**Free of Me** Sharon Hodde Miller, 2017-10-03 We live in a culture that's all about self, becoming the best me I can be instead of becoming like Jesus. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than project me will cherish this paradigm-shifting message of true fulfillment.

### **Post-9/11, African American Style Freddy**

Cee, 2004-02 The news media was driving everyone crazy. It started with Y2K, then the Bush/Gore presidential election controversy, the Clinton pardons, the September 11th attacks, and the anthrax letters. Wars subsequently ensued against Afghanistan, the Taliban, Al Qaeda, and Iraq, but not without fierce exchanges with the United Nations. Sex and financial scandals erupted involving the Catholic Church and Wall Street. Massive layoffs, soaring debt and skyrocketing college tuition added to these. The media never missed a beat. Was there no escaping them? The Nation's Capitol in commemorating last years September 11th attacks, was also preparing for an upcoming mayoral election. The current incumbent was expected to breeze toward reelection, but what followed seemed like a page out of William Shakespeare's Comedy of Errors. This prompted a virtual unknown to launch a comedy contest to provide some comic relief for the city from this onslaught of negative news. Only four contestants remained to compete for the prize money. However, only Archie Harris, one of the four finalists showed up at the finale. More bad news? What will happen now? Find out by reading Post-9/11 African American Style, Laughter, Still Da Best Medicine.

### **9/11 Ten Years Later** David Ray

Griffin,2012-04-10 On the tenth anniversary of the September 11, 2001 terrorist attacks, David Ray Griffin reviews the troubling questions that remain unanswered *9/11 Ten Years Later* is David Ray Griffin's tenth book about the tragic events of September 11, 2001. Asking in the first chapter whether 9/11 justified the war in Afghanistan, he explains why it did not. In the following three chapters, devoted to the destruction of the World Trade Center, Griffin asks why otherwise rational journalists have endorsed miracles (understood as events that contradict laws of science). Also, introducing the book's theme, Griffin points out that 9/11 has been categorized by some social scientists as a state crime against democracy. Turning next to debates within the 9/11 Truth Movement, Griffin reinforces his claim that the reported phone calls from the airliners were faked, and argues that the intensely debated issue about the Pentagon—whether it was struck by a Boeing 757—is quite unimportant. Finally, Griffin suggests that the basic faith of Americans is not Christianity but nationalist faith—which most fundamentally prevents Americans from examining evidence that 9/11 was orchestrated by U.S. leaders—and argues that the success thus far of the 9/11 state crime against democracy need not be

permanent.
