The word Helicity means to spin, and for as long as she can remember, Helicity has been fascinated by the weather. One fateful day, Helicity and her horse head out on a long ride to take a break from life at home. Even with her vast experience with weather, Helicity is unprepared for the elements she faces. The choices Helicity makes before, during, and after that storm will have a lasting effect on her family and her future.

To Fly Among the Stars: The Hidden Story of the Fight for Women Astronauts (Scholastic Focus) Rebecca Siegel,2020-03-03 A searing look at the birth of America's space program, and the men and women aviators who set its course. In the 1960s, locked in a heated race to launch the first human into space, the United States selected seven superstar test pilots and former military air fighters to NASA's astronaut class -- the Mercury 7. The men endured grueling training and constant media attention for the honor of becoming America's first space heroes. But a group of 13 women -- accomplished air racers, test pilots, and flight instructors -- were enduring those same astronaut tests in secret, hoping to defy social norms and earn a spot among the stars. With thrilling stories of aviation feats, frustrating tales of the fight against sexism, and historical photos, *To Fly Among the Stars* recounts an incredible era of US innovation, and the audacious hope of the women who took their fight for space flight all the way to Washington, DC.

Writings on the Wall Kareem Abdul-Jabbar,Raymond Obstfeld,2016-08-23 A New York Times and Washington Post Bestseller Bestselling author, basketball legend and cultural commentator Kareem Abdul-Jabbar explores the heart of issues that affect Americans today. Since retiring from professional basketball as the NBA's all-time leading scorer, six-time MVP, and Hall of Fame inductee, Kareem Abdul-Jabbar has become a lauded observer of culture and society, a New York Times bestselling author, and a regular contributor to *The Washington Post*, *TIME* magazine and *TIME.com*. He now brings that keen insight to the fore in *Writings on the Wall: Searching for a New Equality Beyond Black and White*, his most incisive and important work of non-fiction in years. He uses his unique blend of erudition, street smarts and authentic experience in essays on the country's seemingly irreconcilable partisan divide - both racial and political, parenthood, and his own experiences as an athlete, African-American, and a Muslim. The book is not just a collection of expositions; he also offers keen assessments of and solutions to problems such as racism in sports while speaking candidly about his experiences on the court and off. Timed for publication as the nation debates whom to send to the White House, the combination of plain talk on issues, life lessons, and personal stories places *Writings on the Wall* squarely in the middle of the conversation, as many of Abdul-Jabbar's topics are at the top of the national agenda. Whether it is sparring with Donald Trump, within the pages of *TIME* magazine, or full-length features in the *The New York Times Magazine*, writers, critics, and readers have come to agree on what *The Washington Post* observed: Abdul-Jabbar has become a vital, dynamic and unorthodox cultural voice.

Eddie Olczyk Eddie Olczyk,Perry Lefko,2019-10-08 Eddie Olczyk had built a life and career most people could only dream of. Growing up in the suburbs of Chicago, he fell in love with the game of hockey during an era when most kids preferred balls to pucks. Against all odds, he played on the 1984 U.S. Olympic hockey team as a 17-year-old, and four months later he was drafted in the first round by his hometown Chicago Blackhawks. During an illustrious 16-year career, he played for and alongside some of the greatest franchises and players in history, winning a Stanley Cup with the unforgettable 1994 New York Rangers. Years later, he coached former teammate Mario Lemieux and Sidney Crosby on the Pittsburgh Penguins before transitioning into the broadcast booth, where he has become one of the most recognizable voices of the sport. He then combined his skills as an analyst with his second passion—horse racing—and became an integral part of NBC's coverage of thoroughbreds. Away from the spotlight, Olczyk and his wife of three decades raised four adoring children. He was respected and admired by fans, friends, and peers. Life was sweet. Then, at 7:07 pm on August 4, 2017, his entire world turned upside down. In *Eddie Olczyk: Beating the Odds in Hockey and in Life*, one of the biggest names in American hockey has written an inspiring and entertaining memoir of his life both on and off the ice. From shooting hundreds of tennis balls at a goal in his childhood living room to the ups and downs of his improbable hockey career to rollicking stories from the booth and the backstretch, Olczyk guides readers on his journey toward his ultimate test: a battle against Stage 3 colon cancer. For years, Olczyk's goal was to be the best husband, father, broadcaster, and handicapper he could be. Today he has a new one: to bring as much awareness and support to those fighting cancer as he possibly can. In this emotional but often hilarious autobiography, you'll learn why the people who know Eddie Olczyk best might describe him as tremendously tremendous.

The Cubs Way Tom Verducci,2018-04-03 *The New York Times* Bestseller With inside access and reporting, *Sports Illustrated* senior baseball writer and FOX Sports analyst Tom Verducci reveals how Theo Epstein and Joe Maddon built, led, and inspired the Chicago Cubs team that broke the longest championship drought in sports, chronicling their epic journey to become World Series champions. It took 108 years, but it really happened. The Chicago Cubs are once again World Series champions. How did a team composed of unknown, young players and supposedly washed-up veterans come together to break the Curse of the Billy Goat? Tom Verducci, twice named National Sportswriter of the Year and co-writer of *The Yankee Years* with Joe Torre, will have full access to team president Theo Epstein, manager Joe Maddon, and the players to tell the story of the Cubs' transformation from perennial underachievers to the best team in baseball. Beginning with Epstein's first year with the team in 2011, Verducci will show how Epstein went beyond *Moneyball* thinking to turn around the franchise. Leading the organization with a manual called *The Cubs Way*,

he focused on the mental side of the game as much as the physical, emphasizing chemistry as well as statistics. To accomplish his goal, Epstein needed manager Joe Maddon, an eccentric innovator, as his counterweight on the Cubs' bench. A man who encourages themed road trips and late-arrival game days to loosen up his team, Maddon mixed New Age thinking with Old School leadership to help his players find their edge. The Cubs Way takes readers behind the scenes, chronicling how key players like Rizzo, Russell, Lester, and Arrieta were deftly brought into the organization by Epstein and coached by Maddon to outperform expectations. Together, Epstein and Maddon proved that clubhouse culture is as important as on-base-percentage, and that intangible components like personality, vibe, and positive energy are necessary for a team to perform to their fullest potential. Verducci chronicles the playoff run that culminated in an instant classic Game Seven. He takes a broader look at the history of baseball in Chicago and the almost supernatural element to the team's repeated losses that kept fans suffering, but also served to strengthen their loyalty. The Cubs Way is a celebration of an iconic team and its journey to a World Championship that fans and readers will cherish for years to come.

The Assassination of Fred Hampton Jeffrey Haas, 2019-11-05 Read the story behind the award-winning film Judas and the Black Messiah On December 4, 1969, attorney Jeff Haas was in a police lockup in Chicago, interviewing Fred Hampton's fiancée. Deborah Johnson described how the police pulled her from the room as Fred lay unconscious on their bed. She heard one officer say, He's still alive. She then heard two shots. A second officer said, He's good and dead now. She looked at Jeff and asked, What can you do? The Assassination of Fred Hampton remains Haas's personal account of how he and People's Law Office partner Flint Taylor pursued Hampton's assassins, ultimately prevailing over unlimited government resources and FBI conspiracy. Fifty years later, Haas writes that there is still an urgent need for the revolutionary systemic changes Hampton was organizing to accomplish. Not only a story of justice delivered, this book spotlights Hampton as a dynamic community leader and an inspiration for those in the ongoing fight against injustice and police brutality.

Potty-Mouthed Anne Johnsos, 2017-11-21 Potty-mouthed: Big Thoughts from Little Brains documents actual conversations author Anne Johnsos and her husband have had with their children, but it's not saccharine or self-congratulatory. It's filled with punch-in-the-gut moments, heartbreaking observations and an occasional chuckle at the expense of two absolutely average parents. This is the book you give your friend who secretly agrees that kids are the meanest kind of truth tellers. This is the book you give your pregnant coworker who thinks parenting is all unicorns and lollipops. This is the book you give those grownups who chose not to play the parenting game. It's a chance for them to sit back and stroke their inner gloat. And, by the way, the illustrations are hilarious.

What Next, Chicago? Matt Rosenberg, 2021-09-14 Our nation's big cities are broken. Urban progressive government badly undermines those it claims to lift up. Matt Rosenberg lived in Chicago for thirty years, and came back to live there again amidst the turmoil of 2020. What Next, Chicago? Notes of a Pissed-Off Native Son exposes the roots of Chicago's violent crime, failing courts and schools, rotten finances, and ongoing Black exodus, and proposes a rescue plan for this emblematic American city. "What has happened to Chicago? That's Matt Rosenberg's question, and mine as well. His loving tribute to our hometown is a moving, sensitive, humane, and trenchant critical assessment. Read it and weep." —Glenn C. Loury, Professor of the Social Sciences at Brown University, and author of One By One from the Inside Out: Essays and Reviews on Race and Responsibility in America "Matt Rosenberg writes about the Chicago Way in the Chicago Style of a Mike Royko.... It's a coherent, honest, and balanced tour of the city's perpetual corruption, unsafe streets, gawd-awful schools, ghost neighborhoods, financial legerdemain, and the false Unified Theory of Systemic Racism that cloaks it all. Yet, What Next, Chicago? is no helpless, hopeless wail, but a powerful and useful roadmap for a rebirth of a once-great city, based on the voices of Black families and others who don't need academia to know what to do. Must reading for Chicago lovers." —Dennis Byrne, former Chicago Sun-Times editorial board member

Up from Conservatism Arthur Milikh, 2023-06-27 The Conservative Establishment's consensus of the past two generations has almost totally broken down. Conservatism was unable to stop or even slow the Left's rolling revolutions in nearly every sector of American society—from classrooms to boardrooms, from the military to the culture at large. The Left has successfully transformed the nation over the past few generations, racking up victory after victory, with no clear end in sight. This is not sustainable for the country or the constituency represented by the Republican Party. For the Right to have a serious future, it needs to rethink its positions and think more deeply about the essential policy questions which will define the future of the country: race, men and women, sexuality, religion, the economy, foreign policy, and other major issues. This collection of essays, written by some of the Right's most interesting thinkers and practitioners, seeks to reframe the ideological and policy direction of the American Right.

Stronger Cindy McCain,2021-04-27 In Stronger, the widow of Senator John McCain opens up about her beloved husband, their thirty-eight-year marriage, and the trials and triumphs of a singular American life. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEW YORK POST • “At once a love letter to her late husband . . . and an indictment of the party-line politics he fought against . . . This is the Cindy McCain we suspected was at his side for so many years.”—Time Cindy Hensley was just out of college when she met and fell in love with the celebrated Navy hero John McCain. They embarked on a thrilling life together that put her at the center of American politics for over four decades. Stronger, her moving and inspiring memoir, tells the story of her adventurous life with John for the first time. Raising their four children in Arizona while John flourished as a six-term senator in Washington, D.C., Cindy McCain brought her own flair to the role of political wife. She eagerly supported John’s career even as she tried hard to stay out of the spotlight and maintain her own health and well-being. In Stronger, she is honest in revealing her own successes and missteps, discussing how she dealt with political attacks targeting her children, her battle with opioid addiction, and the wild whirl of campaigning for president. As they built their life together, Cindy and John continued the multi-generation McCain tradition of service to country. With both immense pride and deep worry, she sent two sons off to active duty in the military. She describes her own brave efforts bringing medical support to countries in crisis and empowering women in Africa and around the world. And she reveals her feelings about the tumultuous effects of the Trump presidency on the military. Most important, this book shares how John’s humor and strength helped Cindy grow into the confident woman she is now. More than a political story, Stronger is the unforgettable journey of one woman who believes in family, honor, and country—and is willing to stand up for all of them.
