Drawing for Kids with Lowercase Alphabet Letters in Easy Steps Rachel A. Goldstein,2016-08-17 This book will teach your child how to draw with the easiest approach possible...by using alphabet letters, numbers, and other simple shapes. This book will show you how to draw cartoons from all of the lowercase letters in the alphabet. Rachel has been teaching kids how to draw for almost ten years now, and this drawing technique really works! With this no-tears strategy, learning how to draw is fun for children as young as 4 years old, but also works for adults and teens. Cartooning is fun for kids, but even more fun when it comes easy to them. This book does just that...makes drawing fun and easy for kids. This book will turn your child into the artist that he or she wants

to be. Each drawing lesson is a step by step process. Each tutorial is broken down into the simplest of steps that can be followed by most children. Your child doesn't need to know how to read or write letters to follow these drawing lessons. In fact, preschoolers, Kindergartners, First graders, etc. can enjoy this book. The only thing your child needs is time and interest. You can also use this as a drawing workbook as the child can draw along in the book. Have fun drawing the day away!
