A Student of History Nina Revoyr,2019-03-05 Revoyr is gifted in her ability to deal with complex ideas like racism, class conflict, and sexuality without sacrificing the truth of her narrative. Furthermore, like the most adroit novelists, Revoyr specializes in reversal. All of her books are filled with suspense and sudden surprises that take the stories in unexpected directions...As much as Nina Revoyr herself is a student of history, she's also one of our best teachers. --Los Angeles Review of Books Revoyr's latest noir tells a story that's somewhere between Sunset Boulevard and the darker regions of *The Great Gatsby*...Revoyr is a subtle observer of human foibles and social structures, and the result is one of the most insightful, and the most entertaining books of the year. --Literary Hub, one of Lit Hub's 50 Favorite Books of 2019 *A Student of History* is full of research, detail, lush descriptions, and visual place-setting. [Revoyr's] a fiction writer with an eye for reality set in a dream-like world, often in her home city of Los Angeles. --The Rumpus Any Nina Revoyr novel is a cause for celebration, and her latest, *A Student of History*, is assured and marvelous, an absorbing rags among riches tale about a broke USC grad student who finds himself swept off his feet by Los Angeles's insular, powerful .01% class. It's a contemporary novel that feels like an instant classic, with the wry tragedy of *The House of Mirth*, the sinister glamour of Sunset Boulevard, and a fresh, original point of view. --CrimeReads With a nod to *Great Expectations* and *The Great Gatsby*, Rick Nagano is Nick Carraway and young Pip rolled into one...Lambda Award-winner Revoyr focuses on the impact of race in the construct of class and society, and how there are some doors that will always remain closed. --The Advocate Nina Revoyr's new novel, *A Student of History*, continues the tradition of the Los Angeles oil novel, but steers it in a new direction. --Rain Taxi Review of Books With her two Walter Mosley-like gifts--impeccable narrative pacing and masterful command of Los Angeles' intricate, evolving dynamics of race and class--Nina Revoyr's LA novels convincingly capture the lifespan of Los Angeles as a major city, none more gracefully than *A Student of History*. --New York Journal of Books Rick Nagano is a graduate student in the history department at USC, struggling to make rent on his South Los Angeles apartment near the neighborhood where his family once lived. When he lands a job as a research assistant for the elderly Mrs. W--, the heir to an oil fortune, he sees it at first simply as a source of extra cash. But as he grows closer to the iconoclastic, charming, and feisty Mrs. W--, he gets drawn into a world of privilege and wealth far different from his racially mixed, blue-collar beginnings. Putting aside his half-finished dissertation, Rick sets up office in Mrs. W--'s grand Bel Air mansion and begins to transcribe her journals--which document an old Los Angeles not described in his history books. He also accompanies Mrs. W-- to venues frequented by the descendants of the land and oil barons who built the city. One evening, at an event, he meets Fiona Morgan--the elegant scion of an old steel family--who takes an interest in his studies. Irresistibly drawn to Fiona, he agrees to help her with a project of questionable merit in the hopes he'll win her favor. *A Student of History* explores both the beginnings of Los Angeles and the present-day dynamics of race and class. It offers a window into the usually hidden world of high society, and the influence of historic families on current events. Like *Great Expectations* and *The Great Gatsby*, it features, in Rick Nagano, a young man of modest means who is navigating a world where he doesn't belong.

My Freshman Year Rebekah Nathan,2006-07-25 After fifteen years of teaching anthropology at a large university, Rebekah Nathan had become baffled by her own students. Their strange behavior—eating meals at their desks, not completing reading assignments, remaining silent through class discussions—made her feel as if she were dealing with a completely foreign culture. So Nathan decided to do what anthropologists do when confused by a different culture: Go live with them. She enrolled as a freshman, moved into the dorm, ate in the dining hall, and took a full load of courses. And she came to understand that being a student is a pretty difficult job, too. Her discoveries about contemporary undergraduate culture are surprising and her observations are invaluable, making *My Freshman Year* essential reading for students, parents, faculty, and anyone interested in educational policy.

Becoming a Student-Ready College Tia Brown McNair,Susan Albertine,Michelle Asha Cooper,Nicole McDonald,Thomas Major, Jr.,2016-07-25 Boost student success by reversing your perspective on college readiness The national conversation asking Are students college-ready? concentrates on numerous factors that are beyond higher education's control. Becoming a Student-Ready College flips the college readiness conversation to provide a new perspective on creating institutional value and facilitating student success. These ideas for redesigning practices and policies provide more than food for thought—they offer a real-world framework for real institutional change. You'll learn: How educators can acknowledge their own biases and assumptions about underserved students in order to allow for change New ways to advance student learning and success How to develop and value student assets and social capital Strategies and approaches for creating a new student-focused culture of leadership at every level To truly become student-ready, educators must make difficult decisions, face the pressures of accountability, and address their preconceived notions about student success head-on. Becoming a Student-Ready College provides a reality check based on today's higher education environment.

The Game of Life (and How to Play It) by Florence Scovel Shinn Richard Lode,Florence Scovel Shinn,2017-03-08 Most people consider life a battle, but it is not a battle, it is a game. It is a game, however, which cannot be played successfully without the knowledge of spiritual law, and the Old and the New Testaments give the rules of the game with wonderful clearness. Jesus the Christ taught that it was a great game of Giving and Receiving. If we give hate, we will receive hate; if we give love, we will receive love; if we give criticism, we will receive criticism; if we lie we will be lied to; if we cheat we will be cheated. We are taught also, that the imaging faculty plays a leading part in the game of life. Keep thy heart (or imagination) with all diligence, for out of it are the issues of life. (Prov. 4:23.)
