Girls in Trouble with the Law Laurie Schaffner,2006-09-06 In *Girls in Trouble with the Law*, sociologist Laurie Schaffner takes us inside juvenile detention centers and explores the worlds of the young women incarcerated within. Across the nation, girls of color are disproportionately represented in detention facilities, and many report having experienced physical harm and sexual assaults. For girls, the meaning of these and other factors such as the violence they experience remain undertheorized and below the radar of mainstream sociolegal scholarship. When gender is considered as an analytic category, Schaffner shows how gender is often seen through an outmoded lens. Offering a critical assessment of what she describes as a gender-insensitive juvenile legal system, Schaffner makes a compelling argument that current policies do not go far enough to empower disadvantaged girls so that communities can assist them in overcoming the social limitations and gender, sexual, and racial/ethnic discrimination that continue to plague young women growing up in contemporary United States.

My Best Friend, Sometimes Naomi Danis,2020-04-30 A story that vividly examines the occasionally-turbulent friendships of young girls. *My Best Friend, Sometimes* is an empathic and honest portrait of the delight in these relationships, but also the confusion, jealousy and vulnerability that can result. Stephanie and I like each other. And we don't like each other. Both. It all begins on the day Stephanie proposes, If you give me a cookie, I'll be your best friend. From then on, the two girls are inseparable, but not always at peace. They love to giggle, whisper, observe their classmates, and share their most outlandish, secret dreams. But sometimes they

are at odds. Some days one doesn't feel like sharing. Taking turns isn't always easy. If they can't agree on a game to play, who decides? One day it seems like Stephanie is mad for no reason at all. The ups and downs of friendship can be steep, and often unpredictable. My Best Friend, Sometimes navigates the path of two girls moving towards, away from, and back to each other again.

MWF Seeking BFF Rachel Bertsche,2011-12-20 When Rachel Bertsche first moves to Chicago, she's thrilled to finally share a zip code, let alone an apartment, with her boyfriend. But shortly after getting married, Bertsche realizes that her new life is missing one thing: friends. Sure, she has plenty of BFFs—in New York and San Francisco and Boston and Washington, D.C. Still, in her adopted hometown, there's no one to call at the last minute for girl talk over brunch or a reality-TV marathon over a bottle of wine. Taking matters into her own hands, Bertsche develops a plan: She'll go on fifty-two friend-dates, one per week for a year, in hopes of meeting her new Best Friend Forever. In her thought-provoking, uproarious memoir, Bertsche blends the story of her girl-dates (whom she meets everywhere from improv class to friend rental websites) with the latest social research to examine how difficult—and hilariously awkward—it is to make new friends as an adult. In a time when women will happily announce they need a man but are embarrassed to admit they need a BFF, Bertsche uncovers the reality that no matter how great your love life is, you've gotta have friends.

Feminist Perspectives on Equity and Trusts Susan Scott-Hunt,Hilary Lim,2013-06-17 Previous collections of essays on equity and trusts law have focused on doctrinal

issues, only occasionally giving a policy gloss or suggestion of social context and impact. Although a critical approach can be glimpsed in journal articles and student texts, this collection of essays draws together both feminist and critical material. It is unique in being written by feminists, in dealing with equity and trusts as a whole and in being written in the critical tradition.
