**The Other Guest** Helen Cooper, 2022-07-26 After a shocking death at a luxurious

Italian resort, two very different women must question everything—and everyone—they love in order to untangle truth from lies in this twisty, captivating read. One year ago, Leah's feisty 21-year-old niece, Amy, mysteriously drowned in the beautiful lake near her family-owned resort in Northern Italy. Now, Leah's grief has caught up with her, and she decides to return to Lake Garda for the first time since Amy's death. What she finds upon her arrival shocks her—her sister, brother-in-law, and surviving niece, Olivia, seem to have erased all memories of Amy, and fought to have her death declared an accidental drowning, despite murky circumstances. Leah knows she must look beyond the resort's beautiful façade and uncover what truly happened to Amy, even if her digging places both her family ties and her very life in danger. Meanwhile, in Central England, thirtysomething Joanna is recovering from a surprising break-up when she is swept off her feet by a handsome bartender. But when she learns that he is on the run from something in his past, and that their meeting may not have been a coincidence, Joanna realized that he may just a bit too good to be true. What follows is a propulsive cat-and mouse game set against the Italian lakeside as the two seemingly-unconnected women are caught up in a dangerous conspiracy.

*Elis and John Present the Holy Vible* Elis James, John Robins, 2018-10-18 The Elis James and John Robins' Show has become cult listening, and that cult has registered for charitable status, published quarterly accounts and been given a full blessing by the Archbishop of Broadcasting. It's official: Elis and John are a religion, and this book is their Holy Vible. Have you ever failed to Keep It Session? Is your new flatmate a complete coin? Have you ever eaten Space Raiders on the toilet and written 'Grief Is Living' in your journal? Then this book is for you. If not, don't worry, it won't be long before you're making up games, looking at Freddie, or facing your own personal farthing-gate. Our obsessions make us what we are, and though you may never have addressed a will to Brian May or cried watching Ronnie O' Sullivan make a 147, you'll have done something similar, and Elis and John are here to tell you that you're not weird, so come on in, and taste the vibe! Or should I say, READ the vibe!

Manic Street Preachers Marc Burrows, 2021-12-08 In a career that's spanned thirty-five years and generated fourteen albums, fifty-three singles (two of them UK number ones), four Brit Awards, two Ivor Novellas and inspired literally hundreds of university dissertations, quite a few PhD's and the odd specialist subject on Mastermind, Manic Street Preachers have become, in the words of their 2011 singles collection, national treasures. The Welsh trio (who, to many, will always be a quartet) have a uniquely intense impact on their fans; educating them as much as they entertain and inspire. This book collects fourteen brand new essays, one for each Manics album, from fourteen different writers from diverse backgrounds, tracing the band's impact on fans and culture and setting each of their works, from 1992's *Generation Terrorists* to 2018's *Resistance Is Futile* and beyond, into context. The essays are linked by a detailed month-by-month biography by music critic and Manics fan Marc Burrows (*The Guardian*, *The Quietus*, *Drowned In Sound*), who compiled and edited the book, tracing the band's development from glamourpuss upstart intellectuals to the elder statesmen of British indie rock, via an era-defining run of hits, an historic trip to Cuba and one vanished genius. *Manic Street Preachers: Album by Album* includes a complete discography and is sourced from in-depth archival research, making it one of the most comprehensive and detailed works devoted to the band yet compiled.

home video and syndication companies, theme parks, and even the emerging producers of interactive multimedia and virtual reality. A full section is devoted to all of the major players, their corporate struggles with each other, including the Time Warner and Paramount M&A wars. In Part II, Steinbock discusses the electronic superhighway and other government-initiated policies that will have a significant impact on strategic industry alliances. The book concludes with an assessment of how all of the technological, economic, and political influences emerging today will radically reshape the media/entertainment complex, not only in the United States but throughout the world.
