

A Christmas Game Santa Action

Calypso Ataro

M. A. S. H. Christmas Movie Calypso Ataro, 2019-10-23 M.A.S.H. Christmas Movie is a holiday update to the classic paper and pencil game that predicts your future. In this version, you discover how your Christmas movie will play out. Will it happen while away on vacation or in Santa's workshop? Will a reindeer aid you on your quest to save Christmas or a magic snowman? Play to find out! How to Play First, the player works through the categories and writes down four options for each. For each category, they should pick two dream examples of the category. For example, the Holiday-Ruining Event may be a sick Santa Claus or an injured reindeer. They should also pick two nightmare examples, like a giant squid monster or a Christmas tree shortage. Once all the categories are filled with four options, the player draws a quick spiral in the spiral space until someone tells them to stop (if you're playing alone, just draw with your eyes closed and stop randomly). Starting at the top of your spiral and working down, count how many lines there are in your spiral. That's your magic number! Write it in. Now, start on the word Metropolitan City and count to your magic number. Count the words, Metropolitan City, Away on Vacation, Santa's Workshop, Home separately and then count each of the options. So if your magic number is 6, your finger will land on the second Sidekick option. Draw a line through the option your finger landed on. Now keep counting to 6, crossing out the sixth option each time. The next option to cross out for 6 would be the fourth Holiday-Ruining

Event option and so on. Continue counting until you have eliminated all but one option in every category. Enjoy reading how your Christmas movie will play out! This book has 100 chances to play. It makes a great stocking stuffer or Christmas countdown gift.

Christmas Chimney Challenge Chris Stead, 2021-08-03 If Santa can bring one sack of toys down one chimney, how many sacks can he bring down ten chimneys? It's with this simple idea that Willy's big imagination gets him into trouble yet again. With so many more chimneys arriving the day before Christmas, the elves and their toy factory can't keep up. Christmas has been ruined. Well, unless Willy can hitch a ride home from the North Pole on a red-nosed reindeer in time. Award-winning author Chris Stead invites readers who love kids books about Christmas, kids books about Santa and good old-fashioned kids action adventure picture books to the Christmas Chimney Challenge. This is the fourth entry in beloved Wild Imagination of Willy Nilly universe - a book series for kids. It recalls the best kids adventure books from the likes of Beatrix Potter (Peter Rabbit), Lewis Carroll (Alice in Wonderland), Maurice Sendak (Where the Wild Things Are) and Mary Pope Osborne (Magic Tree House). This action adventure for kids begins with Willy scribbling down his Christmas wish list. But when he hears songs about Santa coming down a chimney to deliver presents and realises his house has no chimney, he panics. So he gets out his kids tools and builds dozens of chimneys with scrap from the junkyard. He then sprinkles them with magic dust. Of course, this magic

dust opens up a portal between the chimney and the North Pole, which Willy and his pet dog promptly fall in. Before he knows it, Willy is tumbling down a hill as a giant snowball, slamming right into the Toy Factory. There he sees all the problems his greed for more toys has caused and vows to get back and take down all the chimneys before Christmas. If only there was a flying reindeer that could help him out! The Wild Imagination of Willy Nilly series takes simple everyday activities - like writing the best Christmas wish list - then twists it through the lens of a child's imagination. Are these adventures really happening to Willy Nilly or are they just occurring in his mind? Perhaps for a child, reality and make believe aren't necessarily different things. Christmas Chimney Challenge is sure to be enjoyed by those looking for the best Christmas children's books, and the best action adventure books of all time. Don't forget to read Willy's other big adventure books, The Little Green Boat, Follow the Breadcrumbs and The Fastest Kid in the World. == The Willy Nilly Series is Rated Five Stars == Just bought this and read it to my 5-yr-old and 3-yr-old and they both loved it! They went nuts for the catchy intro tune and had a great time pressing the little button. - Wilsaahhh What a fun adventure! The kids loved it and I think this story might go on repeat for a while! - Selikas My godson loved it, it's now his new favourite book. - Gfunk We loved this adventure with Willy Nilly, especially when the dolphins helped Willy. My son was giggling throughout and excited to find out what happens next. - Kids Gifts and Toys

It's also where they make lists of presents they want Santa Gopher to bring them for Christmas. Join Oliver Longteeth and his gopher friends on an adventure to find Santa Gopher and give him their Christmas lists. It's a surprising adventure filled with twists and turns and ups and downs, and these are only in the tunnels!

Big Book of Christmas Games Claudia Bordin, 2019-10

The Christmas Chronicles Tim Slover, 2010-11-02 In this new holiday classic, Tim Slover crafts a marvelous, magical novel about how Santa Claus became the man he is today. After reading *The Christmas Chronicles*, you'll believe all over again in the magic of the season. Snow is falling, and the clock ticks toward midnight on Christmas Eve while countless children, too excited to sleep, anticipate the arrival of Santa Claus. But in Tim Slover's deeply charming and utterly thrilling new novel, that's the end rather than the beginning of the story. In this richly imagined tale of Santa's origins, the man in full finally emerges. *The Christmas Chronicles* is at once an action-packed adventure, an inspiring story of commitment and faith, and a moving

love story. It all starts in 1343, when the child Klaus is orphaned and adopted by a craftsmen's guild. The boy will grow to become a master woodworker with an infectious laugh and an unparalleled gift for making toys. His talent and generosity uniquely equip him to bestow hundreds of gifts on children at Christmas—and to court the delightful Anna, who enters his life on a sleigh driven by the reindeer Dasher and becomes his beloved wife. Still, all is not snowfall and presents. Klaus will be shadowed by the envious Rolf Eckhof, who will stop at nothing to subvert him. But in the end, Santa's magic is at last unleashed, flying reindeer come to his aid, and an epic battle between good and evil is waged in the frosty Christmas skies. By turns enchanting, hair-raising, and inspirational, The Christmas Chronicles is a beguiling tale destined to become a holiday favorite for the ages.
