**Abundant Simplicity** Jan Johnson,2011-04-05 Which activities give you energy and connect you with God? Do you know what behaviors are life-draining for you, separating you from God? Simplicity is about choosing the engaging, relational life we were meant to live. It means shedding obligation and pretension. It means spending time energy money in ways that help us become clear-headed. It means being intentional about what we do and how we live. These choices allow God's power to move through us and bless others as we have space to do good. In each chapter Jan Johnson provides small experiments with simplicity as well as questions for discussion or reflection to get you started. Come and discover the unhurried rhythms of grace.

*Christian Minimalism* Becca Ehrlich,2021-05-17 Focus on what matters most—and intentionally remove the rest. Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. Christian Minimalism attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices these principles daily, this book gives readers a fresh perspective on how to live out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.

Abundance Peter H. Diamandis,Steven Kotler,2014-09-23 The authors document how four forces--exponential technologies, the DIY innovator, the Technophilanthropist, and the Rising Billion--are conspiring to solve our biggest problems. Abundance establishes hard targets for change and lays out a strategic roadmap for governments, industry and entrepreneurs, giving us plenty of reason for optimism.

**God-controlled Thinking (eBook)** Stephan Joubert,2005-03-24 Spiritual dreams and goals are often shattered by

personal failures and shortcomings. Obedience to God's way often seems to be in vain as old patterns of behavior dominate lifestyles. All because, while hearts are renewed, minds very often don't follow suit. In this practical and interesting book, readers will discover how to let God guide and direct their thoughts. Stephan Joubert presents a biblical view of how the mind works and what it really means to let God renew the mind. Readers will find that the key to following in the footsteps of the great heroes of the Bible lies in thinking God's way. God has not kept the secret to a renewed life hidden. It's all in the Bible. Readers will find that the way to spiritual maturity is through learning to give their thoughts to God and to adjust their way of thinking to correspond with His view of life. GOD-CONTROLLED THINKING will help readers to experience new dimensions of spiritual living through surrendering their minds to God. It is possible to live an abundant and victorious life.

*The God of Abundance* Mike Moore, 2021-04-17 Everyone experiences seasons of hardship. Perhaps no season in history proves this quite as much as our current time. People are seeking for something, anything to fulfill and satisfy their longings. Unfortunately, people tend to seek sources of fulfillment and satisfaction outside of the Gospel- a practice that often results in disappointment and disillusionment. These negative experiences lead to most people just surviving when they could be thriving. What is the source of fulfilling, abundant life? Is it even possible to be filled to overflowing satisfaction? The answer quite simply is YES! Through Christ, we can experience the amazing, limitless abundance of God's power. In this mini book, you will learn the difference between being abundantly alive and just existing. Sections in this book detail God's Power to bless His people. God desires for us to have more than enough. He wants to fully and completely equip us to complete our God-give purposes. With God, living can be more than just existing. With God, living can be filled with plenty, not scarcity. With God, living can be filled with success, not focused on survival. No matter what we are facing, we have been promised the victory through Christ's sacrifice at Calvary! We can live out our faith abundantly and boldly. Through Christ, we can live lives of abundance filled with God's rich blessings!

*Biblical Minimalism* Cheryl E Smith, 2020-05-14 For years, my family and I struggled with overloaded schedules, overwhelming debt, and being far too enslaved to our 4-bedroom, 3 bath home and excess physical possessions. The things we thought we owned really owned us, and living in bondage to them rendered us physically ill, mentally exhausted, and existing from day to day in an underlying state of misery. Through a sobering wake-up call, God made it clear that life-changes must be made, and what followed was a minimizing journey that has led us to sell our home, let go of about 90% of our physical possessions, and eliminate 100% of our debt. This book will appeal to anyone who has a desire to live a more minimal, Biblical-aligned life; anyone who is exhausted from over-indulgence in consumerism; anyone who would like to downsize and reduce the number of their physical possessions; and anyone who needs to read of living proof of a modern-day family who is currently walking this path. Minimalism is becoming increasingly popular as people tire of being bound to their possessions and obligations. Many long for a simpler life, but do not know how to find it or even where to begin. As we walked our own minimizing journey, I often longed for a minimalism book that was written from a Biblical viewpoint, and I found that there are few such

books available. My family and I wanted to be sure that what we were doing was not merely following after a movement, but that it fully aligned with God's Word and how Jesus lived His life on earth. As my attempts to find a book continually came up short, I turned directly to God's Word and in-depth personal study. The result of that whole-hearted searching is the book, *Biblical Minimalism*. It blazes the trail on the subject of Scripture-based minimalism and meets a growing need.

**The Broken Way (with Bonus Content)** Ann Voskamp, 2016-10-25 A New York Times bestseller! Brokenness doesn't only find us in the big things—things like illness, hardship, or grief. It can find you in the everyday. Learn to walk in a way that glorifies Jesus and receive freedom, not beyond your fear and pain, but within it. We are fragile and we know it. Sometimes, living with Christ in a messed-up world feels less like victory and more like walking uphill. Ann Voskamp, the New York Times bestselling author of *One Thousand Gifts*, sits at the edge of her life and her own unspoken brokenness and asks: What if you really want to live abundantly before it's too late? What do you do if you really want to know abundant wholeness? This one's for the lovers and the sufferers. This one's for the busted ones who are ready to bust free, the ones ready to break molds, break chains, break measuring sticks, and break all this bad brokenness with an unlikely good brokenness. You could be one of the Beloved who is broken—and still lets yourself be loved. Ann desperately wants you to know: God is attracted to the broken, the sin-sick, and those in need. The very things people are most ashamed of are the exact broken things that draw God to his people. You can live in the face of your unspoken pain. You can discover and trust this broken way—the way to not be afraid of broken things. *The Broken Way* is simple in presentation, written in Ann's unique style—a new way for desperate Christians in need of a fresh revelation of the grace of God. This ebook includes the full text of the book plus an exclusive section of beautiful photos paired with powerful passages from the text that is not found in the hardcover.

This Book Won't Make You Happy Niro Feliciano, 2022-04-05 When people find out she is a therapist, Niro Feliciano knows she isn't going anywhere anytime soon. At soccer games, at cocktail parties, in waiting rooms, people corner her and ask: Why am I so stressed? Is the way I feel normal? Why can't I just be happy? The truth is happiness is fleeting, and we are stressing ourselves out trying to achieve it. In *This Book Won't Make You Happy*, national media commentator and Psychology Today columnist Feliciano offers a path to something much more achievable and abundantly more satisfying: contentment. By incorporating eight simple postures rooted in cognitive behavioral science and mindfulness practices into our daily routines, we can move away from anxiety and toward balance and calm. Acceptance, gratitude, connection, a present-focused perspective, intentionality and priority, self-compassion, resilience, and faith: through these practices we will overcome obstacles that hold us back from living full, meaningful, contented lives. Anxiety, stress, and grief aren't going away anytime soon, and this book won't make you happy. But with wit and empathy, Feliciano leads you right past happy to calm. No matter how happy your life is--or isn't--you can reach a deeper, truer, and longer-lasting place of contentment.

In this inspiring book Timothy Jemly asserts that such secrets do exist, and they're accessible to everyone. Have you noticed some people to have a magic touch? Everyone likes them; they fit in wherever they go. They always seem to have plenty of money and enjoy great health. Whatever they do seems to prosper, and their enthusiasm for life seems boundless. It's like they know a secret the rest of us don't. Most of us, though, feel like we're outsiders. That no matter how hard we try, we always seem to come up a little short.
