The Miracle Equation Hal Elrod, 2021-01-05 The bestselling author of The Miracle Morning shares the secret to unlocking your full potential—all day, every day. “A simple, proven formula for creating extraordinary results in your life.”—Lewis Howes, New York Times bestselling author of The School of Greatness Even after the incredible success of his book The Miracle Morning, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world’s top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is The Miracle Equation, and it couldn’t be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort

until you do, you'll create results beyond what you believe to be possible. In *The Miracle Equation*, you'll learn how to • Replace fear with faith • Move from resistance to acceptance • Let go of negative emotions • Turn off your stress response • Overcome your limitations to unlock your limitless potential • Develop emotional invincibility • Grow from happiness, which is fleeting, to inner peace, which is lasting And with the *Miracle Equation 30-Day Challenge* to guide your way, you'll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for *The Miracle Equation* "The *Miracle Equation* isn't just a book, it's the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended."—Lewis Howes, New York Times bestselling author of *The School of Greatness* You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read *The Miracle Equation*.—Mel Robbins, bestselling author of *The 5-Second Rule*

The Vision Board Joyce Schwarz, 2011-01-04 In *The Vision Board*, influential career strategist Joyce Schwartz describes a transformative exercise that offers a simple way to change your life for the better. As featured on the Oprah Winfrey show, vision boards are a practical, effective approach to identifying and achieving your goals. With a foreword from Bob Proctor, featured teacher in *The Secret*, and an afterword by Jack Canfield, co-creator of the hugely popular *Chicken Soup for the Soul* series, *The Vision Board* offers concrete advice and motivation anecdotes designed to help you utilize vision boards in your own daily life.

The Vision Board Book Gini Graham Scott, 2018-02-20 *THE VISION BOARD BOOK* provides a way to create your vision board in a book, in which you envision what you want and decide what action steps to take to get it. But instead of creating your vision on a large board, usually about 24x36, you create it in an 8 1/2x11 book. The advantage of this approach is that you can take this book with you wherever you go and look at it whenever you want. You can also readily share this book with others, and you can take a photo of the pages or turn your book into a PDF and share that, too. Plus, with a book you can add in comments, add pages, and otherwise expand on your original vision. It is also easier to carry around. In fact, you can readily create a series of vision boards every year or every few months, so you can both see where you

are going and where you have been. Perhaps think of this book like a visual journal or diary in which you record your hopes and dreams and later look back from time to time. But now you have a separate book which you can focus on each day and use to keep track of how you are doing, as well as motivate you to go after and make real what you want.
