September 11 Associated Press, 2021-08-03 A commemoration of the 20th anniversary of 9/11 as told through stories and photographs from The Associated Press—covering everything from the events of that tragic day to the rebuilding of the World Trade Center and beyond. This important and comprehensive book commemorates the 20th anniversary of September 11 as told through stories and images from the correspondents and photographers of The Associated Press—breaking news reports, in-depth investigative pieces, human interest accounts, approximately 175 dramatic and moving photos, and first-person recollections. AP's reporting of the world-changing events of 9/11; the heroic rescue efforts and aftermath; the world's reaction; Operation Enduring Freedom; the continuing legal proceedings; the building of the National September 11 Memorial & Museum in New York City as a place of remembrance; the rebuilding of downtown NYC and much more is covered. Also included is a foreword by Robert De Niro. The book tells the many stories of 9/11—not only of the unprecedented horror of that September morning, but also of the inspiring resilience and hope of the human spirit.

The Eleventh Day Anthony Summers, Robbyn Swan, 2011-07-19 FINALIST FOR THE PULITZER PRIZE For most living Americans, September 11, 2001, is the darkest date in the nation's history. But what exactly happened on 9/11? Could it have been prevented? And

what remains unresolved? Here is the first panoramic, authoritative account of that tragic day—from the first brutal actions of the hijackers to our government’s flawed response; from the untruths told afterward by U.S. officials to the “elephant in the room” of the 9/11 Commission’s report—the clues that point to foreign involvement. New York Times bestselling authors Anthony Summers and Robbyn Swan write with access to thousands of recently released official documents, raw transcripts, fresh interviews, and the perspective that can come only from a decade of research and evaluation. Riveting, revelatory, and thoroughly sourced, *The Eleventh Day* is updated for this edition—with new reporting on a development that the former cochairman of Congress’s 9/11 probe calls the most important in years. This is the essential one-volume work, required reading for us all.

“Essential.”—The Wall Street Journal “Meticulous, comprehensive . . . an extraordinary synthesis.”—John Farmer, 9/11 Commission senior counsel “This wide-angle look . . . examines the personalities behind the terror plot, U.S. intelligence blunders, the toxic environmental impact on first responders, the march to war, [and] gray areas in the 9/11 Commission Report.”—The Washington Post “The best available general account of 9/11—soberly written, judiciously weighed, meticulously sourced.”—The Sunday Times

The Day the World Came to Town Jim DeFede, 2011-07-12 The True Story Behind the Events on 9/11 that Inspired Broadway’s Smash Hit Musical *Come from Away*, Featuring All New Material from the Author When 38 jetliners bound for the United States were forced to land at Gander International Airport in Canada by the closing of U.S. airspace on September 11, the population of this small town on Newfoundland Island swelled from 10,300 to nearly 17,000. The citizens of Gander met the stranded passengers with an overwhelming display of friendship and goodwill. As the passengers stepped from the airplanes, exhausted, hungry and distraught after being held on board for nearly 24 hours while security checked all of the baggage, they were greeted with a feast prepared by the townspeople. Local bus drivers who had been on strike came off the picket lines to transport the passengers to the various shelters set up in local schools and churches. Linens and toiletries were bought and donated. A middle school provided showers, as well as access to computers, email, and televisions, allowing the passengers to stay in touch with family and follow the news. Over the course of those four days, many of the passengers developed friendships with Gander residents that they expect to last a lifetime. As a show of thanks, scholarship funds for the children of Gander have been formed and donations have been made to provide new computers for the schools. This book recounts the inspiring story of the residents of Gander, Canada, whose acts of kindness have touched the lives of thousands of people and been an example of humanity and goodwill.

Pentagon 9/11 Alfred Goldberg, 2007-09-05 The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

September 11, 2001 Poynter Institute for Media Studies, 2001-11-05 Reproduces 150 front pages from newspapers around the world depicting the attacks on the World Trade Center and the Pentagon on September 11, 2001.
