The renowned author Linda Conrads is famous for more than just her bestselling novels. For over eleven years, she has mystified fans by never setting foot outside her home. Far-fetched, sometimes sinister rumors surround the shut-in writer, but they pale in comparison to the chilling truth: Linda is haunted by the unsolved murder of her younger sister, whom she discovered in a pool of blood twelve years ago, and by the face of the man she saw fleeing the scene. Now plagued by panic attacks, Linda copes with debilitating anxiety by secluding herself in her house, her last safe haven. But the sanctity of this refuge is shattered when her sister's murderer appears again--this time on her television screen. Empowered with sudden knowledge but hobbled by years of isolation, Linda resolves to use her only means of communication with the outside world--the plot of her next novel--to lay an irresistible trap for the man. But as the plan is set in motion and the past comes rushing back, Linda's memories of that traumatic night--and her very sanity--are called into question. Is this man really a heartless killer or merely a helpless victim?

Wolf's Revenge Lachlan Smith,2017-10-03 "Full of revelations, surprises and shocks," the fifth Leo Maxwell mystery pits the underdog defense attorney against an unforgiving prison gang (Bookreporter). Lachlan Smith's Shamus Award-winning series continues with attorney-detective Leo Maxwell seeking an exit strategy from his family's deepening entanglement with a ruthless prison-based gang. Caught between the criminals and the FBI, Leo charts his own path in defending a young woman who was manipulated into brazenly murdering a member of the Aryan Brotherhood in San Francisco's Tenderloin neighborhood. When the consequences strike heartbreakingly

close to home, Leo, his brother Teddy, and the rest of the family are forced into a winner-takes-all confrontation with men who don't care how many innocents they harm in achieving their goals. As Leo's world collapses, long-held secrets are revealed, transforming his perspective on the aftermath of the tragedy that derailed his childhood and fractured his family twenty-one years ago. The question then becomes who will get revenge first—the Maxwells or the sadistic gang leader who pursues them? "In its complexity, Wolf's Revenge might remind a reader of a John le Carré novel; few are who they seem to be. Spies and double agents abound. This novel has action, some violence, but its real strengths are its intricacy and some rather dispiriting revelations about our criminal justice system." —Tuscaloosa News
"Operating at the top of his game, Smith is as good as anyone writing today at combining a mystery with the overlay of existential dread that noir fans relish."
—Publishers Weekly (starred review)

Journey Of Revenge David Z. Price, 2010-05-07 We must be very careful of how we raise our children. If the wrong message is sent to the child, the end result can be tragic. Children are very impressionable and are born with the desire to please their parents. It is a parent's responsibility to raise the child into adulthood in a proper manner. There are no good templates to follow or precise instructions for the creation of a well-rounded child. That would be far too simple. Parents must remember that a perfect child does not exist. They also must remember that a child needs to be a child. Each child is very different and each child requires special attention that can only be given by loving parents. If but one parent or future parent reads this book and realizes the potential effect of their actions on a child, and changes their parenting approach, then I have done my job. This novel reflects the effect of an overbearing abusive parent on a child. The child, Zeke, possesses

the ability to fully remember everything since he was three years old. Zeke is both physically and mentally abused by a controlling mother, Marie, who is relentless in her quest to prove to the boy that he is evil and worthless. Zeke grows up through childhood to believe that he is really the monster that his mother makes him out to be. Zeke is driven to seclusion early in life by Marie. He only feels safe when he is alone where nobody can see or touch him. He is safe only in a world where he is the one in control and he makes the decisions. Zeke's father, James, is a workaholic and is seldom around to realize the abuse that goes on during his absence. Marie uses James to administer punishment to the boy for infractions that are blown out of proportion by her anger toward the child. The reality is that Marie never wanted the child and she blames James for the existence of the boy. The truth is that James fears being at home with Marie as much as Zeke does. The control and abuse doesn't stop with Zeke, it also filters down to James. The story follows Zeke through school where he is constantly in trouble with other children and school officials. His punishment for his behavior is severe and his anger toward the world increases as each day passes. In each case where he is wronged, he must retaliate. Zeke fully understands right from wrong, but he can't control his anger and hatred. He won't even try, why should he? His only friend in life, Tony, suffers a tragic death at a very young age and Zeke blames himself for not being able to save him. He feels that if he had only listened to Tony that he could have saved him. That guilt follows Zeke for the rest of his life. He has his first romantic interlude at an early age with a young female neighbor. His trust and ability to care about females is further damaged by the actions of this young lady. Marie has laid the groundwork for Zeke to possess the power to hate when he is rejected. He will not be controlled by anyone. He will be the one who controls each situation. Only Zeke's feelings matter anymore. Zeke begins to suffer from reoccurring nightmares that haunt him almost daily. He can't escape them and they continue to burn their way into his mind. A faceless demon with a blood dripping dagger chases him relentlessly in his nightmares. The nightmare intensifies over the years until one day he sees the face of the demon clearly. During the story Zeke's life crosses the path of an undesirable vagrant named Whitey. He proves to be an individual that needs to be dealt with. Whitey is just another person who tries to control and abuse Zeke. Zeke's quest to get even with Whitey takes him to a place in his mind that he will travel numerous times in the future. Many chose to cross Zeke during his life and he comes up with unique ways to deal with these individuals. Zeke believes that those who wrong him deserve to be punished and no punishment is too great for those who betray him. Zeke escapes his life at home through the help of James, only to find that life aw
