

A Storm In The Blood

Steven Harper

A Storm in the Blood Jon Stephen Fink,2009-10-13 A Storm in the Blood is a wise and searching historical novel of political intrigue and terrorist action in turn-of-the-century London from Jon Stephen Fink, acclaimed author of Further Adventures. Based on the compelling true story of the Houndsditch Murders and the Siege of Sidney Street, A Storm in the Blood ushers readers into a world of violence, political crime, ethnic unrest, police oppression, and political subterfuge that speaks directly to an audience attuned to the backgrounds of modern terrorist actions from 9/11 to Mumbai.

A Storm In The Blood Jon Fink,2011-11-21 Published to coincide with the centenary of the Houndsditch Murders in December 2010, A Storm in the Blood tells the story of the Latvian revolutionaries who killed three officers of the Metropolitan Police. The parallel between the suicide ideologues of the time and contemporary terrorists, willing to die for their ideals, is all too clear. One of the most sensational crimes of the era, the murders were followed by the 'Siege of Sidney Street', a gunfight that saw then-Home Secretary Winston Churchill sending troops into the streets of London. A siege and shoot-out in Sherlock Holmes' London after an anarchist robbery gone wrong foreshadows Jerusalem 1947, Manhattan 2001, and Baghdad today. A Storm in the Blood slams home the revolutionary realities of lust, violence, anger and appetite. 'Jon Stephen Fink is the Tarantino of Terrorism.' --John Baxter, Author of the biographies Kubrick, George Lucas and many others

Harbinger of the Storm Aliette de Bodard,2016-01-05 The second book in the critically acclaimed Obsidian and Blood trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons--and to the return of their creator, a malevolent goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. REVIEWS: 'Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.' --Publishers Weekly 'Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can't fault this book at all and recommend it to one and all but if you haven't yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won't be disappointed.' --SF Book Reviews 'Bodard's writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds... beautiful, grimy, breathtaking, and morbid. 5*' --Examiner 'Aliette de Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.' --Cybermage

A Storm of Blood and Swords Marion Blackwood,2021-03-02 What is more important to you? Wealth? Peace? Freedom? With her powers finally under control, the Oncoming Storm returns to Pernula. But not everything is as she left it. There is a new King of the Underworld and he is out for blood. And submission. The Oncoming Storm has

no intention of bending the knee to anyone but she is still reluctant to enter yet another power struggle. However, not getting involved turns out to be impossible when her enemy can turn every single underworlder against her. Staying on the sidelines has always been the way she survives, but now the Oncoming Storm might have to step out of the shadows and become something else. A leader. In this fight, the Oncoming Storm will have to draw on everything she has. Skills, wits, friends, and old contacts. And maybe a wicked knife or two. She is determined to win this battle by herself, but her enemy has the Underworld in an iron grip and breaking it on her own sounds more like a desperate dream. Maybe it is time to accept that sometimes, even an arrogant selfish thief must bow to someone?

Shelter in a Time of Storm Jelani M. Favors,2019-02-08 2020 Museum of African American History Stone Book Award 2020 Lillian Smith Book Award Finalist, 2020 Pauli Murray Book Prize For generations, historically Black colleges and universities (HBCUs) have been essential institutions for the African American community. Their nurturing environments not only provided educational advancement but also catalyzed the Black freedom struggle, forever altering the political destiny of the United States. In this book, Jelani M. Favors offers a history of HBCUs from the 1837 founding of Cheyney State University to the present, told through the lens of how they fostered student activism. Favors chronicles the development and significance of HBCUs through stories from institutions such as Cheyney State University, Tougaloo College, Bennett College, Alabama State University, Jackson State University, Southern University, and North Carolina A&T. He demonstrates how HBCUs became a refuge during the oppression of the Jim Crow era and illustrates the central role their campus communities played during the civil rights and Black Power movements. Throughout this definitive history of how HBCUs became a vital seedbed for politicians, community leaders, reformers, and activists, Favors emphasizes what he calls an unwritten second curriculum at HBCUs, one that offered students a grounding in idealism, racial consciousness, and cultural nationalism.

The Perfect Storm Sebastian Junger,1997 A true story of men against the sea.

Blood Dazzler Patricia Smith,2013-11-18 In minute-by-minute detail, Patricia Smith tracks Hurricane Katrina as it transforms into a full-blown mistress of destruction. From August 23, 2005, the day Tropical Depression Twelve developed, through August 28 when it became a Category Five storm with its “scarlet glare fixed on the trembling crescent,” to the heartbreaking aftermath, these poems evoke the horror that unfolded in New Orleans as America watched it on television. Assuming the voices of flailing politicians, the dying, their survivors, and the voice of the hurricane itself, Smith follows the woefully inadequate relief effort and stands witness to families held captive on rooftops and in the Superdome. She gives voice to the thirty-four nursing home residents who drowned in St. Bernard Parish and recalls the day after their deaths when George W. Bush accompanied country singer Mark Willis on guitar: The cowboy grins through the terrible din, *** And in the Ninth, a choking woman wails Look like this country done left us for dead. An unforgettable reminder that poetry can still be “news that stays news,” *Blood Dazzler* is a necessary step toward national healing. Patricia Smith is the author of four previous collections of poetry, including *Teahouse of the Almighty*, winner of the Hurston/Wright Legacy Award and the Paterson Poetry Prize. A record-setting, national poetry slam champion, she was featured in the film *Slamnation*, on the HBO series *Def Poetry Jam*, and is a frequent contributor to *Harriet*, the Poetry Foundation’s blog.
