Naked Gina Gordon,2016-01-26 In this “fun, sexy, emotional read” (Lisa Renee Jones), one woman discovers the courage to face life’s greatest challenges—and explore her connection with a handsome neighbor. Violet Walker has been hiding. Withdrawn after a terrible car accident, she is worried about going back to her high-pressure job, where she’s expected to project confidence and sleek refinement. Allowing herself a distraction, she’s been watching her sexy neighbor work on his house. But when the shirtless, grinning hunk catches her in the act, Violet is struck by the unmistakable jolt of physical chemistry, a sensation that’s both thrilling and terrifying. Noah Young is used to moving from one construction job to another, never laying a firm foundation. The same goes for the women in his life—until Violet changes all that. His beautiful voyeur embraces his rough edges and shows him a hint of real love. But even Noah can tell that she’s holding back, hiding her body and her heart from what they both truly want. If only he could get a little help convincing Violet to see herself as he sees her: perfect in every way. Praise for *Naked* “Naked is not to be missed. All I can say is, more Noah please!”—New York Times bestselling author Lisa Renee Jones “A fun, sexy story that will make your heart race, *Naked* is a great swoony romance!”—New York Times bestselling author A. Meredith Walters “This book hit me straight in the feels. So powerful and sensual. I was hooked from page one. Gina Gordon is now on my one-click list.”—USA Today bestselling author Jamie K. It’s easy to identify with Gordon’s high-powered CEO heroine, who hides her deepest longing—to be valued simply for herself—under protective layers. But you know who’s good at stripping layers? A crazy-hot neighbor who works with his hands. Commence the sizzling demolition! You won’t want to miss this bold and sexy wake-up call to love!”—Amanda Usen, author of *Impulse Control* “Naked is a quick read, mainly due to the fact that I just couldn’t put it down. . . . [The story has] a lot of emotional depth.”—Book Angel Booktopia “For as unsure of herself as Violet is, at the end she gets pretty kick-ass. I enjoyed this book, and I liked the development of Violet coming out of her self-issues.”—The Romance Factor “This is one steamy book. . . . And it’s just the beginning, so this is going to be a great series!”—Once Upon an Alpha Includes an excerpt from another Loveswept title.

Our Naked Souls Jorge Reynardus,2016-08-24 *Our Naked Souls* explores the work of God to build the eternal intimate relationships with us that He desires and how He goes about doing it. We are all designed to connect with the infinite. But how can we do that when we are so broken? How can we connect with anyone when we are stuck in destructive cycles that lead to isolation and despair? Can anyone break the cycle? Yes, God can, but it's not usually a pleasant process. As He molds us, we can either succumb to despair or embrace hope. When we embrace hope, eternity has begun.
