

Abstract Flower Wallpaper231

A Loxley

Wallpaper in America Catherine Lynn, Cooper-Hewitt Museum, 1980 Drawing on the extensive collections of the Cooper-Hewitt Museum, the Smithsonian Institution's National Museum of Design, as well as from sources across America and Europe, the author documents the changing tastes in pattern and color preferences. Richly illustrated with 102 color plates and over 245 black and white photographs, this book is a stunning achievement.

Love Pattern and Colour Charlotte Abrahams, 2021-11-23 Whether you want to fill your home with a riot of different patterns, or are looking for a single motif for a feature wall, there's an amazing array to choose from, and Love Pattern and Colour is the perfect place to start. Bursting with beautiful images of pattern designs from all over the world, this book shows how clever use of pattern can change a room: it can create a bold and striking space filled with drama, a cosy, comforting corner, or a cheery, colourful place that lifts the spirits. Being creative with pattern doesn't just mean choosing it for your walls: there's a feast of styles displayed here for furniture, lampshades, floors, tableware,

curtains and cushions. Looking at eight popular themes and how they can be used in a huge variety of ways, Love Pattern and Colour shows you designs and styles that can transform your home. Chapters and motifs featured include: Abstracts – brush strokes, marbling, random swirls Botanicals – trees, leaves, grasses, seedheads Scenes and Stories – Chinoiserie, toile du jouy Florals – spectacular blooms, country garden Cultural Travellers - paisley, Ikat, Islamic arabesques Geometrics – stripes, spots, squares Animal Kingdom – animal motifs and prints Textures – visual and tactile Charlotte Abrahams loves pattern and wants you to love it too. With her expert advice on how to choose and use pattern, and how to make it work in different spaces, you can find your personal style and decorate your home with flair.

New York Magazine ,1994-06-06 New York magazine was born in 1968 after a run as an insert of

the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Experiencing Architecture, second edition Steen Eiler Rasmussen, 1964-03-15 A classic examination of superb design through the centuries. Widely regarded as a classic in the field, Experiencing Architecture explores the history and promise of good design. Generously illustrated with historical examples of designing excellence—ranging from teacups, riding boots, and golf balls to the villas of Palladio and the fish-feeding pavilion of Beijing's Winter Palace—Rasmussen's accessible guide invites us to appreciate architecture not only as a profession, but as an art that shapes everyday experience. In the past, Rasmussen argues, architecture was not just an individual pursuit, but a community undertaking. Dwellings were built with a natural feeling for place, materials and use, resulting in “a remarkably suitable comeliness.” While we cannot return to a former age, Rasmussen

notes, we can still design spaces that are beautiful and useful by seeking to understand architecture as an art form that must be experienced. An understanding of good design comes not only from one's professional experience of architecture as an abstract, individual pursuit, but also from one's shared, everyday experience of architecture in real time—its particular use of light, color, shape, scale, texture, rhythm and sound. Experiencing Architecture reminds us of what good architectural design has accomplished over time, what it can accomplish still, and why it is worth pursuing. Wide-ranging and approachable, it is for anyone who has ever wondered “what instrument the architect plays on.”
